Merry Christmas - - Happy New Year

The EASTERNER

Eastern Washington College of Education

VOLUME 9

CHENEY, WASHINGTON DECEMBER 17, 1958

NUMBER 10

Kala Christougena! Want to Help Trim the Olive Tree?

Kala Christougena, or Merry Christmas, is the popular greeting wished by the people of Greece during this time of year. "Christmas in Greece is certainly different from the Christmas in the States" say George Panagos, EW student from Athens, Greece.

"In Greece, there is no present exchange, except in the wealthier classes. The school kids go singing carols through the neighborhood and their listeners give them money with which they buy their own gifts."

"Before Christmas, there is a two-week fast when vegetables are the main food," asserted George. "but we make up for it on Christmas day." "A pig, which is fattened up for the occasion, is barbecued and served in a grand manner with all the trimmings. These feasts usually last several days."

New Years

"New Years is also celebrated differently," says George. "A large pie, called Vasilopeta, is baked, and contains a coin or trinket in the center. Someone breaks the pie and every one scrambles for the coin. This coin is not spent but kept for a lucky charm."

George is a senior, majoring in business administration at Eastern. He has been in the U. S. since 1947. He attended the First Gymnasium in Greece and graduated from Lewis and Clark. He went into business for himself and in 1952, served as a medic in the Marines until September 1954.

In September of 1957, he returned to Greece to visit his family. He went through Naples, Peloponnesus, Sparta and various cities in Europe.

After graduating, George plans to go back into his own business or else work in foreign trade and commerce.

Priest Starts New Series For USCF

"Religions of America" is the title of a series of Thursday evening meetings to be sponsored by USCF next quarter beginning with Roman Catholic beliefs on January 8. Father Arthur Mertens will present the Catholic beliefs at this first meeting and will answer such questions as "What is the real meaning of Mass?" and "what is the Catholic position in intermarriage?"

"All students are invited to bring their dining trays into Louise Anderson's small dining room at 5:30 p. m. to hear two students answer questions about the Catholic Church," states Reverend Hadley Harper. Father Mertens will speak at 6 and this will be followed by another question period.

Other meetings of this series will include beliefs of the Jews, Christian Scientists, Mormons, and Jehovah's Witnesses.

Art Press To Make Appearance Soon

The "Art Press" will be issued before the holidays and will be available to students and faculty members with no charge in the Showalter lounge, the art department and the lounge of the Student Union.

The "Art Press" is a magazine composed of essays, poetry and fiction done by the students and faculty of Eastern.

13 Gals New To Pep Club

Thirteen new members were added to Savagettes at their Tuesday night meeting in the Isle-land game room, reports Carol Ulery, club president.

New additions to the girls' pep club are Elaine Kitchell, Barbara Rowe, Mary Braddock, Jane Bradley, Alice Bergevin, Beverly Pierce, Lois Stewart, Sally Schneider, Linda Conin, Ronna Lee Barbee, Justine Butcher, Dena Freese, and Susan Keller.

The girls, who successfully completed a pledge period consisting of attendance at a specified number of football games and Savagette meetings, were presented membership emblems to be placed on official club sweaters.

Christmas Doesn't Stop ASB Work

Furnishing contracts for new areas in the Student Union can't be held up just because it's Christmas and student officers on the ASB finance and furnishings committees need their vacations.

Fred Elkins, chairman of the furnishings committee, requested that ASB Treasurer, Tom Ennis, appoint a committee empowered to let contracts according to specifications and need as these are available. In this way, according to Elkins, delay in use of the new Student Union areas and facilities may be appreciably forestalled.

Ennis appointed ASB Adviser Dr. Harold K. Stevens, Dean Daryl Hagie, Fred Elkins, Ennis indicated that he, himself, would attend the meetings.

Furnishings of a slightly different nature were approved for the Student Union upon information of John Merrick that Mr. Storley of administration will furnish trash cans for paper and gallon paint cans for cigarette butts.

Also approved were necessary funds for installation of a mail slot for on-campus mail in the Student Union; and funds were allocated in order to have voting machines during our general and special student elections.

The ASB council wound up its year with a Christmas party for officers and representatives at the home of Dean and Mrs. Daryl Hagie. Honored guests were Dr. and Mrs. Don T. Patterson, Dr. and Mrs. Harold K. Stevens, and Dean of Women Janet Douglas.

Fees Payment Deadline Extended Till January 6

The deadline for payment of pre-registration fees has been extended through the regular winter quarter registration period ending January 6 by action of the college Administrative council upon petition of the Associated Student Body council.

Tom Ennis, spokesman for a committee of students from the ASB appearing before the administrative council last week, requested the extension on the grounds that a number of students would suffer considerable financial hardship if required to post fees by the earlier schedule.

Group Appears

Ennis, accompanied by Don Duncan and by Mae Urban, chairman of the student committee, told Administrative members that many students must earn the money with which they pay their fees during

the Christmas holidays and that Veterans won't receive their checks until after the earlier deadline.

Miss Urban, remarking how pleased members of the student committee were with the results of their petition, indicated that Administrative council members were very considerate and attentive to the student's problems.

According to Miss Urban, Dr. Patterson thanked them for bringing the student's viewpoint before the council and he suggested that student reaction be sampled on the idea of late afternoon and evening classes which would free students to work in the morning if they chose to do so.

Bachelor's Club To Sponsor Play For January 14

"The Desperate Hours," a true story account of the happenings of three escaped convicts, will be sponsored by the Bachelor's club on Wednesday, Jan. 14, according to Dr. Harold K. Stevens.

Written by Joseph Hayes, the story concerns three escaped prisoners who hold an Indianapolis family hostage for 48 hours.

Plot of the story concerns Glenn Griffin, who murdered a policeman and who attempts to gain vengeance against another policeman for what happened in prison.

The convicts use the Hilliard home in Indianapolis as a hide-away while waiting for Glenn Griffin's girl friend to bring the money that is to be used to hire a professional killer to take the life of Bard and also to be used for getting away.

The entire cast is as follows: Tom Winston, played by Earl Nicholson; Jesse Bard, by Lee Shorzman, Harry Carson, by Paul Barton; Eleanor Hilliard, by Mary Lynn Puckett; Ralphie Hilliard, by Steven Swegle; Dan Hilliard, by Charles Puckett; and Cindy Hilliard, by Sally Shafer.

Glenn Griffin, by Stan Rizzuti; Hank Griffin, by Jim Autcutt; Robish, by Gene Whiting; Chuck Wright, by Gary Owsley; Mr. Patterson, by Marvin Morach; Lt. Carl Fredericks, by Dick Fields, and Miss Swift, by Mary Lynn Puckett.

13 Graduates To Be Feted At SU Party

Thirteen is a lucky number for EWC fall quarter graduates receiving their degrees at a reception in the Student Union lounge tomorrow afternoon at 3 p. m., according to Mr. Kenneth Kennedy, assistant registrar.

Ten graduating seniors will receive their Bachelor of Arts in Education degrees: Melvin L. Frostad, Marcus, Washington; Theodore J. Gustin, Rosalia; William C. Hawley, Payette, Idaho; Hilda C. Holtz, Cheney; William C. Leinweber, Colfax; Gary A. Ludke, Spokane; Lanny T. Martin, Spokane; Robert R. Merrill, Marshall; Fred W. Stecker, Jr., Ione; and Raymond W. Tupling, Mansfield, Washington.

Three graduating seniors will receive their Bachelor of Arts degree with a major in fields other than education: H. Brooks Hanford, Cheney; Ronald R. McArthur, Spokane; and Rowland J. Riker, Spokane.

A reception will be given the graduating students, their parents, and their friends by the EWC Administrative Council. Key personnel of the faculty and college staff will attend in honor of the occasion.

The Real Scoop of the Year!!

The following telegram has just been received by Dr. Don S. Patterson, president of EWCC.

"I am very happy to inform you that the Board of Directors of the American Association of University Women voted to place the name of your institution on its approved list. Letter of congratulations follows."

Eunice C. Roberts, Chairman
Committee on Higher Education AAUW

Equipment and furnishings for the new Student Union additions are planned with considerable and painstaking care by a special committee. Members of the furnishings committee are, left to right: Margaret Jefferies, Tom Ennis, ASB treasurer; Stan Rizzuti, Freshman class president; and Fred Elkins, ASB V. P.

Quarter Finals Scheduled

The registrar's office has submitted the following schedule for fall quarter final examinations:

All Hum. 201 classes, Wednesday, December 17, 12:30 to 2:20
 All N. Sci. 101 classes, Thursday, December 18, 7:30 to 9:20
 All Soc. St. 107 classes, Thursday, December 18, 12:30 to 2:20
 English 101 classes, Regular Class Meeting
 8:10 classes, Wednesday, December 17, 9:30 to 11:20
 9:10 classes, Wednesday, December 17, 2:30 to 4:20
 10:10 classes, Friday, December 19, 9:30 to 11:20
 11:10 classes, Thursday, December 18, 2:30 to 4:20
 12:10 classes, Friday, December 19, 12:30 to 2:20
 1:10 classes, Friday, December 19, 7:30 to 9:20
 2:10 classes, Thursday, December 18, 9:30 to 11:20
 3:10 classes, Friday, December 19, 2:30 to 4:20

According to Mr. Quinley, registrar, all English Composition classes will meet according to the hour of their class meetings. In the original schedule in the bulletin they were to meet at a special hour.

The only classes that will meet at special times will be Humanities 201, Natural Science 101, and Social Studies 107.

Deaths Make Yell Boy Holidays Sad With Lungs, Spirit Sought

Death has saddened the holidays for two EWC families. Harry Allen, maintenance department painter, died during the Thanksgiving holidays. Mr. Allen had a serious heart condition but wanted to stay on the job the few remaining months necessary to qualify him for retirement benefits.

Dr. R. W. Leighton, father of Dr. Jack Leighton, head of the physical education department, died recently in Eugene, Ore. The elder Dr. Leighton will be remembered on this campus by those who met him when he took over his son Jack's classes when the latter had an eye operation. Dr. R. W. Leighton was head of the physical education department at the University of Oregon for many years.

Ed Honorary Pledges Ten

Ten EWCE students were accepted as pledges by Kappa Delta Pi, national education honorary, at its meeting Sunday, 4 p. m., in the home of Mrs. Margaret Allen, adviser.

Pledges are Phillip McClintock, June Ino, Ruth Collier, Deanna Hamilton, Pauline Greear, Mary Morgan, Beverly Zier, Masako Sawado, Shirley Drummond, and Neena Miller.

"We were glad to have such a good response from the pledges," stated Faye Lucke, president. She added that the coffee hour and pledge service gave pledges the opportunity to become acquainted with members.

The students were given invitations to join Kappa Delta Pi on the basis of such qualifications as a 3.20 cumulative grade point average; junior, senior, or graduate standing; plans to become a teacher and evidence of professional promise; and a required number of educational courses.

Pledges will become official members at an initiation service in January.

Attention, all men! A male cheer leader is needed to complete EWCE's rally squad, according to Mickey Childress, rally committee chairman.

Tryouts will be held Thursday, Jan. 8, at 6 p. m. in the Student Union recreation room.

The committee stated that the addition of a masculine cheer leader to the squad will make it possible for students at games to more easily hear the names of yells and will generate more spirit towards backing of teams.

Childress feels that "a guy who is cheer leading will probably add to the spirit of our cheering set-up."

All interested men should contact cheer leaders Mary Jane Haney, Janice Morgan, Bev Haney, or Helen Hansen before the end of fall quarter to obtain names of yells that need to be practiced for tryouts. Final decision will be made by the Rally Committee and the Student Council.

In line with a new policy, next year's women cheer leaders will also be chosen by a combined vote of the committee and the Student Council, Childress stated.

Bookstore To Buy Back Used Books

Used books will again be bought back by the bookstore now, according to Ladd Kaffien, Student Union manager.

Books which have never been sold back before will be allowed a 60 per cent refund and old books no longer used at Eastern, will be bought back for a used book company, he said.

He added that the new bookstore may be ready for occupancy by the beginning of Winter quarter if everything goes well.

Many Hear Views From Russian Visit

Cooperation of faculty members in releasing students for their 11 o'clock classes December 2 to attend the speech on Russia given by Mrs. Elizabeth Butler, daughter of Eric Johnson of Spokane, resulted in a large audience who gave alert and interested attention.

Mrs. Butler gave an account of her week visit during September and October while accompanying her father on his government mission to Russia.

She gave a view of Russia that was taken partly from 34,000 feet in the air. Mrs. Butler explained the differences in air travel in Russia. During her visit, a contract was secured to exchange cultural films between the U. S. and Russia.

Mrs. Butler stated that she felt that the people she met were contented with their situation, that they believed that it was an improvement over any previous life known to people in Russia; and there is an acceptance of the steady growth that comes from patient progress rather than from the high-powered restlessness to achieve immediate goals.

Scribes of the Fifth Estate sponsored Mrs. Butler's appearance.

Later in the afternoon Mrs. Butler met with foreign language students and discussed the need for foreign language students in the government. A question and answer period followed concerning problems not covered in her morning speech.

Finding Made Easier By IMC Catalogue

In order to find material easily in the Instructional Materials center, a catalogue has been dittoed for the students convenience, according to Dr. J. G. Church, head of the department.

The catalogue is made available to all interested persons by inquiring at the desk.

Filmstrips, records and audio visual materials are given as an explanation of how to find other instructional guides. One of the types of materials interesting to administrative students is a collection of administrative reports, for instance, the "Superintendent of Chicago Public Schools", concerning budget making and employment of personnel. Also included are the types of goals which are sought in Chicago.

Recently, the IMC has been experimenting with two different types of projection screens; daylight projection, which is semi shaded for use in small class rooms, and the large translucent frosted acetate screen that has the picture projected through the screen and can also be shown in a semi shaded room.

Provisions for experiments in the IMC are made possible by funds provided for in the Defense Education Act.

Students who are presently completing clearance requirements in order to be interviewed for Admission into the Professional Education Program winter quarter should come into the Education Office the first day of winter quarter (Monday, January 5) to receive an appointment for this interview. The interviews will be Thursday, January 8th, and Students who are admitted then will be allowed to add Procedures I to their schedules.

Hargreaves Library will be open during the Christmas holidays on December 22, 23, 29, and 30th, 1958, 1 p. m. to 4:30 p. m. Closed Saturdays and Sundays.

President's Christmas Greeting:

May I wish to all the college family a Christmas filled with cheer and good tidings. May the Season bring you and yours the joyful self-realization so justly deserved.

Don S. Patterson, EWC President.

LETTERS TO THE EDITOR

Letter to Editor:

Seven out of ten motoring casualties are innocent victims of traffic law violations.

A Kemper Insurance study of countrywide traffic accidents over the 1958 Memorial Day weekend confirmed our findings that there were seven innocent persons killed or injured for every two drivers who killed themselves while violating a traffic law. And 88 per cent of fatal accidents involved a traffic law violation.

Certainly, here is a personal incentive for strict and impartial traffic law enforcement and compliance, since it obviously is NOT true that accidents always happen to the other fellow.

Sincerely,
 Earle F. Heffley,
 Chairman Central Automobile Safety Committee

Choir Aired On KXLY

The Eastern Washington college Choir, under the direction of Wallace Peckley was featured on a Christmas broadcast over Radio Station KXLY Monday from 7:30 to 8 p. m.

The program was part of a series of ten featuring college and high school singing groups from the immediate Spokane area and was sponsored again this year by the Washington Water Power Company. All ten programs are being aired from 7:30 to 8 p. m. each evening through December 24.

In addition to the sponsorship of the series of broadcasts, Washington Water Power contributes fifty dollars to the music department of each of the participating schools as a gesture of appreciation.

The following participating school are scheduled: Eastern Washington college, December 15; North Central high school, December 16; Lewis and Clark high school, December 17; John Rogers high school, December 18; Shadle Park high school, December 19; Whitworth college, December 20; Central Valley high school, December 21; Gonzaga Prep, December 22; Gonzaga university, December 23; and Mount St. Michael Choir, December 24th.

Garry War Party Launches Holidays

Garry Hall anticipated the Christmas holidays with a social yesterday at which hall members and their guests were served hot chocolate and entertained with a musical program.

At this time Garry hall officers officially announced the name of "War Party" for the hall's cheering section and the name "Warriors" for the hall's intramural basketball and football teams, according to Wally Lane, Garry hall publicity manager.

Administrative offices will close at four o'clock beginning Friday, Dec. 19, and will be closed December 25 and 26, and January 1 and 2.

Report On EWCMade

A written accreditation report on EWC by Dean Nickerson of Montana State college has been placed with each EWC division head and two copies are in the library, according to President Don S. Patterson.

It has been suggested by Dr. Patterson that all faculty members read this report carefully and be ready to assist in carrying out the suggestions made by the accrediting committee as to how EWC may improve its program and facilities.

Dr. Patterson attended a hearing in Portland recently held by the Higher Commission of the Northwest Association of Secondary and High Schools with reference to the report of the accrediting team which visited EWC in November. EWC was approved for a five-year period.

While attending the meeting, the EWC president was appointed to membership on the commission as representative of the five state supported higher institutions in Washington.

Notification that the National Council on the Accreditation of Teacher Education schools will consider the accrediting report of its committee at its hearing in May.

Auditions for Show To Be Held Soon

Those people wishing to participate in the March of Dimes show on February 13 will have an opportunity to audition on Friday, Jan. 9 at 3 p. m. in the Island lounge. It is hoped that a wide variety of top talent can be found for the show, and these auditions are intended for the purpose of locating this talent. Another audition will be held on Monday, Jan. 12 at 4 p. m.

The editorial, reporting, and teaching staff of The Easterner wishes each and all members of the EWC family and our fellow townspeople of Cheney the Merriest of Christmases and the Happiest of New Years.

Foreign students on our campus from Siam, Thailand, Japan, Formosa, Korea, Hungary, Sweden, Canada, Greece and Spain, may have a Christmas holiday worth writing home about—if EWWC students and faculty members take these foreign students into their hearts and homes for the holidays.

Make arrangements at once with Miss Clara Kessler, foreign student adviser (college phone ext. 224 or BE 5-6636), for entertaining one or more of these interesting young people. Your own Christmas will be much happier when you are certain that no other student is sitting it out alone in an empty dorm.

Editor

USCF Plans To Present German Play

"The Sign of Jonah," a play which had a long run on West Berlin's "Broadway" even though written primarily for church study will be read by USCF members on Sunday evening, Jan. 11 at 6 p. m.

Guenter Rutenborn, pastor of a small parish in Germany's eastern zone, wrote the play shortly after World War II and attempted to examine in a public trial who in the nation or in the world was really guilty of the situation in Germany after the war — her cities in ruins, people without homes, and with almost every family remembering at least one who died.

After the play there will be a short discussion. "All students may attend this first meeting of winter quarter in the SU game room," said Reverend Hadley Harper.

Tax Exemptions Help Students and Parents

This is good news for college students and their parents, from the U. S. Treasury Department. Most parents will not lose the \$600 exemption they may claim on their Federal income tax returns for each dependent child, who is a student, regardless of age.

This applies also to students who work at a part-time job, provided parents contribute more than half their support, no matter what wage is earned.

Students also are entitled to a \$600 personal exemption and may be due a refund or part or all the Federal income tax withheld from their wages. They will have to file an income tax return claiming refund of any amount withheld in excess of the actual tax liability.

Amounts received by students as scholarships may be disregarded in figuring whether a parent provides for more than one-half his support. A returning G. I. may claim his own exemption of \$600, even though his parents have claimed him as a dependent. Further advice may be obtained from the Internal Revenue Service located in the Spokane Post Office building.

LA Serves Two Dinners

Eastern students were served turkey dinner in Louise Anderson hall Wednesday, Dec. 10, to start off the campus Christmas celebration, while faculty members with their husbands and wives attended Christmas dinner Saturday night, Dec. 13, in LA hall.

Two dinners were served to students Wednesday night, at 5 p. m. and at 6:30. Before these dinners and before the faculty dinner Saturday evening, many attended cocktail hours held in Louise Anderson lounge.

The dining hall took on a "holiday" appearance with its candlelit tables decorated with holly and greens and with the bright tree in the center. Christmas music was played during the dinners.

After the student dinners Wednesday night several students attended the Christmas all-sing led by Dave Acree in the Isle-land lounge. During the sing, Willie Jones sang "Winter Wonderland" accompanied by Bill Sanders on the piano. Members of the College Quartet also sang numbers including "The Twelve Days of Christmas."

A very large crowd of students danced to the music of the "Easterners" after the all-sing. During the dance the band featured Miss Estlier Pogue as vocalist who sang songs including "The Sunny Side of the Street" and "Someone to Watch Over Me."

Information Bureau Takes Youth Festival Problem

Plans to organize information for Americans about the 1959 Communist-organized Vienna Youth Festival have been announced.

The Independent Service for Information in Cambridge, Mass., has reported it will be equipped to effectively present a democratic viewpoint, dispel misconceptions of American society and thus promote understanding with the young people from many countries who will be present.

The festival, to be held in Vienna next summer, is the latest in a series of mass youth events organized since World War II by two leading Communist international front groups: World Federation of Democratic Youth and the International Union of Students. Next summer's meeting is the first to be held outside of the Soviet orbit.

Sponsors of the Information Service, most of whom have experience in domestic and international youth and student affairs, believe that many American young people do not fully realize the political and propagandistic nature of such festivals.

WSC Will Hold Dance In Spokane

A Christmas booster dance, sponsored by the senior class of Washington State College, will be held Saturday, Dec. 27, from 9 to 12, in the Terrace room of the Ridpath hotel, Spokane, according to Susie Hubbard, WSC correspondent.

An all-star EWC collegiate band is playing for the dressy dance. Tickets are \$2.50 a couple and will be on sale at the door.

They point out that this, in large measure, is due to a flood of expensive and misleading literature with which the Festival organizers deluge American college campuses and youth organizations.

The information Service, in consultation with other American youth students groups, intends to prepare and distribute documented studies on the history and operation of past festivals.

The organizers of the Information Service support the position of representative student and youth groups in the U. S. and Austria, the host country, along with those in numerous other non-Communist countries who have decided to boycott the Festival and deny it any official prestige. At the same time, they do expect that many intelligent and patriotic Americans will wish to attend in an individual and non-representative capacity.

The Information Service believes that such participation can be valuable if the individuals attending are fully informed as to the nature and purpose of such a meeting so as to lessen the exploitation of their presence for propaganda purposes.

Any person having questions concerning the Festival or desiring information about it may communicate with the Service at its office: 324 College House Offices, Harvard Square, Cambridge 38, Massachusetts.

THEY SAID IT COULDN'T BE DONE - BUT TODAY'S L&M GIVES YOU-

Puff by puff Lesstars & More taste

DON'T SETTLE FOR ONE WITHOUT THE OTHER!

Change to L&M and get 'em both. Such an improved filter and more taste! Better taste than in any other cigarette. Yes, today's L&M combines these two essentials of modern smoking enjoyment—less tars and more taste—in one great cigarette.

Four field goals in one game by a man who'd never kicked one before! Bobby Conrad himself said, "I never kicked a field goal in high school or college. In fact, I never even tried." But the amazing Texas A&M back broke two All Star records by booting four three-pointers, including one for 44 yards, as the 1958 college stars upset the Detroit Lions, 35 to 19. Conrad is now a Chicago Cardinal.

LETTERMEN — These seven are back from last year's varsity club (L-R) Walt Hartman, sophomore; Doug Cresswell, junior; Gary Roberts, sophomore; Jon McFarland, junior; Dick Koford, junior; Kent Matheson, senior; and Don Nelson, senior.

Alaskans To Open Vacation Series Fri.

Eastern will be looking for its fourth hoop win Friday when the Savages meet the University of Alaska in the first of a two-game series.

It will be the second series with the Polar Bears. Last year the clubs split. Eastern took the first 78-65. Alaska won the second 70-71.

Roland DeBoer is likely to be the only change in the Savage starting lineup. He replaced Jon McFarland as a starter in last week's win over the Missionaries of Whitman college. He collected 14 points and eight rebounds and displayed as much hustle as anyone on the club.

Kent Matheson will probably hold the other post job. He leads the Redmen scores with 18 field goals and 23 free

throws for 59 points.

Ralph McLean, a six foot guard, is the Nanooks real offensive threat. In 35 contests last season he garnered 458 points for a 13.1 game average. He is a two year letterman, and he played his high school ball at Central Valley in Opportunity.

The Bears have built their squad around two other veterans besides McLean, Bob Sliter and Griff Killgrove. Sliter is their top rebounder.

The Alaskans are scheduled to play Central Washington and Idaho State before returning home.

Hoopsters Garner 3rd Win In Othello

Intramural Bowl Loop Next Quarter

Bowling for winter quarter has a tentative schedule of four leagues, men's and women's intramural, men's open and a mixed league, according to Dick Redinger, Bowling organization president.

The men's intramural will be operated on a competition basis between the men's dormitories and will include five or more men on each team.

The women's intramural will be operated in one of two methods. It may consist of teams from each dormitory or from the various women's clubs and operate on the point system, or be organized by the Women's Recreational Association and be run without the point system.

A handicap on the basis of a minimum average of 140 will be used instead of the point system in the men's open.

Price for league bowling is \$1.25 per person. This includes \$1 for three lines, \$.10 for shoes and \$.15 for prize money.

A meeting will take place Wednesday, Jan. 7, at 5:30 to decide on the leagues. Anyone interested in bowling winter quarter is encouraged to attend in order that they may sign for a team, Redinger said.

Pat Whitehill, P. E. instructor, is adviser for the group.

Eastern cagers managed, for the first time this year, to put two fairly decent halves into one game, as they defeated the Whitman Missionaries, 62 to 51 in Othello last Saturday.

About 500 viewed the contest sponsored by the Othello Lions club. The proceeds of the game went into an athletic fund sponsored by the organization.

Roland DeBoer made his first real appearance in the contest and his performance could make him a consistent starter on the Red Reese quintet. DeBoer, who stands only 6-2, scored 14 and grabbed off eight rebounds in his first chance at the post. This freshman from Moses Lake started the game replacing Jon McFarland who was injured in the first Whitman game.

Missionary forward Denny Michelson opened the contest with a free throw, and then Dick Koford answered the call for Eastern by getting the same. Max Johnson started Whitman on a scoring streak

and they led for eight minutes, but Koford took the Redmen into the lead with eight minutes remaining in the first half.

Eastern enjoyed a one point halftime lead 27-26, but Johnson put his club ahead again just after the second half opened. The lead was short lived, however, for Kent Matheson hit for the Savages from the field.

The Missionaries remained within three points for about half of the second period, but their offense seemed to slow as the Cheney quint switched from a 2-1-2 zone to a man to man.

13 Point Lead

Eastern built its lead to 13 points with eight minutes left. Whitman then began its full court press but were able to cut the lead only three points.

Bob Anderson hit two nice set shots from about 20 feet out with just more than a minute remaining to make the score 59-51. Matheson hit a gift toss and John Nugent finished the evening's scoring with a lay-in just before the buzzer sounded.

Max Johnson led scorers with seven field goals and three free throws for a total of 17. Matheson took second with 15. He got only three from the field but hit an excellent nine of ten from the charity line.

The Redmen were out rebounded for the fourth time this season, Whitman grabbing 41, and Eastern getting 38.

It was the second win over the Missionaries this season. They won the first in Walla Walla, 49-48.

Women Take Third At Whitworth

Eastern Washington women traveled to Whitworth last week to compete in a playday. Also present as Holy Names who took first place and Whitworth close behind with second and Eastern took third.

There will be no more Women's intramurals this quarter "but next quarter we would like to see more women participating in the intramural program," officials reported.

Do You Think for Yourself? (HERE'S A TEST THAT WILL TELL YOU!*)

1. If the salaries were equal, would you rather be a college professor than a movie star?

YES ☐ NO ☐

5. Do you believe it unwise to eat at irregular hours, even though you're hungry?

YES ☐ NO ☐

2. Would you rather borrow money from a bank or institution than from a friend?

YES ☐ NO ☐

6. If you actually saw a "flying saucer" land, would you run for your life?

YES ☐ NO ☐

3. Would you rather have tests sprung on you than be warned about them in advance?

YES ☐ NO ☐

7. Would you be inclined to follow the latest style in clothes regardless of how it looked to you?

YES ☐ NO ☐

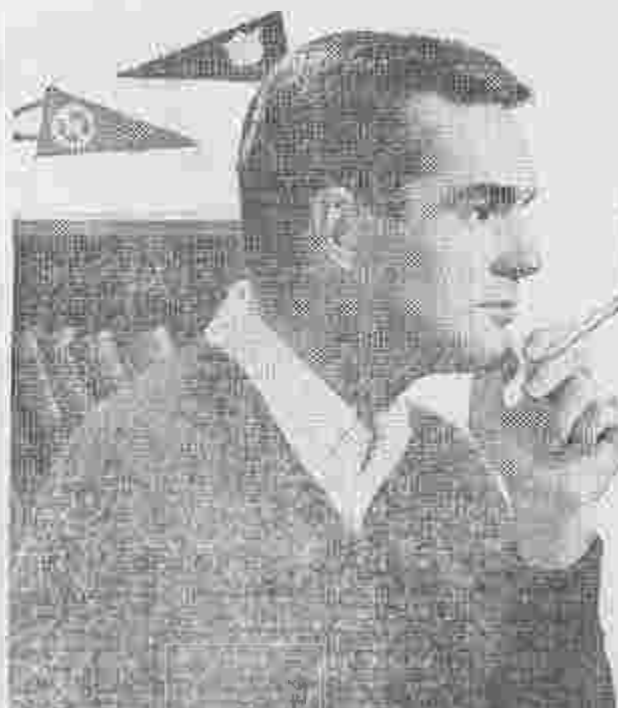

4. Do you think it's foolish to daydream?

YES ☐ NO ☐

8. Would you feel badly if you thought nobody at all knew where you were?

YES ☐ NO ☐

9. Are you confused by the clamor of conflicting claims so many filter cigarettes are making these days?

YES ☐ NO ☐

The fact is, thinking men and women don't let themselves get pushed and pulled by all those filter claims. They know what they want in a filter cigarette. And they know only VICEROY gives it to them. A thinking man's filter, a smoking man's taste. Makes sense.

Should you smoke VICEROY? If you think for yourself—chances are you do already!

*If you have answered Yes to two out of the first three questions, and No to five out of the last six... you think for yourself!

The Man Who Thinks for Himself Knows —

ONLY VICEROY HAS A THINKING MAN'S FILTER... A SMOKING MAN'S TASTE!

Leo Collins is Leo Collins In Boston Just Like Cheney

By Judy Acree

Leo W. Collins, EWC associate professor of music on leave of absence and a doctoral candidate in music at Boston University's School of Fine and Applied Arts, is typically engaged in many musical activities at the university.

The former Eastern Collegiate Chorale director traveled with his wife and four children the 3000 miles to Boston last September to accomplish three purposes.

In his own words these purposes were "to study opera direction under Sara Caldwell, chairman of the department of music theatre at Boston University; to work toward my doctorate in musical arts, majoring in voice; and to absorb some of Boston's cultural atmosphere."

Collins' musical interests at the university include directing the Wheelock College Glee Club and assuming a post as organist and choir director at

the Lynnfield Center Congregational Church.

Also a teaching fellow at the School of Fine and Applied Arts division of music, the versatile musician teaches three sections of sophomore and junior voice classes. Collins, accompanied by his pianist wife, Joan, is preparing his first graduate voice recital to be given at the University soon. While teaching at Eastern, Collins' talents made an impact on the local musical scene. They included founding the Spokane Symphonic Chorale in 1954 and subsequently directing the well-known group.

Currently on a renewable one-year leave of absence from his faculty post at EWCE, Collins expects to complete his doctoral program at Boston University within the two years maximum allotted time and return with his family to Cheney to resume his teaching-directing activities.

Student's Receipt Needed for Refund

Students who have paid for physical education and varsity lockers must have their small receipts with them when they report to the business office cashier for refund of their deposit, according to Mildred King, bursar.

Mrs. King said, "No duplicate receipts will be issued for locker deposits beginning winter quarter." In the past the business office has issued duplicates for lost receipts.

Both the athletic and physical education departments pick up the locker receipts and file them for safe keeping until the student turns in his locker.

"There should be no need for duplicate receipts if the students take care of the matter at once," said Mrs. King.

Civil Service Seeks Science Graduates For Research Jobs

"More than 200 of the most inquisitive-minded college seniors and recent graduates in the country will be sought for Federal scientific research positions through an intensive, nation-wide search," the Civil Service Commission announced recently.

Eleven of the top government research laboratories located in and around Washington, D. C., are among the Federal agencies seeking seniors and graduates.

Those who make the grade will be paid a starting salary of \$5,430 a year and can set their career sights on the highest-level research positions in the Federal Government if they can meet professional requirements the Commission said.

Only research positions will be filled through this examination. The Laboratories are offering career research positions in the fields of engineering, chemistry, electronics, mathematics, metallurgy and physics.

To measure research potential of the persons being sought a tough written test will make up the major part of the Examination. The test has been prepared by Civil Service experts in cooperation with scientists of the 11 Federal laboratories.

For complete information and application forms, see the Placement director, Ray Giles.

Selections Include Stone, Clay, Bone

The students of Nan Wiley's beginning sculpture class are exhibiting their works on the third floor of the art department.

The selections consist of contemporary pieces utilizing clay, plaster, stone, wood, bone and metal. Some of the works

The EASTERNER

Page 5

EWCE Committee Members To Meet

Legislative committee members of the Eastern Washington college alumni association will meet on the campus Saturday to discuss the legislative needs of the college and then to communicate those needs to the legislators in their respective districts.

Attending the meeting for Eastern, will be President Don S. Patterson, Wayne Hall, alumni secretary, and other college officials.

Hall stated that upon the approval of Merrill Smith, alumni president, approximately 80 alumni from the various legislative districts of the state were appointed to the legislative committee and will attend similar meetings at Seattle, Tacoma, and possibly Longview.

After the legislative committee members return to their home districts, they will visit their legislatures and discuss with them the 1959-61 requests of the college.

According to Wayne Hall, prior to the last session of the Washington State legislature, the EWCE alumni board voted to create an alumni legislative committee in eastern Washington. The committee appointed met on the Eastern campus, at which time the legislative requests of the college were discussed with Dr. Patterson and other college officials.

are done in bass relief and some in round, also.

There is also a mosaic design and a modern piece done by an airman from Fairchild AFB.

Students of Miss Wiley's are: Ronald Ballo, Myron Berger, Albert Birdsell, Tom Brawly, Dolores Brown, Don Duncan, Robert Griffin, Michael Anderson, Seville Hachez, Janice Joachim, Carol Ostheiler, Tom Richardson, Karen Wordworth, Yvonne Gordwater.

Odd Shaped Machine Is Teaching Aid

An odd shaped piece of equipment, located in the Instructional Materials center, is an overhead projector.

A person wishing to make presentations to the class can write on a cellophane roll in the projector the information that he would like to present, and then it can be projected for the class and saved for further use. This process may be used for drawing charts and any other type of writing or sketches.

Light shines through a ten by ten inch table and then is projected on to a screen by a lens. It is made so that the projector can be placed on the instructors desk and he can face the class while showing the material.

It is possible to have copies made of anything so that they can be shown on an overhead transparency projection. Faculty members wishing copies of pictures, pages from books, charts or other materials, may contact IMC.

Schadegg Is Elected Planning Chairman

Francis J. Schadegg, geography instructor, was again elected chairman of the County Planning commission at its recent meeting in Spokane.

Schadegg said this will be one of the most important years for the Commission. Studies of the arterial road system, industrial and population studies and several area studies in the county are scheduled.

One of these area studies will consist of research in the Cheney school district, which takes in the area from the Spokane city limits to the Southern county line and includes 359 square miles of territory, Schadegg said.

A  is to beat—but without the 
you miss the whole idea of

A  is to smoke—but without flavor
you miss the whole idea of smoking!

When it comes to flavor...

EWC's annual Christmas dinner, served with shining silver, white table cloths, and candles to over 800 students by Miss Johnson and her LA dining room staff, was a festive occasion. Christmas dinner, American style, was a particular treat for EWC's foreign students pictured above. —Gies photo

Santa Visits Senior Hall; Coeds Carol

Santa Claus visited Senior hall last Thursday to take Christmas orders at the annual Christmas party.

Group singing of Christmas carols opened the yuletide celebration and then Santa, in the form of Margy Johnson listened to the requests of four "kiddies"—Mrs. Mary Newton, Senior hall adviser, Elaine Emery, Carol Wise and Sally Shafer—who were so eager to give him their order they all sat on his lap.

Santa and his helpers passed out Christmas gifts to all the girls and presented a set of gold candle sticks to Mrs. Newton from the Senior hall women. Mrs. Newton in return gave the doll a Christmas tree.

After the gift exchange everyone donned their wraps and went caroling. The girls visited Monroe, Louise Anderson, Garry Hudson, Sutton, and the home of President and Mrs. Don S. Paterson.

The girls returned from their trek and enjoyed hot cocoa and doughnuts. "With a beginning like this, it's sure to be a wonderful Christmas," said President Betty Jo Van Woert.

EWCE Is Expanding And Moving

That EWC is growing and not standing still is further evidenced by problems reported by Charles Booth, chairman of the Campus Planning commission, to the Administrative Council recently.

Not the least of the problems that must be resolved is a determination of which direction the campus will expand, which in turn depends upon the acquisition of land. Also primary in long range

planning is a foreknowledge of building needs and some idea of the type of campus layout desired.

Booth, working in conjunction with faculty member, F. J. Schadeegg, has been instructed by the council to proceed with the development of a campus plan on the assumption that the college will acquire land west of the present campus.

The council authorized Booth to call in a consultant, if needed, and furthermore relieved Booth of part of his teaching load during the winter and spring quarters in order that he might give more time to this important work.

The new campus elementary school is another expansion to EWC facilities and should be finished in time for occupancy next Spring. A unique feature of the school is the separate observation rooms that allow student teachers to watch classes in session through one-way windows without disturbing the elementary students. —Rowse photo

162 Kiddies Participate In Program

About 162 campus school children will participate in the annual Christmas program tonight at 8 p. m. in Martin auditorium.

Music for the major part of the program is made up mainly of familiar Christmas songs.

All campus school children from kindergarten through the sixth grade will take part in the annual affair. Children in the primary grades will present "The Shoemaker and the Elves" adapted from words and music by Frank Luther.

A 10-minute "16th Century Miracle Play" will be given by children in the upper grades.

Dramatic portions of the presentation will be under the direction of Christine Elrod, assistant professor of English, and Dr. J. A. Andrews, associate professor of music, will direct the musical presentations. Dennis Reynolds, senior music major, will play the piano accompaniments.

"The program is given primarily for the children's parents, but everyone is welcome to attend," said Dr. Andrews.

Donna Rode, a student in the home economics department, puts a roast into a new oven which is part of the latest in kitchen equipment installed at EWC this quarter. Also shown is the new type kitchen shelves, sink, and ice-box freezer unit. —Rowse photo

The new addition to the Student Union will just about double its present capacity. The addition was started last Spring quarter and completion is expected by the end of Winter quarter 1959. —Rowse photo

Winter Record Set By Student Teachers

A record number of prospective teachers have been assigned student teaching positions for winter quarter. Dr. Gerald Mercer director of student teachers reported.

Approximately 96 EWC student teachers have been scheduled for training in the four school districts supplied from Eastern. Student teacher field supervisors are overloaded in all areas, Dr. Mercer indicated.

Supervisors for the Spokane school district will be Dr. Mercer, J. A. Barnes, assistant professor of education, and Dr. E. M. Badgely who will assist in Spokane as well as supervise the Cheney area.

C. M. Fraser, associate professor of education will handle the Spokane valley schools.

Bernard Kingsley has been assigned the supervision of the Pasco Richland area.

Christmas was heralded in with song as Senior hall girls serenaded other campus dormitories with carols Thursday night. Sutton hall men responded by coming out on the front lawn and joining the girls in song. —Rowse photo

Attention, Students!

Get your cleaning done where the prices are right.

One day cleaning for emergencies
