About Today's Game

Eastern Washington State College, still undefeated after four football games, will face a revived Whitworth College today in an Evergreen Conference game at Woodward Stadium in Cheney.

The Pirates, losers of three straight, stunned a powerful Central Washington State team, 21-0, last Saturday. Whitworth's newly powerful defense held the Wildcats to minus two yards rushing in the second half, and to a game total of only 26 yards.

Eastern, looking forward to a pair of easy games with Whitworth and College of Idaho before meeting powerful California Western in a Shrine game in San Diego Oct. 28, have now concentrated on beating a team that has finally and firmly jelled.

Whitworth showed a brilliant passing game against Central, gaining 162 yards and scoring one touchdown on Tim Hess passes. The Pirates gained 113 yards on the ground, but lost 25 of those to the Central defense.

In its 33-14 win over Western, the Savages gained 257 yards passing, 159 yards by junior quarterback Bill Diedrick, 94 by sophomore Steve Burke. Eastern gained 139 yards on the ground, Pat Zlateff accounting for 63, Ray Stookey 59, Ed Pchle 10, and Diedrick seven.

Offensive standout in the Eastern win over the Vikings was Sumner, Wash., junior Dave Svendsen. The 6-1, 170-pound end caught eight passes, including two for touchdowns, for a total of 112 yards, bringing his total in four games to 264 yards on 20 catches and three TDs.

Another junior, Jim Northcott, was cited as the top defensive player for the Savages against Western. A 5-11, 175-pound junior from Gonzaga Prep of Spokane, the Eastern defensive halfback intercepted a pair of Western passes, knocked down three others and played his position so well the Vikings made only 82 yards passing and a net of 106 on the ground.

ste you never get tired of.

One day you'll say, "He's his own man now." And you'll know the way was not easily found.

Of one thing you can be sure. He'll need all the education he can get — college, certainly, possibly even graduate school.

But there's a problem. Colleges are crowded and enrollments are growing. More classrooms, laboratories, libraries, good teachers will be needed.

These take money. So, give to the college of your choice now and help make certain college will be ready when he is.

Enrich his future - and America's.

Dramatic! Distinctive! Daringly new!

Expect a lot of never-befores and nice-to-haves from Chevrolet for 1968. You can count on nothing being newer. Formal and fastback roof lines. Elegant new interiors with exciting colors, fabrics, and easy-to-reach instruments. Concealed headlights, Hide-A-Way windshield wipers, and refreshing Astro Ventilation, available on many models.

NEW SILENT RIDE.

More effective body and engine mounts, quieter exhaust systems, and further improved shock absorbers. The result? Every new Chevrolet rides incredibly smooth and silent.

NEW MODELS, TOO.

Like the elegant Impala Custom Coupe and rugged new Chevelle Nomad Station Wagons. For the serious sports fan, there's the completely re-styled Corvette Sting Ray, and the Chevelle SS 396 with long-hood short-deck styling and a wider wheel stance to make it cling to the road better. Camaro, "The Hugger," features Astro Ventilation, and special hood on all SS models. What's more, there's a larger 307-cubic-inch V8 standard on Chevrolet, Chevelle and Chevy II models for '68. And on automatic transmission models, there's even a built-in heater that warms air en route to the carburetor and increases engine efficiency during cold weather. The new GM exhaust emission control is standard.

PROVED SAFETY FEATURES.

The famous proved GM-developed energy absorbing steering column and many other popular safety items are back again. Plus new features like energy absorbing front seat backs, safety armrests that shield

door handles, padded windshield pillars, and seat belts for all passenger positions. Be smart. Be sure. Buy now at your Chevrolet dealer's.
