A meeting of the Trustees was held in Spokane, Sept. 25, at the office of Mr. C. P. Lund, Mr. Fellows, Mr. Collins, and Mr. Showalter were present.

A number of the local architects were visited and interviewed relative to plans for a new Normal School building.

It was agreed to give several an opportunity to submit sketches showing their ability, and also to send copies of credentials from parties who have known concerning work already completed.

Mr. Fellows was requested by the Board to check over the books very carefully with Mr. Stronach at the earliest opportunity and report the same at the next meeting.

The Trustees authorized the employment of a night watchman in connection with the Public School Trustees at Cheney. Said watchman to give his entire time during the night to the buildings belonging to the two organizations.
