N.D. SHOWALTER, PRESIDENT

CHENEY, WASHINGTON

#2.

Approved and adopted by the Board of Trustees at this meeting for the remainder of the biennium ending April 1, 1919.

Mr. Showalter presented a request for a leave of absence for the remainder of the year from Mr. George Frasier. The request was unanimously granted by the Board of Trustees. Mr. Frasier goes to Leland Stanford University to study some technical phases of Advanced Psychology and Educational Tests and Measurements which are especially desired in the Department of Education in the Normal School.

Mr. Showalter was authorized by the Board of Trustees to investigate candidates for the Department of Oral Expression to take the place of Mr. J. Werner Hoppe.

Mr. Showalter presented the plan of the City of Cheney for the paving district and it was decided by the Board of Trustees that should the majority of the citizens within the paving district desire to pave the streets, which included those on either side and at the front of the Normal School, there would be no objections offered by the Normal School authorities. They further stated that if it seemed necessary to have the signature or agreement of the Board of Trustees in order to secure such pavement of said streets and to complete the work of said improvement district that the signature of the proper authorities for the Normal School should not be withheld.

In explanation of this matter, it may be said that the Normal School Trustees do not wish to force the question of the improvement district upon the citizens of Cheney, but are willing to co-operate to bring this about in case an improvement district is desired by a majority of the people of said city.

Mr. Showalter was also authorized to investigate the two corner properties opposite the Normal School on B. Street, and if possible to secure option to purchase the same providing said property can be obtained at a reasonable price. If options are obtainable, the whole matter is then to be reported to the Trustees for final action.

Meeting adjourned at 6:00 o'clock P.M.

*N.D. Showalter*  
Acting Secretary.

*Mary A. Monroe*  
President Board of Trustees.
