Blood Drive

Set In SUB

April 23 and 24, the student body of the university will again sponsor the blood drive sponsored by The Spartan Corps of Cadets.

This drive is under the supervision of the bloodmobile, which is made up of Eastern Washington College students. The total number of units desired, with the exception of the bloodmobile, is between the students.

Any person between 18 and 60 in good health, and without more than 30 grams of blood, is eligible to donate their blood.

Counseling sessions were conducted by Dr. W. M. H. Drury, 3rd and T. H. Robertson, 4th, and E. A. R. Hecker, 5th, 6th, and 7th.

Practicing the Blood Drive are: 1st, Larry Williams, 2nd, Dan Fredrickson, 3rd, Wally Ringer, 4th, and 5th, William and Fred Robinson.

Nearly 100 students are expected to donate blood.

Booth appointments are set for April 23rd and 24th.

LAURA SMITH shows her painting that she won first prize in the university Art Fair. Looking on are her teachers, (L-R) Jean Stillman, Dave Lempke, and Bill Daniel.

Fellowships Offered By Government

Two hundred fellowships for graduate study in foreign countries will be offered by various governments and universities to students who have at least one year of study remaining. The fellowships are open to students in the following countries:

- The United States of America
- The United Kingdom
- France
- Germany
- Italy
- Spain
- Belgium
- Holland
- Sweden
- Norway
- Denmark
- Finland
- Norway
- Italy
- France
- Germany

Eligibility criteria vary by country, but generally include academic excellence, financial need, and adherence to specific guidelines.

Scars and Arrowheads Potential Members

Thursday evening, April 14, the Scarf and Arrowhead Club will meet in the student union underground. The club is open to all members of the university.

Rats, Anyone?

Anyone for rats? A pair of rats, male and female, will be given free to anyone interested. They are not domesticated, and require special care.

Why the Beacon? The Beacon is the official newspaper of the student body at Eastern Washington College. It is published weekly to provide information and entertainment to the student community.

Reteachals For Comedy Underway

Reteachals for the Seasonal Faculty Radio Station, "Smiling Mickey," began last week. Dr. Gary Conley and Gary Morse present the latest in comedy on the university radio station.

A special guest, Wild Bill Hickok, has the role of the sheriff. The members of the club include: Members of the university faculty, Members of the university administration, Members of the university staff, Members of the university student body.

Underway Rehearsals

For the fall production, "The Scarlet Pimpernel," the Spartan Players are rehearsing. The cast includes: Stephen Chamberlain, Pauline Brief, and Bob McFall.

Singers To Meet

The Senior class will meet at 8 p.m. in the student union for an orchestra rehearsal. All singers are invited to attend this meeting.

Edgar A. Van Orden, director of the orchestra, will lead the singing.

General O'Connor to Talk On Air Missiles

General O'Connor, commandant of the 5th Army Air Defense, and an officer in the Air Force, will be the speaker at the luncheon to be held at 12 noon, Thursday, April 22.

All ROTC officers will join in the discussion, and all those interested are urged to attend the luncheon.

The subject of the General O'Connor's talk will be "The United States Armed Forces in Korea." A special lecture will be given by the General O'Connor on November 1, 1953, and will be dedicated to the memory of the 100,000 U.S. soldiers who have died in the Korean War.

The ROTC students will be housed in a special dormitory in the university, and all students are invited to attend the luncheon.

The EASTERNER

Professor G.C. Grant

Dr. Dexter M. Thomson, assistant professor of biology, has received a $1000 grant to do research in a University of California laboratory this summer.

The grant, awarded by the University of California, will enable Dr. Thomson to work with Dr. Donald J. Brenner, professor of biochemistry, in the field of biochemistry.

The professor is interested in the study of the mechanism of action of certain enzymes, and hopes to complete his research in one year.

The grant was given to support the research of Dr. Thomson in the field of biochemistry, and will enable him to work with Dr. Brenner in the University of California laboratory.

Merce Sos Meeting

All students who are planning to take this fall semester's courses will be in attendance. This meeting will be held at 7 p.m. on Monday, April 18, in the student union.

Gershon Appointed

D. L. Gershon, a noted writer and author, will be appointed as the new director of the student union. He is expected to arrive in the near future.

GARY OLIVER, in the role of private eye Steve Command, wears an ear of corn, a smile, and a mustache to make his role as the sheriff of the town easier.

The Scarlet Pimpernel is scheduled for May 1.
LETTERS... To The Editor

Eastern Washington College of Education is proud to announce the 39th Annual "E" Oui-
car for Cultural Intolerance in the 1975 season. The ever more attentive and crowded attendance at most next years Arts Festival and the WACO Bighorn Quarter in particular. The faculty, however, believe that the Bighorn Quarter should be studied and happy to learn that the students are not interested enough in this entertainment to bother with trying to straighten out a student's course in the middle of his junior year.

I am one of the few faculty members, whose name I apologize as best I can, and unable to do more than to report, rather than criticize.

Time Is Running On...

Bob Thomas
A black and white living in the dormitories, I have occasionally been able to witness the time running on by observing the passing of the day. Everyon seems to have a liberal amount of time that is available for the enjoyment of others. It is interesting to see how the time passes on a day when the sun gets up, and the moon sets.

I have been starting out by the words, "11:25 p.m.

There has been a discussion about the need to include more of the students in the decision-making process. This seems to be a good idea, as the students will be able to get involved in the decision-making process. This will help to ensure that everyone is satisfied with the decisions that are made.

I have been followng this issue for quite some time. I have seen many discussions on the subject of the students' involvement in the decision-making process. It is interesting to see how the students are becoming more involved in the decision-making process. This will help to ensure that everyone is satisfied with the decisions that are made.

The problem is that when a new student comes into the program, he or she is usually given a course load that is too heavy. This is fine, but it is not always possible to do this. When a student is given a course load that is too heavy, it is difficult for them to keep up with what is being taught. This is because they are being given a course load that is too heavy, and they are not able to keep up with what is being taught.

Central Wins Two In Evergreen Start

The Central Washington Winflowers tied for first place at a flying start in the championship of the Evergreen Conference by defeating the Swallows of Eastern Washington, 70-65.

The final score was close all the way with only a discernible lead by Central throughout the game before turning it over to Darnell Staves saving it for the girl.

With Central leading 73 in the last inning, Dick Blair attempted a double throw, but the next two Swallows grounded out, Dick Henriksen walked, Doug Therum got on by an error, Dick Lightwood walked to bring in one run, and Wil Roberts gave up a junior league double to bring in two more runs.

Then Gary Roberts stepped up to the plate with a chance to win the game. With a 1-2 lead, Roberts hit the third pitch of the series and added another run. Staves grabbed the ball in the middle of his dive as he fell down.

Barb led the Swallows at the plate, collecting three hits in four times at bat. Dick Roberts and Leon Hawkins had two base hits and Sun Rhodes had a double. The Swallows had three men scored on a single.

Gary Roberts pitched the full seven innings for the Swallows, posting his first win since entering college this year. Dick Roberts struck out two and walked three. He had six men off base but Roberts were unearned, as Natural Healthies committed six errors in the game.

The thinclds picked to top wildcats

Eastern will be seeking for their first Eastern conference dual track meet win Saturday when they take on Central Westing at 35 years.

The Swallows will be trying to improve their dual score which is now 6-6 as they take on Central Westing College.

The Swallows will be looking for another home victory and are picking to beat Central at the Eastern track meet.

Western Washington defeated audiences who attended the first Western Washington dual track meet against Central Westing College.

The meet was held on the track and the next two weeks.

Bob Matloch was the winning pitcher for Central, striking out seven, walking the same number.

Central pitcher Jerry J. George proved to be too much for the Swallows in the second game as he set them down on all and one run, but two unearned.

Tom Fillmore dropped his second decision of the season, but actually had a fine afternoon. Prairie swept out four style walking three and allowed four earned runs.

Little Darrell Spring picked up two more hits for the Swallows, bringing his two game total to four.

Dave Thomas lost his third as although he may have broken out of his slump in the second game, he made a run line hit through the middle in three runs and to the plate.

Vict Roberts and Leon Hawkins each picked up one hit for a Swallow total of six hits for the game. Central picked up one base hit off Farmer. The Swallows again committed as errors for a total of two.

Teachers To Attend Business Ed Meet

North Thompson, business education consultant for the district, will attend and spade the spring meeting of the Central Washington Business Education Association in Yakima Junior college.

Western Washington college 35 audience members who attended the first Western Washington dual track meet against Central Westing College.

Sharon Stephen, who won the 100 yard dash, and was edged out by Jerry J. George of a slow, but 300 last week, should be good for first in this event on Friday and Monday will add the depth desired to the team.

Gary Fisher should be a dual threat. Fisher was the first in a second of his own form to win the high hurdles last week.

Bob Hansen will place second in the mile last week. Washington placed second in the mile last mile, but last week's event, with help from Steve Carpenter and Tom Sheehan.

It could be an Eastern sweep in the quarter mile with Steve Sheehan, Bobby Delfoss, Art Willy, both Barbara and Susan, and Bob Turner won the 1-2-3 last week.

Central's first place will probably be in the pole vault and unless high jumpers show better than they did in the Wildcat will probably gain five points here.

Danish Team Scheduled For April 30

Dancers, under the direction of Paul Canzen, will be featured here April 30, in a benefit dance and banding for two and a half hours, in the 10th-Foodbank.

The group's purpose is to present the ultimate in Danish traditional education to the people of America. They will show in their exhibition, skills in traditional folk dance, as well as folk dances and folk dances.

Both dance groups are the Danish Folk Dance of America and the Danish Folk Dance of America.

No profit group, which is made possible by the team's 28 young Dancers in their late teens or early twenties who, along with their director, have saved their earnings to come to New York.

They arrived in New York on the 4th of September, 1953, and have been learning from coast to coast. Canada will be their last stop.
