TEACHING PROBLEMS DISCUSSSED BY CHENEY EDUCATORS

A NEW BOOK, "Problems of the Teaching Profession" by Albert R. Lang and Dr. John C. Almack, will be of general interest to the teachers of the State Normal School and other normal schools.

Dr. Lang is the head of the educational department of the Normal and Dr. Almack, now associated with the University of California at Los Angeles, are the authors of "Problems of Teaching," a work which has been generally accepted as one of the best and most comprehensive books of its kind.

The book is a valuable contribution to the field of education and will be of great interest to all who are engaged in the teaching profession.

The following review of the work in the "Cheney Normal Journal" has been published:

"The book is a valuable contribution to the field of education and will be of great interest to all who are engaged in the teaching profession. It is a comprehensive and well-organized work which will be of great value to all who are interested in the field of education."

Mr. J. Davis, Cheney High School

"We cannot too highly recommend this book for all who are interested in the teaching profession. It is a valuable contribution to the field of education and will be of great interest to all who are engaged in the teaching profession."
Training School Teaching Corps

Chosen for Summer

School will close Tuesday afternoon, May 22, for the spring quarter. The summer quarter opens Monday, June 4, but will not report on that day. No pupils will be admitted after 3:30 p.m. on Tuesday, June 2. The teaching corps for the summer quarter includes:

- Alice L. Herrell, First and Second grades-Miss Lawrance.
- Third and Fourth grades-Miss Harry, Second, and Miss Bryant.
- Miss Lawrance is the newly elected primary teacher who will continue throughout the year. Miss Herrell is principal of the Whittle school this year.
- Pauline Meiklejohn, activity leader for the intermediate grades during the summer quarter. She will also spend one hour a day helping in the gymnasium.

Mr. Lawrance will be oblige to resign his post for the summer quarter.

The Training School held its final session for the May quarter with the usual drill in the band and girls grades 6-12 and in the gymnasium. The last practice session before the intermission will be held on May 22nd.

Training School Boys Entertain

Guarantee their loyalty to the school and its ideals.

Mr. Johnson, principal of the junior high school at Marysville, spent a week in Spokane visiting friends and relatives. Mr. Johnson has been a frequent visitor in Spokane in recent years and is well known to many of the older residents of the city.

Mr. Johnson is a graduate of the University of Washington and has been principal of the junior high school for many years. He is a popular and respected figure in the city and is well liked by all who know him.

Mr. Johnson is a man of many parts and has a wide range of interests. He is a lover of literature and music and is an accomplished musician himself. He is also an expert on the history of the city and is a frequent contributor to local newspapers.
