$25,582 Won By

EWSK Students

Scholarships totaling $25,582
were awarded by the Eastern
Washington State College
students to many individuals, as
was announced by Dean George
Hagie. The total was almost
$5,000 above the $20,000 aver-
aged for the past 10-year
scholarship record. Only 128
scholarships were awarded during
the 1959-60 college year.

Awards of $13,000 came from off-campus
organizations by civic, service and
student clubs; $7,500 from the
Parent-Teachers' organizations;
$750 from the foundation; $700
from individuals, and $650
from memorial scholarships
awarded by the college.

Each of the recipients was
invited to the College Library
and was presented with a
personal check and a letter
of appreciation from the
Students' Association of
Eastern.

The competition was
open to all students of the
college, and $13,000 in
awards were made.

The total value of the
awards, including memorial
scholarships, was $13,750.

Mr. Hagie said.

The awards of $13,000 were
made from the alumni fund
in the amount of $6,146, Dean
Hagie said.

A very worthy project has been underway for the past few weeks here at Eastern. The title is "Project Angola." Student leaders on campus have gone to a great deal of trouble in the hopes of making this project a success.

In our time of great need, it is our responsibility to do what we can to help the students of Angola. The need for this assistance is urgent. If we ignore this opportunity, we can probably expect another Communist controlled nation and an additional Red foothold in Africa.

The Student Organization has made every effort to reach the students with a precise definition about "Project Angola." The only thing I was able to find out was that it was the tin-foil stuff on the red map of Africa in the Student Union lobby.

What is Project Angola?

Upon questioning several students as to just what they knew about "Project Angola," the only thing I was able to find out was that it was the pin-foil stuff on the red map of Africa in the Student Union lobby. We can hope that they may continue their deserved educations in American universities.

250 students will become the leaders of the country. We can hope that they may continue their deserved educations in American universities.

These students want very much to continue their education. Because of the need for more students in the United States, our government has announced the Student Fund for the Aid of Refugees from Angola. All member schools are encouraged to raise money for the Angolian students so that they may continue their deserved educations in American universities.

250 students will become the leaders of the country. We can hope that they may continue their deserved educations in American universities.

Fund drives have been launched on many campuses with the aim of raising money for the Aid of Refugees from Angola. We can hope that these students will have the opportunity to continue their educations in this country.

A matter of morality involved. It is obvious that the students of Angola want very much to continue their education.

To the students of EWSC

This year on our campus, the Associated Students of the various organizations are trying to keep a fresh and different activities. It is their hope that a variety of social functions will cause a little spark of enthusiasm in our students and thereby encourage an upsurge of the student body as a whole.

Recently Women Students sponsored "Night in Nevada." Although many were dressed up about the hall of Big "SS were received an award at the North- student body as a whole.

We would like to extend our thanks to the students who supported "Night in Nevada" by attending and having such a good time.

If this student spirit continues, there are many fun things to do. Let's make this year such as we've never had before.

Sincerely,
Chuck Plumb

Dear Editor,

I'm getting pretty sick and tired of the campus police. This is the 4th time they are chasing the girls alone he has neglected to chase himself. Besides being dressed up and looking down, girls are more homogeneous than the boys were just as dressed up and looked down. Happened Tuesday morning or Thursday afternoon. About the hall of Big "SS" were students in the smoking-.getNumber 4thillis day as before.

My point is that the girls who turn into pumping the girls. If one is to crit-Ike for the Savage and the first time in the history of the school they have failed to gain a Eastern looked for an evening em- ractor in the first quarter of play of the game with the ball. With five minutes gone, the center of the Eastern line blocked an Idaho punt on the Idaho line. Dave Davis carried to the three, and Al Johnson applied the clincher on a backfield plunge. Idaho added to the Savages the lead. The extra point was wide by Mike McCaulay.

The center, Eastern was forced to punt from their own 15, and the Coyotes retaliated by blocking a Mike McCaulay punt. However, Mike was equal to the occasion as he slotted the ball in the end zone. All Idaho two only points on a safety instead of the touchdown.

The game remained a strict defensive battle. Eastern took the quarterback, Len Leboro, spotted Ken Leonard,挡住 his own 40, and the range Idaho end raced 60 yards for a Idaho two only points on a safety instead of the touchdown.

The extra point was good giving the Coyotes a 5-6 lead.

A minute later Idaho were forced to punt and a low pass from center to Barley. The block of Mike McCaulay, caused a fumble and Idaho recovered on the Eastern one yard line. With a minute left, Frank Hawley crashed over from the one and the Coyotes retired to the locker room with a 16-6 halftime lead.

The second half was primarily a defensive battle with neither team gaining a drive in either half. In the second half Idaho broke through the right tackle and ran away with a 23-6 victory. It was the 14th consecutive loss for Eastern and its 13th in the last 14 games, dating back to 1960. Two blocked punts and a pass interception allowed the Coyotes 16 of their 23 points.

Looking forward the future, things may not be so gloomy for this squad returns next year. The Savages will have about 15 letter winners returning. Leading is the fullback Al Johnson, but they are un- able to drive through the Idaho line for any more yards.

Two minutes later, Johnson recovered an Idaho fumble on the Idaho 28, but the Savages were stalled once again on the Idaho 29.

No further scoring was to come as neither team remaining in the game as Jim Benson, Will Forcella fumbled and Idaho recovered the ball inside of the Idaho line.

Ten Eastern Washington College football Seniors played their final game of their collegiate careers November 16 in a losing cause, as Idaho took advantage of some Savage miscues and ran away with a 23-6 victory. It was the ninth consecutive loss for Eastern and its 13th in the last 14 games, dating back to 1960. Two blocked punts and a pass interception allowed the Coyotes 16 of their 23 points.

Basketball Team Looks Good

Only two days remain for the Savage basketball team before they meet their first opponent, the Whitman College Mis- sionaries. The Savages, who have a squad composed almost completely of veterans, are a heavy favorite to win.

Returning to this year's squad are Walt Hartmann, Dan Daniels, Dick Hartman, John Vugten, Ted Alken and Rich Moore, seniors; Bob Frick, Jerry Russell, Joe Allen, Don War- wick, and Alex Woods, sophomore; John Hartman is an Eastern graduate of the last 14 games, dating back to 1960. Two blocked punts and a pass interception allowed the Coyotes 16 of their 23 points.

Smiths Present Concert

One of the Inland Empire’s finest talents was again displayed November 19 in a concert at Showalter Auditorium. We refer to talent in the singular for though both Donald and Patricia Smith are excellent pianists individually, as duo-pianists they form a combination that blends into a single unit of excellence.

Mr. and Mrs. Smith began the program with two contrasting selections; the Elisabeth Strauss Suite, an arrangement for piano quartet by Ethel Bartlett, and the more modern Introduction, Passacaglia and Fuge, by Max Reger. In these, their matchless phrasing became immediately apparent.

Jared Keckley, the northwest concert pianist, recently wrote a Schola for Two Pianos especially for the Smiths. This light hearted composition, with an outstanding Scherzo, was the highlight of the concert and was very well received by the audience.

The final two numbers, arrangements by Ravel, found the Smiths ending the program as they had begun; with the incomparable ability to make even the most technically difficult passages effortless.

There was never an apparent strain to achieve the near impossible precise intonation.

Selection Explained

As interesting addition to the performance was a short talk of explanation given before each selection. This served to greatly increase the audience’s enjoyment and understanding.

Quinley Attends Conference:

Examines IBM

Mr. Quinley, registrar, recently returned from the Pacific Coast Association of College Registrars and Admissions Officers held in Portland, November 5 through 8.

Purpose of the conference was to exchange ideas with other schools and become acquainted with new ideas. Mr. Quinley was especially interested in the operation of the IBM machines, as Eastern is in the process of changing over to them.

Thursday, Nov. 9, Mr. Quinley visited the campus of Oregon State University looking at their IBM machines and registration procedures.

Dr. Stewart Explains Place of Art

Turned good for the Washington Art Association meeting on campus two weeks ago. Dr. Stewart spoke on the subject “Mother-Joy a Review By Chuck LaBounty”.

The Engineer drew his line, The highway ran east from Chicago. And stretched like a concrete road to the west. Shot arrow straight across a mountain. Then came spiraling down, Snaked across a heat-dammed desert.

Pleas Made To Interested Wrestlers

All men interested in forming a wrestling club on the campus, let your voice be known. You men are asked to report to room 204 of the Redhead at 3:40 p.m. on Thursday, Nov. 30.

It is hoped that a full-time wrestling program can eventually be organized, and if enough enthusiasm is shown by this meeting, several matches will be scheduled for the following quarter.

Program May Be Established

This program can be worked into a varsity setup with equal recognition going to the participants of this sport, as is given to all other varsity organizations.

Beth Central Washington and Western Washington of the Evergreen Conference have wrestling in their programs now.

If interest is high, matches will be scheduled with the WSU Provost, Central and Whitman Colleges.

The main text is supplemented with hilarious footnotes. The text would be more enjoyable to read than the dreary one (which is not saying much).

Speaking of the Western Civ. classes, and I was, I think I have finally found a way to make that dreary subject more interesting (if that is possible). The text would be more enjoyable to read than the dreary one (which is not saying much).

I am endorsing The Decline and Fall of Practically Everybody (Dell, 223 pages, $1.95) as the new text and source of lecture material for the Western Civilization classes from here on out.

Will Cuppy, the author, gives us a never before seen view of many of the people who made history what it is. We are given inside glimpses of these people from ancient Egyptian Khufu to Miles Standish.

To say this book is funny would be a gross understatement. The main text is supplemented with hilarious footnotes. The combination of these two, text and footnotes, amply show Mr. Cuppy's genius in the world of the funny.

Cleopatra is one figure discussed. Her loves have come down to us through ancient historians, Shakespeare and Will Cuppy.

"Caesar was 54 to Cleopatra's 21, but he was still 'a lady's' man -- the thin, wily type, and smallish. He stayed in Egypt from early October until late in June settling affairs of state. It was a boy and they called him Caesarion, or Little Caesar, so Cleopatra now regarded herself as practically engaged. Caesar might have married her, but he had a wife at home. There's always something.

(Footnote: When Antony was married to Fulvia, he would jump from behind the furniture and cry 'Boo!'.)

This is just a very brief example of Cuppy's wit. Others discussed in the racy, hilarious book are Pericles, Attila, the Hun ('an awful pest'), Lady Godiva, Philip the Sap, Leif and Lucky and many more.

At the end of this book are two very funny additions, "Some Royal Pranks," and "Some Royal Stomachs." The subject matter of these two articles is self explanatory and they are written in the humorous style of Will Cuppy, the man who may himself go down in history as the man who put zing into the study of Western Civilization.

So many people on campus are feeling sorry for themselves. Ramblings is running a search for the "worst" individual (students, instructors, and staff!) on campus. Recognition will be given to this poor soul and we will all be able to feel sorry for him. If you feel you need our sympathy or know somebody who does please send your letters to: Ramblings, Room 204, Student Union Building.

I understand the current cry at LA Hall is "Perkins, get your hands off that television set."

Music Dept. Offers New Class

"Music in the Junior High School" will be offered by the Music Department as an evening course Winter Quarter. This class will meet on Wednesday evenings, with the first meeting scheduled for January 10, at 7 p.m. If the members of the class wish, the time may be changed to earlier time for subsequent meetings.

This course will be an upper division course (Music 343), and will be acceptable for satisfying graduate requirements.

Those who are not regularly enrolled at the college may register the evening of the first class meeting. The registrar's office will be open for that purpose.

The course is being offered as an evening class at the request of several teachers in the area who would like to study the problems met in the teaching of music at the junior high level. The instructor will be Dr. Jay Andrews.

"W" Club To Hold Annual MD Drive

Tuesday, Dec. 5, is the date set for the second annual Men's W Club Muscular Dystrophy Drive.

Contribution containers have been placed in the Student Union and in some of the dorms. In addition to distributing these, the club will canvas the entire Cheney area during the actual drive from 7:30 to 9 p.m.

Last year, the club took in over $400 and this year's goal has been set at $500.

Earlier in the quarter, the club was presented with a plaque from the National committee on Muscular Dystrophy. The plaque was presented by Jeff Thompson, son of Mr. and Mrs. Norman Thompson. Mr. Thompson is an assistant professor in the business department and Jeff is a Muscular Dystrophy victim. The Thompsons were a prime factor in last year's drive.

This year's donations will go to a hospital in New York where research is being conducted in an attempt to find a cure for the disease.

Marlboro—
campus favorite in all 50 states!

It's a top seller at colleges from U.S.C. to Yale
and 1st in the Flip-Top box in every single state

If you think you're seeing more Marlboro men lately, you're right. More than 25,000 smokers all over the country are switching to Marlboro every month!

You'll know why when you try them.

Marlboro is the filter cigarette with the unfiltered taste. The secret of the flavor is the famous Marlboro recipe from Richmond, Virginia... and the pure white Selectrate filter that goes with it.

Try Marlboro and judge for yourself. On or off campus, you get a lot to like.
