FROM THE PRESIDENT

We are proud of the athletic programs and traditions at Eastern Washington State College and welcome you to share in the enjoyment of our athletic contests. As a member of the National Association of Intercollegiate Athletics, we believe that athletics is a part of the educational program, and that the personal growth and development of each athlete is a primary function of athletics. We plan to win, and expect to be competitive, but we will do so in the spirit of fair, hard play and the rules of the game. We think that you as a spectator will join us in carrying out these ideals and goals, and that you will cheer us to victory.

Spokane Salvage Bureau of St. Vincent DePaul Reports:

A substantial expenditure must usually be made to supply the requirements of the poor. Our Salvage Bureau has been founded for collection and distribution of all kinds of articles, many of which are given directly to the needy. Such living necessities as fresh milk, bread, other foodstuffs, rents, medicines, Doctor bills, fuel emergency transportation, educational facilities, and all other material needs essential for human sustenance must be purchased with actual cash. Some of your donations are sold in our various stores to supply these requisites — you the donor, are actually supplying the needs of the poor through this bureau.

THE EWSC ATHLETIC PROGRAM

Eastern is a member of the National Association of Intercollegiate Athletics and of the Evergreen Conference, a league which welcomes Southern Oregon College to membership this year.

Other Evergreen members are the other two state colleges, Central and Western, and Spokane's Whitworth College.

The Savages compete in 10 intercollegiate sports in both the Evergreen Conference and in the NAIA.

In the fall, in addition to football, Eastern fields a cross country team. This year, for the first time, the Savages will compete in water polo, but on a club basis.

Winter sports include basketball, gymnastics, swimming and wrestling, and in the spring, Eastern competes in baseball, golf, tennis and track.

EASTERN FOOTBALL SINCE 1902

Eastern Washington State College's football history goes back to 1902, when the then Cheney Normal School played a five-game season, beating Davenport High School 53-0 and tying, 0-0, in a second game; losing 5-0 to Spokane High School but winning 12-0, in a second contest, and winding up the season with a 0-0 tie with Lewiston State Normal.

Cheney Normal School went on to seasons with as many as eight games, and with as few as two. Opponents were mostly high schools in Spokane, Davenport, Garfield, Colfax, Ritzville, Oakesdale and Coeur d'Alene, Idaho

Other opponents included such schools as Blair Business College, Spokane College and Spokane University, now long gone. After WW I, Washington State and Idaho frosh were opponents almost each season.

It was 1915 when Cheney Normal first met Whitworth College, splitting a pair in the first season of what has become Eastern's longest rivalry.

Five years of Cheney Normal Schools' early records, 1908 through 1912, are not recorded. The

fire of 1912, which destroyed the school's one building, also destroyed football records. And for three years during WW I, and three more during WWII, no football was played.

Cheney first met Ellensburg College in 1922 and the next year Bellingham College was added to the schedule. These schools are not Central Washington and Western Washington State Colleges, and Cheney Normal has become Eastern Washington State College. The rivalry among the three state colleges has continued since the first game, through two different conferences.

Now Eastern, Central and Western, along with Whitworth and newly added Southern Oregon, form the Evergreen Conference, competing in 10 different intercollegiate sports.

Through 1968, and without taking into consideration the records missing for five years, Eastern has won a total of 228 games, lost 175, and tied 16.

SAVAGE ATHLETIC CLUB

Something new in the Eastern Washington State College Athletic program is the Savage Athletic Club.

While solicitations of grant-in-aid funds is the primary concern of the organization, membership is bringing about pride not only in athletic teams, but in the entire college and its growing facilities and many varied programs.

Funds received are handled by the athletic department and contributors will be assured that all gifts will be placed in the grant-in-aid fund to be dispersed to qualified athletes. The funds will be used exclusively to pay tuition and fees of athletes who are certified by the financial aids officer as in need of financial help.

A Century Club has also been formed within the Savage Athletic Club. The membership is comprised of those individuals or groups that contribute \$100 a year or more. A Wall plaque is presented to the members of the club.

The coaching staff at Eastern, to improve their program, must have funds available to compete in the recruiting war of college athletics. We feel that the Savage Athletic Club has taken a giant step forward to improve the EWSC program.

Other Fall Sports

Cross Country

The Savages have scheduled a full season of eight cross country meets, but with only one at home. Eastern's cross country team is coached by Hal Werner, who is also the Savages' track coach.

Eastern has a trio of young returnees for the 1969 season in Don Weitz, Barry Jahn and Larry Shinn, with transfers Ken Crawford from Mount Hood Community College, and Joe Ross from Spokane CC bolstering the team.

Water Polo

For the first time, the Savages will compete in water polo this year, but as a club, not a regularly sanctioned athletic team. Rick Hutterly, Eastern swimming coach, is club adviser.
