SenoR ANNUAL ARTISTIC BOOK OF FIFTY PAGES

Volume is Attractive by Bound in Gray and Red, Colors of the Graduating Class CONTAINS MANY ILLUSTRATIONS

Fifty Hundred Copies Printed Practically All Copies Have Already Been Sold

Copies of The Arrow, the annual published by the graduating class, were distributed during the week.

The recent renewal of baseball found the season in good shape and the enthusiasm is bound to be maintained throughout the season. Miss Jeanette Donaldson, a member of the tennis team, is expected to do well in the singles division. The class tennis team will take on the Cheney College team in a match on the day of the commencement.

The senior class is becoming more united in its efforts to raise money for the Baccalaureate Service. The class officers are working hard to plan the program and to raise the necessary funds. The class officers and the student body are urged to support this important event.

WORK IS ANNOUNCED FOR NEXT YEAR

CONCERT ORCHESTRA TO PRESENT GUEST CONCERTS ARE PLANNED FOR FALL AND SPRING

Plans for the special activities in music were announced today by Mr. H. E. Holmquist, who has been appointed the first director of the Baccalaureate Service. Mr. Holmquist will be assisted by Mr. E. T. Eide, general manager; Edith Anderson, basketball and tennis coach; Kenneth Dick, assistant business manager; John L. Nelson, business manager; Elwood Webster, and David Martin, special helpers in the work of the orchestra.

The concert orchestra will be conducted by Mr. Holmquist and will present five concerts during the year. The first concert is scheduled for October 25th, and the other four will be held on November 25th, December 23rd, January 20th, and February 17th.

The program for the first concert will include a variety of musical selections from different periods and styles. The performances will be conducted with great skill, and the orchestra will present a high level of musicianship to the audience.

During the winter quarter an opera will be presented, featuring singers from the university and the community. The opera will be performed with a large chorus and instrumental accompaniment.

The spring quarter will feature a symphony orchestra, with guest conductor and distinguished soloists. The orchestra will perform major works from the Classical and Romantic periods.

The concert orchestra will give its first performance of the year on October 25th, with a program of chamber music and vocal selections. The following concerts will feature symphonic works and choral music. The final concert of the year will be held on February 17th, with a program of light music and popular songs.

Fraser is Visitor at Normal

Dr. George W. Fraser, president of the state teachers' college at Gower, Mo., visited this campus on Monday and met with members of the faculty. He was introduced to the students by President H. E. Holmquist and presented a program for the school year.

Fraser spoke about the importance of education and the role of the teacher in shaping young minds. He emphasized the need for continued professional development and the importance of collaboration among educators.

Fraser's visit was sponsored by the Normal Student Council, and a reception was held in his honor. The president and the faculty members were present, and the visit was well received by the students.

Summer Grades Will Be Mailed

The grades for the summer quarter will be mailed to all students within the next two weeks after the close of the summer session. The college mail service will ensure that the grades are delivered promptly.

Schooling to Close on Wednesday

The annual work in the Training School will be concluded on Wednesday of this week. All pupils will gather in the gymnasium at 9 o'clock in the morning for the presentation of the baccalaureate service.

The service will include a combination of technological and academic exercises, and will conclude with the presentation of diplomas to all graduates. The ceremonies will be followed by refreshments and a social hour.

The summer quarter is the largest to be graduated in the history of the college, and the school is proud of the accomplishment.

The normal students win scholarships

Martin L. Lacey and Edwin H. Smith have been awarded the Lacey and Smith scholarships for the spring quarter. The Lacey Scholarship, awarded by Mrs. M. L. Lacey, was given to Martin L. Lacey, and the Smith Scholarship, awarded by Mr. E. H. Smith, was given to Edwin H. Smith.

Martin Lacey and Mr. L. E. Smith will be held in the Normal auditorium on Tuesday night, April 25th, at 8 o'clock.

The normal students will be graduated in the Normal auditorium on May 27th.

PRES. UPHAM WILL ADDRESS SENIOR CLASS

Preparations Are Completed for Graduation Exercises Which Will Be Held Next Week

REV. J. N. GARST TO GIVE SERMON

Class Day Exercises Will Include Winding of Kinnikinick and Passing of the Arrow

Dr. Alfred H. Upham, president of the University of Illinois, will be the speaker at the commencement exercises, which will be held in the Normal auditorium on Thursday morning, June 8th.

The innservice exercises will be held on the Normal auditorium stage, and the Rev. J. N. Garst, pastor of the Normal Christian Church, will deliver the sermon.

The class hat distribution will be scheduled for Tuesday morning, and the hats will be distributed in the Normal auditorium at 10 o'clock.

The exercises will consist of the following:

1. The Normal installation of the students.
2. A short address by President Upham.
3. A song by the Normal choir.
5. The passing of the hat for the Normal class.
6. An address by a speaker selected by the students.
7. The winding of Kinnikinick by the Normal class.
8. The class day exercises will conclude with the normal songs and the passing of the Arrow.
TEACHING THE TRUTH ABOUT HISTORY

The spirit of inquiry and the willingness to face unpleasant facts are far more important than the pseudo-patriotism which would distort the truth for its narrow ends, according to certain school textbooks in the American Historical Association at its annual meeting in Columbus, Ohio. Dieters concluded:

These resolutions follow:

There has been progress in recent years in all agitation conducted by certain newspapers social and political activities, from class to class in journalism, and the director takes it. We have tried at all times to promote a willingness to face unpleasant facts, are far more important left to look forward to and these never thought of as the narrow field of the playground. Let the wishes of the people be heard, that we may make these last weeks intense.

If you will pass all your rules and make for a year-round recreation system supported on the following basis:

From the restricted idea of play and playground, the new emphasis on outdoor recreation system supported largely on the state level.

From the notion of play supervision to the concept of community recreation.

From the stress put on appearance, the new emphasis on character education.

From the old-fashioned approach to the new emphasis on educational objectives.

From the old-fashioned coach to the worker who will teach the values of the community.

From the old-fashioned approach to the new emphasis on educational objectives.

From the idea of confining the program within the school to a series of clubs organized throughout the neighborhood and community.

WHAT RESEARCH CAN DO FOR THE SUPERINTENDENT

The research department of the public school is a large one, and the needs and the resources of the superintendent.

Junior High Opportunity for Teacher

New Organization Is Not Shackled by Old Traditions, Says Mr. Horrall

Addressing the students as "Principal Horrall," he made a note of his experience and commitment to education. "Throughout the years, I have seen the growth and development of the junior high school," Mr. Horrall said. "It is a unique place where young people can explore their interests and develop essential life skills.

He went on to describe the opportunities for students in the junior high school, emphasizing the importance of extracurricular activities and the role of teachers in guiding students on their educational journey.

"The junior high school is a laboratory for life," Mr. Horrall concluded. "We have the chance to shape the future leaders of our community, and it is an honor to be a part of this endeavor."
