Trio Top Talent
In Variety Show

A collection of Eastern talent will try to board film in front of the Silver Theater auditorium tonight for the Variety Show. The newly formed group of Ed Balser, Ron Jones and Owen will present original interpretations and arrangements of the popular Kingston trio.

Another campus vocal group, the Larry Leaf trio, the Easternmen, and the Amazelle Boatman quartet make up the bulk of the musical presentations.

Paul Aust will direct the program as master of ceremonies. Paul Barton will offer a characterization of Andy Griffith and also included in the program will be Rita Fox, Wanda Brycose, Gloria Schlenker, Bob Brusa, Pam Berry and Stan Rizzuti.

Rizzuti Lands Lead Role
In Political Drama

Stew Rizzuti, a sophomore speech major, was picked during auditions last Wednesday afternoon to play the leading role in "At the Ring's Men." Dr. Harold K. Stevens selected Rizzuti for this year's college play.

Rizzuti is not new to the drama as he was president last year of the Eastern Drama Association.

Other in the large cast are: Lucy, Carolyn Davis, Sugar, Joe Basta, Duffy, Michael Harris, Lee W. Schorzman, Lucy, Carolyn Davis, Sugar, Bob Bruya, Pam Berry and Stan Rizzuti.

Finnish Ballet Company
Slates Three Major Works

The National Ballet theater of Finland will present three major works at Eastern Washington College of Education November 12. On its first tour of the Unit

performed in the Soviet Union, it was received with enthusiasm by audiences acclamations of the best from their own Russian composer.

The repertoire for the appearances at EWCE includes "Circle of Roses," based on Finnish folk dances and music; "Odyseeus," drawn from Homer's epic and created especially for the American tour; and "The Butterflies Million," a quasi ballet that originated in the imperial opera of St. Petersburg.

Firms Plan Interviews
For Positions

Two different firms will be on the Eastern campus to interview students interested in positions with their firms, Mr. A. G. Gregg, branch manager for Burroughs Corporation, will be on campus November 5 at 9 a.m. to interview individuals interested in positions with his company. Mr. J. T. Gough, branch manager for Burroughs Corporation, will be on campus November 12 at 9 a.m. for the purpose of interviewing candidates for positions in that company.

Anyone interested in interviews with these representatives should contact the placement office and arrange for an interview.

Now It's Monday
For Kinnikinicks

Latest word is that the 1959 Kinnikinicks are due to arrive at Eastern some time this week. Pat McManus, advisor to the annual, says if all goes according to schedule, the yearbook will be distributed Monday, November 9, at the Kinnikinick office, upstairs in the student union building.

Gospel Singers Set
For Eastern Nov. 5

Clara Ward and the Ward Singers, famous gospel singing group, will present a performance at Eastern Thursday, November 5 in Showalter hall.

The Ward Singers will present a program of gospel singing, a blending of hymns, spirituals, jazz and the blues. Since the Ward Singers group, which includes Clara's mother, was

Front of the Showalter Auditorium for this year's college play. With the impending Eastern-Whitworth game, it was thought at first that all students from Whitworth whom have kidnapped Sacajawea.

Later, after the performance, the Easterner advisor has asked permission to interview the Eastern men's dorms as candidates for the role of Jack, the bulk of the musical presentation.

Sacajawea is gone. Sometimes during last Thursday night, Eastern's symbol disappeared from its place in Showalter hall. With the impending Eastern-Whitworth game, it was thought at first that all students from Whitworth whom have kidnapped Sacajawea.

Later, after the performance, the Easterner advisor has asked permission to interview the Eastern men's dorms as candidates for the role of Jack, the bulk of the musical presentation.

By Chief Gary

Opinion

Security Unit Would Be Boon

A proposal is now before the state department of public instruction to build a new maximum security unit somewhere in eastern Washington. The Cheney area is high on the list of possible locations.

The opening of such an institution in this area would be an economic asset to the community of Cheney. It would open up about 500 full-time jobs, thus bringing new people and new business to the community.

It would also be an asset to the college, as a large part of these jobs could be available to college students.

We believe that the students and faculty of Eastern should support the location of this new institution in the Cheney area both in their own, and the community's interest.

LITTLE MAN ON CAMPUS

EASTERN WASHINGTON COLLEGE OF EDUCATION

The Greatest Show On Earth

This will be the last of a series of five columns dealing with the steel strike. I have by no means covered the topic fully, I have, however, tried to cover the underlying issue which I believe to be, most important. That issue, plainly stated, is: In the modern technology of mass production and mass distribution, when each man's economic security is totally dependent on the adequate performance of economic duties by every other man, can we afford to tolerate either excess economic exploitation or destructive work stoppage by economic minorities at the expense of the total public?

It is my belief that we cannot, and, in fact, we will not.

The growing demand for legislation to curb the excesses of irresponsible labor leaders, and the growing willingness of congress to deny the labor lobbyists in passing labor legislation support this conclusion.

The right of business to operate free of unnecessary government interference is a traditional value in our culture. But changing circumstances have altered the definition of what constitutes "necessary" interference. Today we demand a great deal of government regulation of business in the interest of the public welfare.

The right of labor to organize, to strike, and to bargain collectively for better wages, hours, and working conditions is a more recent tradition. But it is just as legitimate.

T-P Talk

Hooper And Associates Make AMS Forum A Success

Hats off to AMS president Paul Hooper for his fine job in promoting last week's political forum. Commendation also goes to those whose work with Paul helped to make the forum a big success. In particular, I want to thank: Dr. Kenneth Hossom, Dr. Raymond Schults, Glor­ zia Zitterkopf, Bob Short, and Anne Johnston.

Eastern's new trio com­ posed of Gary Owyale, Ed Barnhart and Ron Jones has decided upon a name for their group... they call themselves "The Trav­ alers"... They will be featured next Tuesday in the variety show in Showalter auditorium.

For those of you who may be wondering where they will be featured to have an Homemomecic acting activities televised while Whitworth had a special Homecoming show on KREM-TV, the answer is: in Moscow. A small group, including myself, went to Moscow to the University of Idaho's Homecoming.

ASB President Says

Student Government Loans Union $24,510.63

If of late you have had cause to comment on the recent events in the college area, you may have seen this $12,000 is the news­ paper you might look at the cause. There are only a few people who put out this publica­ tion and they are not exclusively commut­ ers.

Because of this, some news regarding student government that should ap­ pear in other parts of the paper will appear here.

October 15, the nance committee loaned to the student union the sum of $24,510.63, to be consid­ ered as a long-range loan to be paid back at the rate of $1000 a year or 15% of the net profit of student union operations, whichever is greater.

This was necessary because the student union book store was in the red to the tune of approximately $1000, the food service was in the red $700 and student services, $4500 in the red.

Before anyone "pushes the panic button" I will explain.

For many years that the student government received from the bookstore was used for scholarships. This left the bookkeeper always with a net loss due to overhead charg­ es, so as you can see, this $12,000 is not just a recent debt that has been incurred.

Here again we try to apply government control of labor unions. But changing circumstances have made more government control unnecessary.

The role of government in the modern society must be that of an economic referee between the various contending power cen­ ters in the society. As a student, you should allow any one such power center to become stronger than itself. To avoid this it must act as a balancing force siding with first one faction and then another in order to keep the economic forces in the society in equilibrium. Such a concept of government is, I believe, the only hope of making democ­ racy work in a modern industrial society. In effect, it is the responsibility of the state to protect the people from their own economic excesses, while at the same time remaining as responsive to their desires as is consistent with the public good.

In the current crises in steel the govern­ ment has failed miserably in this function. It has not failed for lack of power. The power is there. It has not failed for lack of public support. The support is there. It has failed this unprecedented race of the American economy for the same reason that, thirty years ago, the United States nearly plunged 12,000,000 American families into the depths of despair and hunger. Because the President and his party lack the intelligence, the understanding, and the guts to act as a government, this is how it has failed because Mr. Eisenhower, like Mr. Hooy­ er, does not believe that the government has a responsibility to protect the nation from itself.

Here's one I picked up at the Political forum... Definition of a redhead... a person with red hair... definition of a red head... a person with red hair... what a Russian ophouse.

Well, the team put up a tremendous fight but against the overwhelming odds they faced the outcome was inevitable. Consequently they... who is the coach, Al Rubby, put your president and vice-pres­ ident, Tom Ennis and Richard Vickers, will be pushing their counterparts from Whitworth down Riverside avenue in a battle some time in November.

And you bird lovers be sure and pick up an: "The Birds..." book... we won't have an issue November 11.
BEAUTY AND THE BULL

By Lloyd Humphrey

"Early to bed and early to rise..."

In this famous old formula for success may have sufficed a few years ago, at least one EWCE co-ed has found it necessary to rewrite the saying in order to keep up with the fast-moving world we now live in.

Judy Lowe, a freshman at Eastern, has found her own formula for success: late to bed and early to rise.

Judy and her sister, Joy, who commute from St. John to Eastern every morning, have found that they have to get up at an early hour in order to arrive in time for their classes.

After hustling and bustling around to her various classes, this 17-year-old town girl, with brown eyes, brown-haired co-ed jumps into the family car in order to complete the 90-mile round trip that faces her each day.

And her reasons are a lot of bull.

Well, really, her reason is a lot of bull. Judy makes the long drive each school day in order to care for her Hereford steer. Her steers have been winners of the title Grand Champion three times and Reserve Champion several times. Judy was the proud owner of a steer from her uncle when it was just a spindly-legged calf. She lavished hours of loving care on the animal, and it soon blossomed into a fine specimen of bovine beauty.

After arriving home each night, Judy grooms and feeds her steer, eats dinner, and works at the other farm chores until it is time for her session with the books. After burning copious quantities of midnight oil during her study period, Judy hits the hay. She doesn't really sleep, for barn work, and driving the steer, she has her own room, but her folks have a hard time keeping her from it.

After an all too short night Judy and her sister arise at 4 a.m. and begin another hectic day of driving, classes, grooming, and study.

She has found that her early-rising schedule has paid off. She was president of the Cheney Newsstand.

STEEP IS PAMPERED

Music Division Sets Sunday Concert

A Handel Bicentennial concert will be presented by the division of music in Showalter auditorium Sunday afternoon, November 13, at 3 p.m. Included in the program: "Concerto Gross No. 21" for orchestra, "Concerto in F, No. 13" for organ, "Sonata No. 4" for violin and piano, "Concerto in F No. 5" for organ, "Foundling Hospital Anthem" and "Thalbergia Chorale" by the Collegiate Chorale and Synphonietta.

Directors and soloists include Robert Kee, organist; Gwendoline Harper, pianist; Rupert Thackeray, pianist; James Rickay, violaist and conductor of Synphonietta, and Dr. Wallace B. Pefley, conductor of Chorale.

In The Past

Steven's Play 1934

Homecoming Hit

The 1934 Homecoming comedy, "There's Always Juliet," proved to be a tremendous success. Cherry's drama head, Dr. Stevens, then minus a director, played an American architect with what was termed "spontaneous and natural wit.

The subject of silk stockings was a hot one on the campus in 1934. EWCE women had switched to the wearing of cotton stockings to "make Americans aware of the good it may do by preventing the sale of Japanese goods in the U. S."

Swing music, opera and the classics were found to be toys on the radios of the 1944 Eastern College men. Tommy Dorsey headed the list of favorites.

Dean Hagie Thanks Orientation Guides

A vote of commendation was given Eastern's Orientation week guides by the college's administrative council in a meeting last week. Dr. Daryl Hagie, dean of students, announced.

Dr. Hagie said the council, made up of division and administrative heads, voted the commendation unanimously because of the outstanding job the guides did in orienting freshmen to Eastern during their first week here.

Omar Khayyám writes a new jingle

A jug of Wine, A loaf of bread and Winston's Filter-Blend!

Old Omar has come up with another corker of a couplet. Freely translated from the Persian:

It's what's up front that counts
If it hasn't got it there it hasn't got it

True, the lines don't scan. But what do you expect from a test-maker—the perfect rhyme of "Winston tastes good like a cigarette should"?

We'll admit that something may have been lost in the translation. But when it comes to Winston, nothing is lost in the translation of rich, good tobacco taste. That's because up front of a pure white filter Winston has Filter-Blend—a special selection of mild flavorful tobaccos specially processed for filter smoking. Winston is designed to taste good. Or, as Omar puts it:

"Winston lights and having lit, Flicks off. Then you draw on it, And hit by bit smoking pleasure mounts; With Filter-Blend up front, Winston's got what counts!

Clubs, Halls, Classes...

The Bachelor's club has chosen Germany as the theme for its annual fall Bachelorette ball to be held Saturday, November 13. The pad for this affair will be held in the Sutton hall lounge and the financial set-group, the Stompniks (Stompers) will provide the sounds for the evening. Tickets can be purchased from any club member starting next Monday.

BEATNiCS ON CAMPUS

Start digging up those shades and those grimy sweatshirts you normally save for Sunday dinner. The reason? "The Beatnic Bop," sponsored by Hudson hall.

ECONOMICS CHANGES MADE

Beginning his career with the army in 1938, M/Sgt. Hudson will retire with the rank of Chief Warrant Officer. Among his many decorations are four knots, the French Croix de Guerre de Combattant, eight major battle stars, and the good conduct ribbon. Hudson has retired with his wife, Elizabeth, and son, Clare, in the Tacoma area.

ECONOMICS 341, world economic problems, and economics 480, economic theory, are being offered in the winter. Econ. 341 will meet at 8 a.m. five days a week and Econ. 480 will meet Saturday morning from 9 to 12.

ECONOMICS 335, money and banking, will not be offered until spring quarter.

RADIO M/SERGEANT SETS RETIREMENT

Master Sergeant Donald K. Hudson, sergeant major of Eastern's ROTC detachment, was retired from the army October 31 after more than 21 years of active service. M/Sgt. Hudson will retire with the rank of Chief Warrant Officer. Beginning his career with the army in 1938, M/Sgt. Hudson was with the artillery at Fort Lewis, Wash. During World War II, he served in the European theater and with U.S. forces in Korea during the Korean war.

Among his many decorations are eight major battle stars, the French Croix de Guerre de Combattant, the bronze star, the combat infantryman badge and the good conduct ribbon with four knots. Hudson has retired with his wife, Elizabeth, and son, Clarence, in the Tacoma area.

Shaffer Heads Hudson

Ernest Shaffer was elected president of Hudson hall for the 1959-60 school year. Other officers are secretary, Carl Ray; treasurer, John Van De Wege; co-social chairmen, Marvin Moracheck and Jack Hicken; athletic co-ordinator, LeRoy Paling and publicity, Ron Gies.

NEILSEN HEADS JUNIORS

Eastern juniors elected Robert S. Neilson as president last week. John Van De Wege was elected vice-president; Mary Lebermann, secretary-treasurer, and Linda Wagner, social chairman. Neilson was named class representative to the associated student body council.

ELEPHANT-SALE SET

Need a white elephant? The Dames club announces that a white elephant auction sale will be held in the Sutton hall lounge at 8 p.m., Thursday, November 6. "Everyone please bring a white elephant," said LeAnn Logan, publicity chairman.

The Scribes of the Fifth Eastern college announce that the first meeting of the year today in Mcgym at 3 p.m., Thursday, November 5. The group will discuss this year's talent show, KEWC production, and the selection of a Miss Scribe, to act as official hostess for all scribe sponsored events this year.

Gridders To Meet SOC

Eastern's grid squad, riddled with injuries, takes to the road this week for its final guest performance of the season with Southern Oregon college at Ashland.
The Savages came out on the long end of a 34-0 score when they hosted the Ashland eleven last year, playing in a foot of snow.
SOC finished third in its Oregon Collegiate conference last year with a 3-3 record, and marked a 4-4 for the season.
In two of SOC's early contests they were defeated, once by the University of Hawaii 25-13, and by Linfield 34-12.
Later they registered wins over Oregon college, 20-7, and Portland State, 12-7.
According to head coach Ed Chimus the Savages sustained only a few minor scrapes and bruises in the 38-14 loss to the Whithrow Pirates, and everyone that was ready last Saturday is expected to be in uniform.
"We played them about even," said Chimus, referring to the Whithrow game, "until the second half. Then we got tired and we didn't have the reserve strength to keep going.
"We don't have much information on Southern Oregon so we will have to form our defense patterns when we get there. The challenge will be good experience for us," Chimus continued.
Out of the lineup for EWC are starters Stan Rhodes, offensive halfback, who underwent knee surgery last week; and defensive halfback Bill La-Vigne, who suffered a broken leg during the Homecoming game.
Joe Evans, who was benched during the Whithrow game, is expected to be ready for action, along with Bob Narce, one of Chimus' best defensive backs.
"Now that the conference is over we will have to start looking to next season, so we will probably use most of our new-comers for the experience," said Chimus.
"With the conference ruling not in effect for the last two games we will be able to take a few more. The more we can get into the game the better off we will be next season," he concluded.

Sutton Wins IM Football

The intramural football season came to a close last week as Sutton "A" took all the honors in winning four games without a defeat.
In last week's games, Sutton "A" defeated Sutton "B" 28-14, in a game that was later disqualified due to Sutton "A"'s use of an ineligible player. All of Sutton "B"'s games were wiped from the slate because of the disqualification.
In other games, Hudson "A" defeated Hudson "B" 28-12 in a mild upset; Sutton "A" defeated Gary "A" 28-17, and Hudson "B" defeated Menomie "A" 28-12.

Navy Team Here

A naval officer information team will be on campus today to advise students of the various opportunities in obtaining a commission as a naval officer. The team will be located in the student union building from 9:30 a.m. to 3 p.m.

Do You Think for Yourself?

(BLAST OFF ON THESE QUESTIONS AND SEE IF YOU GO INTO ORBIT)

Do you believe that when a man insists on doing work that he can do best, regardless of where he finds himself, he's (A) a valuable member of the community? (B) an independent spirit? (C) apt to be pretty silly?

If you see a fully clothed man about to jump into a river, would you (A) assume the fellow was acting foolishly and look for a rescuer? (B) dismiss the whole thing as a piece of personal exhibitionism? (C) rush to stop him?

Do you believe that "a stitch in time saves nine" (A) an argument for day-light saving? (B) a timely attack against planned obsolescence? (C) a way of saying that when you are forewarned you get along better?

In choosing a filter cigarette, would you pick one that (A) says it has a new filter? (B) merely says it tastes good? (C) does the best filtering job for the finest taste?

When you think for yourself... you depend on judgment, not chance, in your choice of cigarettes. That's why men and women who think for themselves usually smoke Viceroy. They know only Viceroy has a thinking man's filter—the most advanced filter design of them all. And only Viceroy has a smoking man's taste.

The Man Who Thinks for Himself Knows—
ONLY VICEROY HAS A THINKING MAN'S FILTER... A SMOKING MAN'S TASTE!
By Walt Hartman

Eastern's football team dominated its first half of the game against Whitworth but were swamped under the Pirates' passing game in the second half. The final was 36-14 last Saturday at Country Homes.

Whitworth scored first in the first quarter on a 62-yard drive climaxed by Denny Spurlock's one-yard plunge.

Eastern came right back in the UBC Game Delay Told

A one-week postponement of Eastern Washington College's football games with the University of British Columbia has been authorized by the EWCS athletic council, Oliland G. Killian, chairman, announced.

UBC asked for postponement of all games from Nov. 14 to Nov. 21 to enable them to play for the Canadian championship. The game was scheduled for Woodward Field in Cheney on Nov. 15.

The British Columbia college dropped out of the Eastern conference this year to join a Canadian league, but still scheduled games with some Evergreen teams.

Hoop Schedule Set

For 1959-60 Squad

Eastern's basketball squad, now in its fourth week of practice, has to look forward to one of the toughest 26-game schedules ever developed for a Savage team.

Before the conference action begins next week, the savages have four games to face the top teams in the Northwest. Gonzaga, Seattle, Whitworth and Montana State.

The Evergreen conference inaugurates its new schedule system this season, advancing the conference field from 12 to 14 games.

Eastern will play both Central Washington and Whitworth four times during the season, along with the normal home and home series with the western division schools. Western, Pacific Lutheran and College of Puget Sound will also operate on the same league schedule.

Savage 11 Swamped By Spurlock's Slinging

LeRoy Whitworth back, was the leading ground gainer of the afternoon, picking up 73 yards in 10 carries.

Dave Davis, fresh from Otis, Oregon, was the standout of the afternoon for the Savages, as he was their leading ground gainer and played a standout game on defense.

Purlock was the Savage downhill as they were able to contain the White ground game much of the day, but were swamped under the passing.

Next week see the Savages travel to Ashland to play Southern Oregon, and the following week they have a bye.

**SPORTS**

The Easterner

**MARK ONE FOR EASTERN**—Savage and Duane Wakefield, (83), takes to the air for an Eastern completion during the Whitworth game last week. Pirates defenders are Warren Lashua (35) and Daryl Russell (21). The Pirates won their first BW-Whitworth game in four years by a score of 36-14.
DUAL FILTER DOES IT!

It filters as no single filter can for mild, full flavor!

HERE'S HOW THE DUAL FILTER DOES IT:

Mass Hysteria Tipifies Vienna Youth Festival

Mr.足.足.足.足.足.足.足.足.足.足.足.足.足.

By Dave Sherman

The mass hysteria, military pageant and emotion created at the opening of the Vllth World Youth Festival were similar to those inspired in Germany during the late 1930s.

Austria were very effective in setting the stage for the event. Students from Iran refused to be seated at a massive barbed-wire entanglement. About 300 yards behind the wire were tall, wooden towers about one half-mile apart. On the towers occupied by two guards, were machine guns and searchlights.

The area between the towers and barbed wire entanglements was heavily mined. The Iranians with me could not understand why they had not seen the "curtain" before.

It was explained further that such an area on each side of the checkpoints had been removed just before the festival began. They wondered about the freedom slogans being used so much by the communists.

I also could not help but wonder, "Is this a step toward achieving freedom and friendship?"

Here's how the dual filter does it:

1. It combines a unique inner filter of activated charcoal, definitely proved to make the smoke of a cigarette mild and smooth.

2. With an efficient pure white outer filter. Together they bring you the real thing in mildness and fine tobacco taste!
