## WOMEN'S STUDIES

Women's Studies fills in many of the gaps left in the traditional university curriculum with subjects from the image of women in literature or religion to her biology, psychology, and her role in history. EWU offers nearly 30 courses and a 15 credit minor in this new academic area.

## WOMEN'S CENTER

The EWU Women's Center is a large comfortable, lounge located in 114 Monroe Hall. It offers programs, films and workshops that are both entertaining and informative. It is also an informational center with resource files, a check-out library, scholarship, and career information. From offering support services to fostering discussions of broad social issues, the Women's Center is available for activities which expand options for women and men in education and society.
