the WOMEN'S CENTER is for EVERYONE

The WOMEN'S CENTER is a place for men and women. The Center's facilities include a comfortable lounge (for meeting friends or studying), career and job information and counseling, accredited courses, a library, a referral center for child care, legal or financial aid, and other special interest programs.

The WOMEN'S CENTER offers these facilities as a common ground for meetings, programs and social gatherings.

WOMAN ARTIST OF THE MONTH - JUDY MCMILLAN

Stop in and see her drawings and watercolors on display during the month of January.

With the beginning of a new year and a new quarter, The Women's Center will be adding something new to its bi-weekly schedule--a news column with articles on current issues, recognition of women on campus, and other "newsy" items. We would like to invite your comments and suggestions about the news and calendar of events.

Lee Swedberg, member of the President's Committee for the Concerns of Minorities and Women, would welcome hearing about any ideas and concerns that women on campus have. Contact Lee at 359-2409.
