GRIEG GREETES GUESTS—Ronald Jones as Edvard Grieg shakes hands with his father, portrayed by Fred Boutz, in a scene from the operetta "Song of Norway" which will be presented again tonight in Showalter auditorium. Looking on from left to right are Gloria Schlenker in the role of Edvard's bride and Bonnie Palmer as Grieg's mother.

Second 'Song Of Norway' Performance Set Tonight

The second of two performances of "Song of Norway" will be presented in Showalter auditorium this evening at 8:15 p. m.

The two-act, five scene operetta, a Broadway hit for more than two years, is the story of the life of Norway's greatest composer, Edvard Grieg.

Music for the operetta was adapted from more than 250 of Grieg's compositions, and include such well-known selections as "Concerto in A Minor"

and the "Peer Gynt" suite.

The EWCE orchestra, with James Rickey as conductor, accompanies the performance. Dr. Wallace B. Pefley, Eastern choral director, is general director of the entire production.

Leads in the operetta are taken by Ron Jones, baritone, as Grieg; Gloria Schlenker, soprano, as Nina Hagerup and later Mrs. Grieg, and soprano Rhoda Paulson as Louisa Giovanni.

CHECKING THE SCORE—Soloists Janice A. Morris and K. David Coe review the score of "Concerto in A Minor" which concludes the performance of "the Song of Norway." Coe was scheduled to close the show last night, and tonight Miss Morris is slated to end the operetta.

LA Sets Up \$350 Foreign Scholarship

Women of Louise Anderson hall are planning to set up a \$350 scholarship to be given to a foreign student next fall. This would consist of funds acquired from the remainder of the dorm's social fund at the end of this year and from supplementary contributions from dorm residents.

The girl to receive this scholarship has not yet been named, but it is quite certain that it will go this year to a student from Greece, a girl with outstanding scholastic ability and personality.

The recipient of the \$350 will arrive at the end of the summer in time for orientation activities and will live on campus in LA hall, said Priscilla Bigge, dorm secretary and co-chairman, with Janet Morrow, of the scholarship committee.

With the selection of a particular student from Greece, the EWCE students will be able to learn more about the customs and ideas of that country, which at present does not seem to be represented on campus. Whether or not this scholarship is to be extended over the years is not, as yet, known.

The name of the scholarship will be announced soon, Miss Bigge said.

32 To Receive Degrees At Winter Quarter End

Thirty-two Eastern students will be awarded degrees at the end of the winter quarter, March 18, Registrar C. W. Quinley Jr., said today.

Twenty students are candidates for the bachelor of arts in education degree and 12 are candidates for the bachelor of arts degree, Quinley said.

Candidates for the bachelor of arts in education degree from Spokane are:

Lorraine C. Allgaier, Kathryn P. Banister, Peter A. Davis, Robert L. Gilmore, Maxwell A. Jacobs, Edward F. Jenkins, Darrell G. Noah, Jacquelyn M. Penning, Larry R. Philmon, William B. Pickerel, Michael D. Ryan, Willis E. Sander, Beverly J. Smith, and John C. Stazel.

Other candidates for the bachelor of arts in education degree include:

Sue S. Adkins, Coulee City; Charmie L. Anderson, Zillah; Shirley C. Bowden, Kennewick; and William E. LaVigne and Ruth A. West, both of Cheney.

Bachelor of arts degree candidates from Spokane are Loretta A. Davis, Charles A. Feske, Gary L. Gillespie, Claude E. Lakewold, Clarence H. Moncrief, James W. Orr, George E. Panagos, James A. Stobie, and William R. Volpentest.

Other candidates for the bachelor of arts degree are Daniel T. Maggs, Cheney; Vivian M. Reiger, Grandview; and Sally Lu, Taipei, Formosa.

The graduates will be awarded their degrees in an informal reception at the college, Quinley said.

Dead Week Begins

"Dead week" begins tomorrow and means just what the name implies. All campus activity is brought to a standstill and the campus is, literally speaking, dead.

Purpose of "dead week" is, of course, to prepare for finals. Extra time is made available by the complete absence of planned social activity.

Students are expected to use this time to their best advantage, preferably by studying for finals which begin one week from today.

'Name Band' Lack Blamed On Oversight

"Eastern is having much difficulty in securing name bands and professional performers this year," reported ASB activities coordinator Maggie Jefferies at last Thursday's student council meeting, "because of a re-routing of talent to the Northwest."

Because of apparent oversights on the part of such individuals as the Evergreen Conference Students' association booking agent, Miss Jefferies told the council, the colleges in this area are not listed in the scheduled tours of favorite performers.

Steps are being taken to overcome this disadvantage, steps which involve direct contact with many west coast agents, but any "big" performers available now are few and far between.

The student council voted to secure, if possible, one of two bands which will be in Washington in April or May. The Jerry Gray band, formerly that of Glenn Miller, and the Les Brown band are, at the present, the only ones to be considered.

It is hoped that this unfortunate situation will be cleared up soon, Miss Jefferies commented, and problems with un-

reliable agents (which brought about this year's omission of the Kirby Stone Four from EWCE's agenda) as well as financial and regional government problems will soon be solved.

Other student council action took place in the form of a recommendation to the student union board in favor of moving the athletic trophies out of their inconspicuous place in Showalter to the SUB.

Student council members are now inquiring as to the possibility of having the curriculum library open on weekends and streetlights placed at the Hargreaves corner.

IN MEMORIUM—Dr. Richard Miller, head of the language and literature division, holds the Dressler Memorial Award plaque, which was hung in the Socio-Humanities Center in Hargreaves library last week. The late Dr. Graham Dressler, who died suddenly March 3, 1958, was then head of Eastern's language and literature division. The plaque was made in the college's industrial arts department by Dr. Loyd W. Vandenberg, department head, and a student, William Hanlon. The Dressler Memorial Award of \$150 goes annually to a language and literature student selected by the faculty of that division. Fred Broyles was the 1958 selection; Duane Mylerberg in 1959. Funds for the award were provided by friends of Dr. Dressler. The ASB has also established a \$150 Dressler Leadership scholarship.

Money For 'Cold War' Vets Asked

"Cold War Veterans Bill"—That's what senate bill 1138 introduced by Senators Ralph Yarborough of Texas is called, and it is designed to give peace-time veterans similar educational benefits to those enjoyed by veterans of World war II and the Korean war.

The bill, actually titled the "Veteran's Readjustment Act of 1959," was passed by the senate last July and is now in the house committee on veterans affairs.

It would provide educational benefits to persons on active duty from January 31, 1955 through July 1, 1963. The former date was the cut-off date for the Korean GI bill.

In a letter to Tom Ennis, Eastern ASB president, from Curtis Gans, national affairs vice president of the National Student association, Gans urged student bodies and students interested in the passage of this bill to contact their congressmen and the members of the house committee on veterans affairs in support of the bill.

Gans said that the National Student association is in favor of the passage of this bill because of the great benefit to the American educational community that would result from passage.

Gans urged any students interested in passage of this bill to write the members of the committee as soon as possible, as action on the bill is expected within two weeks.

The Big Question

What is your opinion of Lloyd Andrews as a candidate for governor?

Dr. Raymond Shults—Mr. Andrews' decision to run came as something less than a shock, and I do feel that his nomination would be a great asset . . . to the Democratic party.

Mike Green—Mr. Andrews' use of his "non-partisan" office as a political springboard for the governorship has been a discredit to the Republican party, to the department of education and to the people of the state of Washington.

Dr. A. A. Dayton—The Spokane Daily Chronicle on March 2 quoted Mr. Andrews as favoring the sales tax because it touched all the people. He likewise opposed a state income tax and a state B and O tax. I am particularly in disagreement with Mr. Andrews on these basic issues.

Maxwell Jacobs—(Ed. note: Jacobs was the only one of 23 education majors who would comment on Mr. Andrews.) I do not feel that Mr. Andrews would be any better as governor than he has been as superintendent of public instruction. However, he can do no worse than the present administration.

Some Odd Facts

These questions appeared in The Easterner in 1940:

DO YOU KNOW THAT—

The Pillars were built by the alumni and students with stones from the foundation of the old administration building? Officially they are the Herculean Pillars; but most know them as the Pillars of Hercules.

The pipe organ in the auditorium was paid for by dimes contributed by students?

The Kinnikinick was first published in 1923?

The buckskin garment for the ceremony of "Passing the Arrow" was made by a Cheyenne Indian of Oklahoma?

MSC Updates Ag

When Montana State college opened its fall quarter term, it was among the first few of the nation's 68 land-grant schools to offer a completely redesigned training program in agriculture that is tailored to meet the needs of modern agriculture and agri-business. The agricultural division of MSC now enrolls about 13 percent of the 3,700 MSC students. Agricultural graduates number about 70 per year.

Founders day at the University of North Dakota was observed with a banquet February 15 and a convocation February 16. The ceremonies ushered in the university's 77th year. Honored at the banquet were two faculty members who will retire after the current academic year and two faculty mentors who have served the university for 25 years.

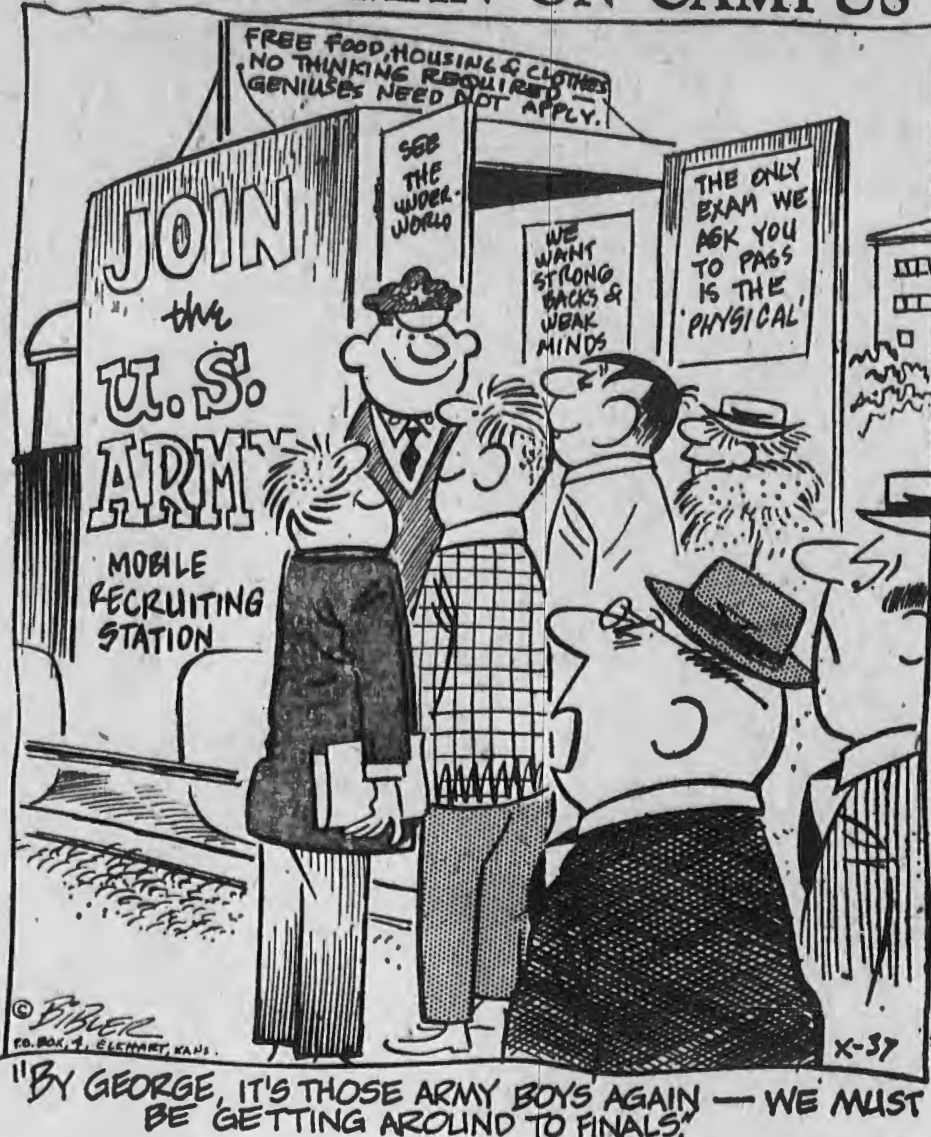

Two City College of New York students along with four other youths, have been subpoenaed by the house committee on un-American activities. The committee has been conducting an investigation on the participation of Americans in youth festivals, and also of those people who have solicited delegates for the various festivals. City College president, who in the past has denounced the festivals as communist dominated, has noted that any "stand the college takes will commend itself." Asked about any bad effect the hearings will have on the college, the president noted that "the future will see if there is any bad effect."

All Day Dancing Plan To Better Relations

The union's activity and recreation committee decided that, beginning spring quarter, dancing will be permitted all day on school days in the Bali lounge, Maggie Jefferis, activity coordinator, said.

It is hoped that this decision will help to bring the commuters and on-campus students closer together.

Chief Hands Out Awards

This time of the year it seems like everyone is getting some kind of an award. We of The Easterner also have some awards to make.

The Prejudiced Sports Coverage Award goes to the Spokesman-Review for consistent anti-Eastern coverage. In particular to Danny May, sports writer.

Jim Johnston's Anti-Television League Award goes to Gary R. Herman for making an outstanding effort to rid America of TV. His half hour comedy show presented over KREM-TV earlier this year did more to bring radio back than any other program in the history of television.

The Seymour Blur Award for consistent poor quality photography goes to The Easterner's photographers.

Stan Shenefelt gets the "There's No Justice" Award. Stan, as you may remember, commutes in a 1939 Chevrolet that sticks in second gear. Several weeks ago he succeeded in getting it into high gear and took off with a terrific burst of speed . . . right through an amber light turning red and a police car directly behind him. Not only was he charged with running a red light but also with not having a 1960 license tag on his car.

The Dave Gurr Award for the most letters written to the Editor was once again won by Dave Gurr. This gives him three legs on the trophy donated by the Old Union Stockyards.

ASB President Says

By Tom Ennis

Council Representation Change Opposed

After talking to Mr. Gurr last week concerning representation on council, I feel that some of the suggested plans for apportioning representation might be of interest to the general student body.

One plan calls for representation to be based on one council member for each campus group. This would make the council membership close to a minimum of 80 members and this, to my way of thinking, is ridiculous.

Another plan, and I believe this is the plan Mr. Gurr is in favor of after talking with him, would be to apportion representation on the basis of one representative for each 300 students, such representation to be apportioned among the living groups according to their strength. Also if any living group has less than 300 students that group would also have a representative.

While not discounting the value of Dave's plan, I would submit a more realistic proposal: If the class representatives, with the exception of the freshman class representative, were eliminated from council membership, and if the AMS and AWS members on council were eliminated, there would be five open places on council.

If these representatives were elected in a general election, then those groups most interested in having a voice on council could campaign and try to elect persons to speak for them.

This would certainly eliminate disinterested groups from having too many persons on council. Competition and controversy seems to be the lifeblood of student government and this certainly would bring that about.

By my statement that three classes and two other groups represented on council would be eliminated is meant that the class representative, AMS and AWS are all duplications of representation, and a substitution of five members-at-large strikes me as a much more equitable way of allowing all opinions to be heard.

This is in no way meant to detract from the individual worth of the present council members occupying these positions, but the value of them as representatives of their constituency is questioned.

Certainly this is not the best possible suggestion; however, if persons with any other suggestions would see me, or more specifically, Jerry Littlemore, chairman of the council constitution committee, and propose their suggestions, then I am sure that careful consideration would be given to any such proposals.

Park Offers Jobs To College Students

Many summer jobs are open to college students in Yellowstone National park, Dr. Daryl Hagie, dean of students, said. The jobs range from truck driver to manager of some of the hotels and motels located in the park.

To be qualified for a job in the park, a person must be willing to work 48 hours a week, be free to work on some Sundays and church holidays, be 18 years or older, and willing to work steady, Dr. Hagie said.

The foreman of each job is salaried but all other employees are paid by the hour, with time and a half paid after 48 hours each week.

More information on this summer park employment may be obtained from the dean's office.

Women Pick Samels As AWS Prexy

Florence "Sam" Samels, an EWCE junior from Senior hall, has been elected president of Eastern's Associated Women Students. Miss Samels, a graduate of Lewis and Clark high school in Spokane, will take office in the fall of 1960.

Susan Keller, a LA hall resident from Kellogg, has been elected vice president; Delores McNess, from Newport, secretary; Senior hall's Shirley Hardt, a junior from Coulee City, treasurer and another Senior hall candidate, Genelle Gardner, program chairman.

Priscilla Bigge is the newly elected AWS scholarship chairman, Marilyn Tuten the ASB

representative, and Mary Brad-dock, Inter-collegiate AWS co-ordinator. Revotes must be taken to select a social and an activities chairman.

In a voting contest between Louise Anderson and Senior halls, LA voting totaled 98.61 per cent, against Senior's 98.15, giving the LA women the win by a narrow .26 percentage points.

Swim Title Goes To UPS

University of Puget Sound swimmers set five conference records in amassing 118 points to win the conference swimming championships in Tacoma last Saturday.

Western Washington was runner up with 105 points while Eastern finished in third spot with 80 points.

Eastern had only two first places, the team of Grayson Hand, Dick Burger, Clair McKie and Chisato Kawabori took the 400-meter free relay and the same team took second in the 400-meter medley relay.

Hand took Eastern's other first in the 50-meter free style. Hand also took second in the 100-meter free style.

Kawabori took a fourth in the 200-meter individual medley and a fourth in the 100-meter butterfly.

Bob Short took third in the 100-meter butterfly and fourth in the 200-meter butterfly.

Ted Shultz took sixth in the 50-meter free style.

Burger took second in the 200-meter free style and second in the 400-meter free style.

McKie took second in the one-meter diving event with Lanny Williams taking two fifths, one in the 200-meter free style and one in the 100-meter free style.

The 100-meter back stroke saw only two Eastern boys placing. They were John Anderson, fourth, and Jim Mohatt, fifth.

right to feel that way if one would look at the records.

Athletic Director Red Reese, in going over last year's records, said that six of the winning coaches participating in the class "B" state high school tournament graduated from Eastern, five were from Eastern in the class "A" tournament, and two in the class "A-A" tournament. This makes a total of 13 out of 48 teams participating or about 27 per cent. Considering there are 12 major four-year colleges in the state, this is a record that can well be boasted about.

However, Eastern is not standing on its record, because so far this year four coaches in the "B" division, four in the "A" division, and two in the "AA" division have already earned themselves a spot in the big tournaments with some spots undecided yet.

Baseball Gets Going

With baseball practice officially started last Monday, Coach Ed Chissus had an optimistic look toward the coming season.

"If we can get good pitching this year, we may be in the thick of the fight for the title," commented Chissus.

The pitching staff is given added strength this year with the appearance of Fred Neuman, high school star from Hunters.

Chissus said the infield looks stronger than any he has coached for several years with veterans holding down every position, but no position is secured as yet.

Track Team Workouts Underway

Track coach Red Reese has his track team working out on their own to get an early start for the upcoming season and their first meet at WSU.

Reese is anticipating one of his strongest teams for quite some time this year with a flock of veterans returning, plus several promising frosh.

The veterans returning include Art Wildy, in the middle distances; Fred Ekholm, shot put; Glen Gunderson, javelin; Leroy Seth, high jump and javelin; Sherm Stapleton, sprints; Clyde Carpenter distances; Roland DeBoer, 440; Paul Fredericks, distances; Tom Shelton, 880 and the relay; Gary Fuller, hurdles, and Mike Clark, javelin and hurdles. Stapleton, Carpenter, De Boer, and Fuller are defending conference champions.

Newcomers include Dave Krakenberg, sprints and hurdles; Jim Strom, broad jump; Derril Rhoades, pole vault; Don Cresswell, high jump; Bob Bender, sprints and broad jump; Al Rhodes, hurdles; Dave Davis, shot put and discus, and Chuck Charlton, sprints. All of these are freshmen, with the exception of Cresswell, who transferred from WSU.

A question mark of the squad is Stan Rhodes, a pole vaulter, who injured his knee in football, but Reese said he could possibly be back by the middle of April.

Reese said this year's squad should be much stronger in the weights, a field that has hurt the Savages in the past.

Daily workouts are scheduled for 3 p. m., and Reese asks anyone who is interested to contact him in the near future.

Intramural Swim Records Fall; Hudson Hall Wins

The intramural swimming meet was won by Hudson hall last Friday by scoring 35½ points. A tough Monroe hall team was runner up with 33 points, Sutton was third with 31½ points. The Off-Campus and Commuters were fourth with 10, followed by Garry hall with 5 points.

As the meet progressed, record after record fell. There was a total of nine records set out of 11 events.

The Off-Campus and Commuters' only entrant, Hal Caufield, set two records. Caufield bettered the mark of 13.3 seconds by 1.7 seconds setting a new record of 11.6 seconds in the 25-yard free style. He also set a new record of 27.8 in the 50-yard free style. The old mark was 29.4 seconds.

Dennis Berdine bettered the record in the 25-yard back stroke by .8 of a second. The new record is 16.1.

Bob Caruso shaved .7 of a second off the old mark in the 25-yard butterfly, setting a new record of 16.3 seconds.

George Metzgar really got moving in the 50-yard back stroke when he knocked a full 8.5 seconds off the old mark. The new record is 39 seconds flat.

Fred Halbritter bettered his own record of last year in the 50-yard breast stroke by setting a new record of 38 seconds flat.

Dyane Sterling set a new record in the 50-yard butterfly by knocking 7 seconds off the old record, 42 flat. The new record is 35 seconds flat. This was perhaps the most exciting race of the day as Caruso finished second, only a hand's length behind Sterling.

The Hudson hall team of Caruso, Metzgar, Leroy Faling and Mike Monson shattered

Monroe hall's old record of 1.13 flat in the 100-yard medley relay by setting a new record of 1:05. That is a difference of eight full seconds.

Sutton hall got its lone first place by winning the 100-yard free style relay in 54.4. This is also a new record. The old record was 58.1 seconds.

Hudson hall now leads the intramural race by a full 65 points, their closest rival, Sutton, has a total of 118½ points. Hudson has 1250 points.

Complete results:
25-yard free style: 1. Caufield (Commuter) 2. Olson (Sutton) 3. Monson (Hudson).

25-yard back stroke: 1. Berdine (Garry) 2. Metzgar (Hudson) 3. Cassidy (Monroe) and Fisher (Hudson) tie.

25-yard breaststroke: 1. Halbritter (Monroe) 2. Tie, Faling (Hudson), Shirley (Monroe), Seth (Sutton).

25-yard butterfly: 1. Caruso (Hudson) 2. Trainer (Sutton) 3. Van DeWege (Hudson).

50-yard free style: 1. Caufield (Commuter) 2. Sterling (Monroe) 3. Olson (Sutton).

50-yard backstroke: 1. Metzgar (Hudson) 2. Cassidy (Monroe) 3. Weber (Monroe).

50-yard butterfly: 1. Sterling (Monroe) 2. Caruso (Hudson) 3. Trainer (Sutton).

50-yard breast stroke: 1. Halbritter (Monroe) 2. Faling (Hudson) 3. Bumgardner (Sutton).

100-yard medley relay: 1. Caruso, Faling, Metzgar and Monson (Hudson).

100-yard free relay: 1. Aleon, Weiler, Bumgardner and Lerch (Sutton).

Eastern IKs Win Regional Trophy

The Region 2 convention of the Intercollegiate Knights was held at Eastern Oregon college, La Grand, last Friday and Saturday, Dennis Koch, spokesman for the group, said.

The best chapter award and a regional queen was selected. Marsha McFierson from the Mountaineers chapter of Eastern Oregon was selected queen and the Tomahawk chapter from Eastern received the trophy for the most outstanding contribution to the regional organization.

Students attending from Eastern were Rita Foy, IK sweetheart and regional queen candidate; Roy Clayton, Jim Joireman, Ray Raschko, Horst Grosshans, Art Wildy, John Vick, Clifford Janson, Ed Harvill, Bruce Peters and John G. Curry, adviser.

7 Students Picked To Attend Model UN

Seven students have been tentatively picked to represent Eastern at the Model UN scheduled for April 6 through 9, in Berkeley, Calif.

Three more students will be selected during the first week of spring quarter. The final delegation will be named by Dr. Harold K. Hossom, associate professor of political science; Thomas Bonsor, assistant professor of history and economics, and Miss Mary Robinson, dean of women.

This year, Eastern's delegation will represent Mexico.

Those selected so far are Terry Evans, Karol Smith, Ron Wolfe, Dave Chung, Davey Simons, Larry Leaf and Eileen DeLoney.

The 1 out of 20 that didn't get smoked

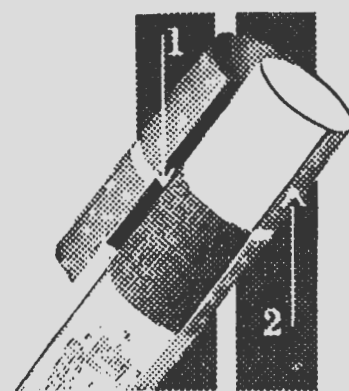

There's a lot of satisfaction in pointing out something good to a friend. That's why it often happens that one cigarette out of a pack of Dual Filter Tareytons never does get smoked.

People break it open to demonstrate its unique Dual Filter containing Activated Charcoal. They may not know why it works so well, but they do know this: It delivers far more than high filtration . . . it brings out the best taste of the best tobaccos—*as no single filter can!*

Try a pack of Tareytons. We believe the extra pleasure they bring will soon have you passing the good word to your friends.

HERE'S HOW THE DUAL FILTER DOES IT:

1. It combines a unique inner filter of ACTIVATED CHARCOAL . . . definitely proved to make the smoke of a cigarette mild and smooth . . .
2. with an efficient pure white outer filter. Together they bring you the real thing in mildness and fine tobacco taste!

Dr. H.A. Bone Will Name '60 Winner

"Picking the Winner in '60" will be the topic of Dr. Hugh A. Bone, national authority on political parties and politics and author of widely used texts, when he speaks at a noon convocation Friday in the Bali lounge of the student union building.

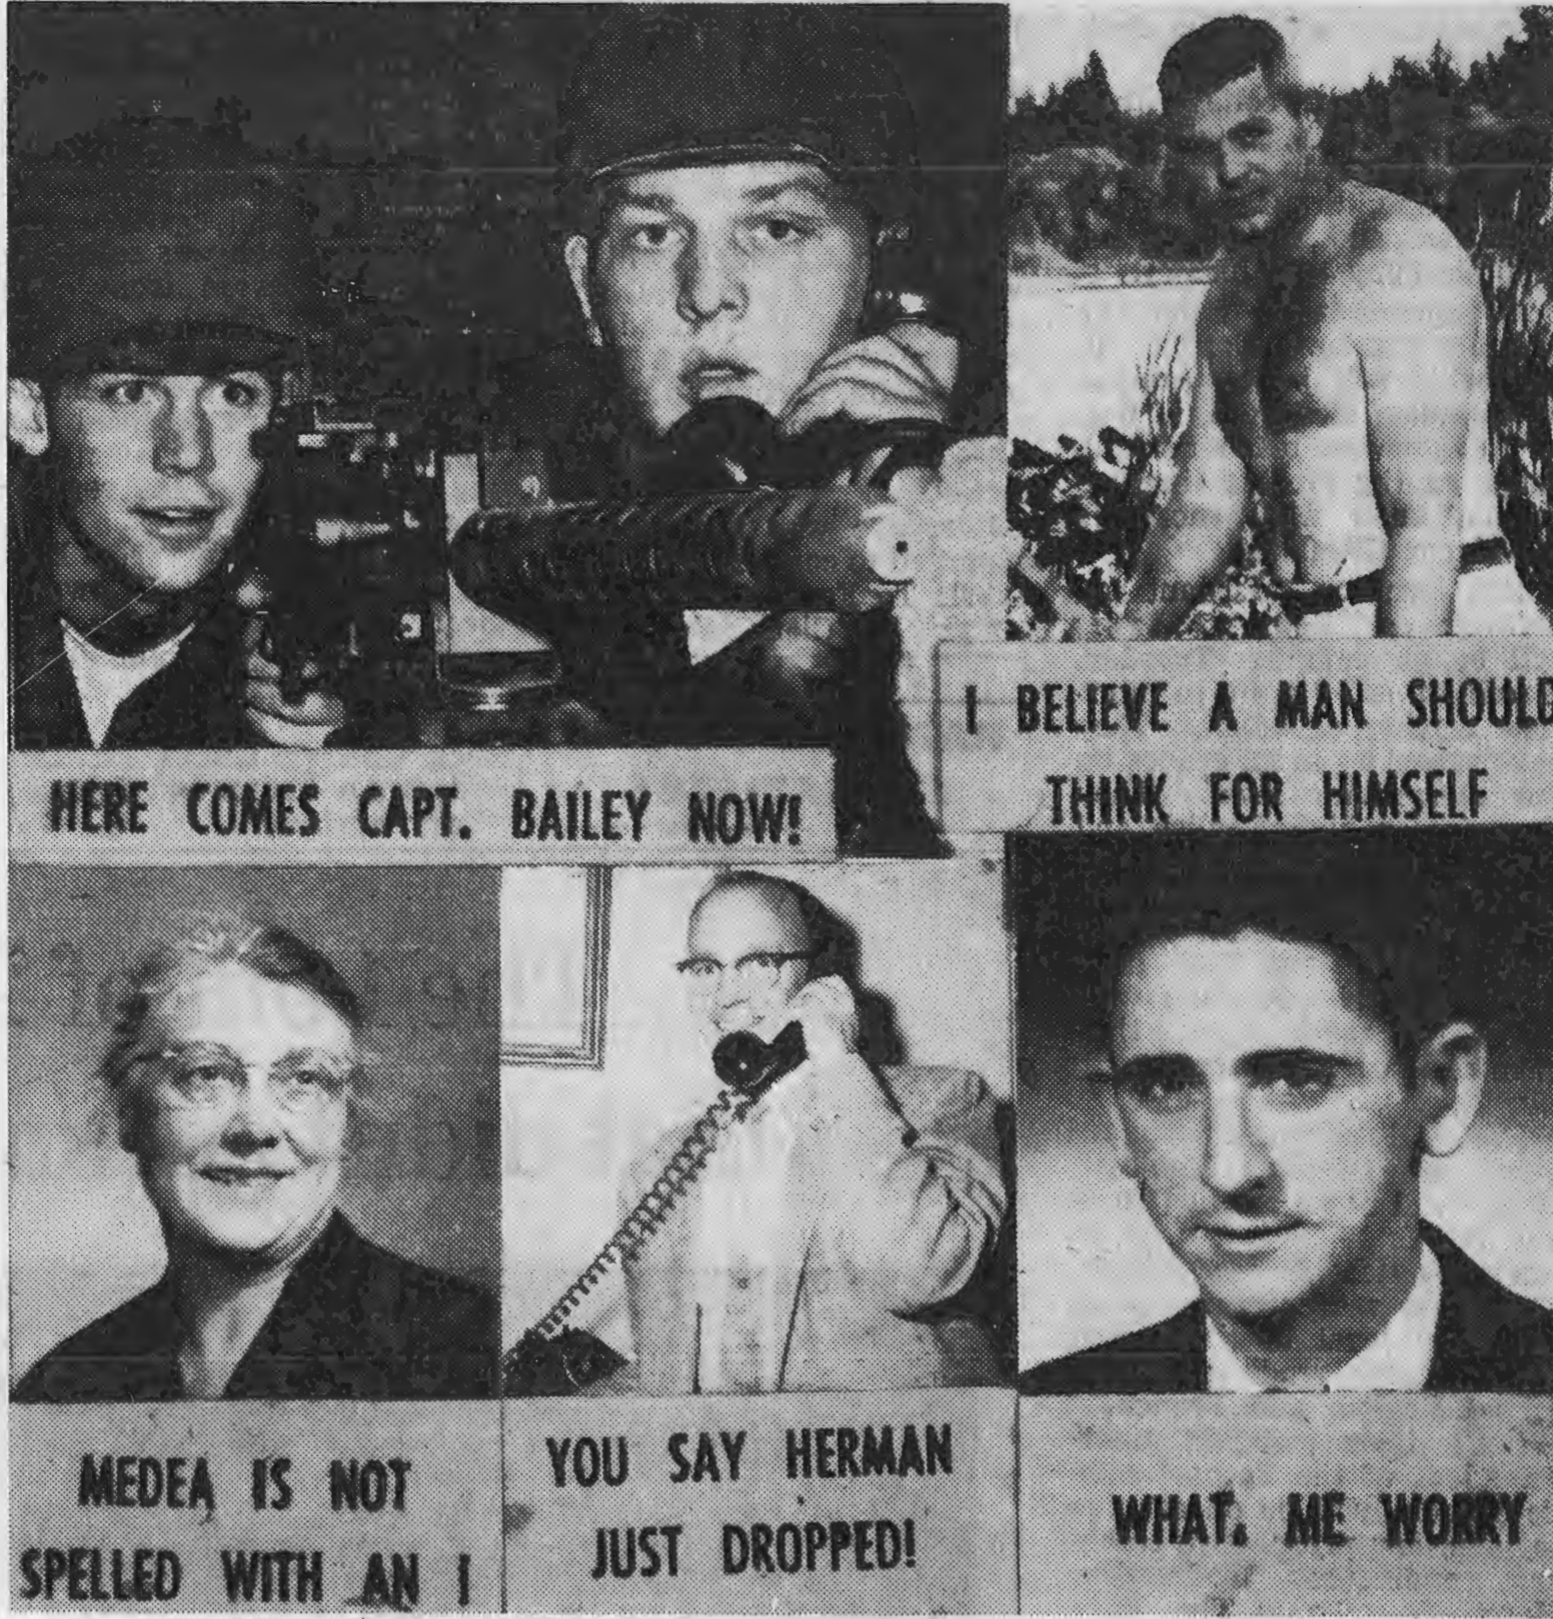

Dr. Bone, chairman of the political science department at the University of Washington, keeps in close touch with activities of the Presidential possibilities, and will present his choice of the most likely winners and his reasons for the selection.

At an afternoon tea sponsored by the Eastern chapter of the American Association of University Professors, Dr. Bone will discuss "The Graduate Program Leading to the Master of Arts Degree at EWC." Many Eastern students transfer to the UW, and his comments may suggest important developments. Dr. Duncan M. Thomson will preside.

Dr. Bone will preside as director of the Citizenship Clearing House for Washington and Northern Idaho at a dinner meeting for the CCH trustees in Spokane that evening.

Renewal of the labor-management internships and other CCH programs for the next school year will be considered. Dr. H. Kenneth Hossom will represent Eastern.

EW Riflemen Finish 8th

EWCE finished a mediocre eighth in the reserve officers training corps rifle match held in Corvallis, Oregon on February 27, M/Sgt. Jack Harlan of Eastern's ROTC unit, said. Oregon State's ROTC team won the match.

The match was entered by 66 individual shooters representing 13 schools from Oregon, Idaho, Washington and Alaska.

Eastern's team was paced by Roger Bean and Dave Meredith. Bean's 283 placed him ninth in individual scoring, only seven points behind the winner, McWhirter of the University of Washington.

Meredith led Eastern in team scoring with an aggregate of 279, followed by Bean with 278.

Other Eastern shooters were William Scamahorn, Gary Conner, Gary Gillespie and Richard Knowles.

Car Accident Lands Altman In Hospital

Hugh R. Altman, senior who lives in Sutton hall, is confined to Deaconess hospital with a broken vertebra, internal injuries and a severed ear, as a result of a night traffic accident on February 27.

According to state patrolman Donn Olson, Altman was driving east on the Cheney-Plaza road when he failed to stop for a stop sign at the Inland Empire highway.

Olson said the car crossed highway 3, flew through the air for 108 feet and overturned.

Grayson Hand, junior, who also lives in Sutton hall, a passenger in Altman's car, suffered hand cuts in the accident.

Doctors managed to save Altman's ear but his other injuries are serious enough to keep him out of school next quarter.

Announcements Ready For Seniors

Senior announcements may now be ordered in the bookstore, Sally Schultz, senior class vice president, said. A display has been set up of the selection made by the announcement committee. Announcements must be ordered before the end of winter quarter, March 18.

Cost of the announcements is 10 cents each and personal cards must be ordered separately. A \$1 deposit is required on all orders.
