HOMECOMING DAY
By A. A. Eastis

IN ORDER to progress new things must be attempted. While the idea of Homecoming Day is not a new one to the Washington State Normal at Cheney is new. We hope that it will meet the active approval of the alumni and will arrive with interest the result of our efforts.

Just think of it! I have been assured that a group of alumni has started the ball rolling about you other folks with a couple of hundred and sixty years of union will come.

As an old member those who were in your class, who contributed nothing to the success of other students in the past, are proud of the success of the students of the past.

Some of you have been away for years and do not know what is happening on campus. Your class, the class of 1909, was the first class to graduate from the State Normal College, and will be honored on Homecoming Day.

There will be a parade led by the school band, followed by a homecoming dance at the Normal. There will also be a football game between the Normal and the University of Washington.

We hope that you will come and enjoy the festivities of the day.

Two More Football Men Placed on List of Injured at Sutton

Virgil Miller went to Spokane Saturday and came out the winner when his name was placed on the list of injured at Sutton.

Mr. Neyes is a senior at Sutton this year.

"At least" Langhorne is no longer alone on the injured list. His name now shares the list with his brother, Robert, who has a cut on his head which leaves him in the same condition as his brother.

The ball was truly fuddled Friday, and the Dietz Brothers went out to the Crescent Field Monday morning to check on the condition of the players.

Robert Neyes went straight to Crescent. "He is in just as good shape as I was when he was in the hospital," Mr. Neyes said.

Robert Neyes left for Crescent early Monday morning, and Robert Neyes left for Crescent early Monday morning.
