Spokane, Wash., Feb. 14, '13.

A meeting of the Board of Trustees was held in Spokane with the following present: Mr. Fellows, Pres. of the Board, Mr. Lund, Mr. Collins, and Mr. Showalter. The meeting was called to order at 5 O'clock in Mr. Lund's office. There was a general discussion concerning the legislative situation at Olympia, and it was decided to hold a meeting on Tuesday, the 18th, to consider further plans relative to the building and architect.

After discussing the general conditions of the school, it was decided to go into this phase at some later meeting.

The general plans for building were further considered. It was decided to wait until the Legislature had taken final action before going into the building work with any degree of definiteness. Mr. Lund then gave his report of the work at Olympia.

The Report of the Bureau of Inspection and Supervision was gove over very carefully by the Board of Trustees and approved. It was moved and seconded that it be made a part of the regular Board minutes. The motion carried with instruction to Mr. Showalter to append it to the minutes of this meeting.
