Special Note
The EWU Music Department would like to acknowledge and offer heartfelt thanks to President Arevalo, Provost Rex Fuller and former Dean Lynn Briggs for their support of the grant that made the purchase of our new concert Steinway Grand Piano possible.

We thank Alan McCoy, our EWU piano technician – we couldn’t have these concerts without your expertise!

Special thanks to Ben Robertson, our Stage Manager and Recording Engineer.

Please check back with us for details on our ‘Steinway Stars’ concert series, which will include pre-dinner concerts as well as evening recitals featuring EWU students, faculty and guest artists. The inaugural celebration of this exciting new series will begin Fall term, 2014.

If you would like to be part of our “88-Key Campaign” and be included on our Steinway donor plaque, please contact Dr. Jody Graves for details.
