Second 'Song Of Norway' Performance Set Tonight

The second of two performances of "Song of Norway" will be presented in Shoelater auditorium this evening at 8:15 p.m. The two-act, five scene operetta, a Broadway hit for more than 30 years, is the story of the life of Norway's greatest composer, Edvard Grieg.

Music for the operetta was adapted from more than 20 of Grieg's compositions, and include such well-known selections as "Concerto In A Minor" and the "Peer Gynt" suite.

The EWCE orchestra, with James Rickie as conductor, accompanies the performance. Dr. Wallace E. Peffey, Eastern choral director, is general director of the entire production. Leads in the operetta are taken by Ron Jones, baritone, as Grieg; Gloria Schlenker, mezzo-soprano, as Nina Hagerup; and soprano Hooda Paulson as Louise Gioannini.

"Eastern is having much difficulty in securing name bands and professional performers this year," reported ASB activities coordinator Maggie Jeffries at last Thursday's student council meeting, "because of a re-routing of talent to the Northeast."

Because of apparent over- tickets on the part of such individuals as the Evergreen Conference Roadshow booking agent, Miss Jeffries told the council, the college in this area are not listed in the scheduled tours of favorite performers.

Steps are being taken to overcome this disadvantage, steps which involve direct contact with many west coast bands, but any personal appearances available now are few and far between.

The student council voted to secure, if possible, one of two bands which will be in Washington in April or May. The Jerry Gray band, formerly of that of Glenn Miller, and the Les Brown band are, at the present, the only ones to be considered.

It is hoped that this unfortunate situation will be cleared up soon, Miss Jeffries commented, and problems with unreliable agents (which brought about this year's omission of the Kirby Stone Four from EWCE's agenda) as well as financial and regional management problems will soon be eliminated.

Other student council action took place at the meeting, including a reappointment to the student union board in favor of Miguel Angel Martinez, of Los Angeles, Calif., and a recommendation to the student union board to favor of moving the student social fund to the campus. The existence of the fund is, literally speaking, dead.

With the selection of a particular student from Greece, the EWWC students will be able to learn more about the customs and ideas of that country, which at present does not seem to be represented on campus. Whether or not this scholarship is to be extended over the years is to be determined by the student council committee.

The recipient of the $350 scholarship will be named, but it is quite certain that it will go this year to a student from Greece, a girl with outstanding scholaristic ability and personality.

The recipient of the $350 will arrive at the end of the summer in time for orientation activities and will live on campus in LA hall, said Priscilla Alkbe, dorm secretary and co-chairman, with Janet Morrow, of the scholarship committee.

Dead Week Begins

"Dead week" begins tomorrow and means just what the name implies. All campus activity is brought to a standstill and the campus is literally speaking dead.

Purpose of "dead week" is, of course, to prepare for finals. Extra time is made available by the complete absence of planned social activity.

Students are expected to use this time to their best advantage, preferably by studying for finals which begin one week from today.

32 To Receive Degrees At Winter Quarter End

Thirty-two Eastern students will be awarded degrees at the end of the winter quarter, March 18, Registrar C. W. Quinley Jr., said today.

Twenty students are candidates for the bachelor of arts degree in education and 12 are candidates for the bachelor of arts degree, Quinley said.

Candidates for the bachelor of arts degree candidate for the degree are:

Other candidates for the bachelor of arts degree include:

Anna C. Crandall, Cheryl Anderson, Zillah, Shirley C. Bowder, Kennewick, and William E. LaVigne and Ruth A. West, both of Cheney.

Bachelor of arts degree candidates from Spokane are: Loreta A. Davis, Charles A. Peake, Gary L. Gillespie, Claude B. Lake, and Gwendolyn R. Mor- cie, James W. Orr, George F. Fanagog, James A. Stohle, and William W. Holbrook.

Other candidates for the bachelor of arts degree are Daniel T. Maggs, Cheney, Vivian M. Reiger, Grandview, and Sally Lu, Taipei, Formosa.

The graduates will be awarded their degrees in an informal reception at the college, Quinley said.

LA Sets Up $350 Foreign Scholarship

Women of Louise Anderson hall are planning to set up a $350 scholarship to be given to a foreign student next fall. This would consist of funds acquired from the remainder of Louise Anderson hall social fund at the end of this year and from supplementary contributions from dorm residents.

The girl to receive this scholarship has not yet been named, but it is quite certain that it will go this year to a student from Greece, a girl with outstanding scholaristic ability and personality.

The recipient of the $350 will arrive at the end of the summer in time for orientation activities and will live on campus in LA hall, said Priscilla Alkbe, dorm secretary and co-chairman, with Janet Morrow, of the scholarship committee.

DO YOU KNOW WHAT?

The Pillars were built by the alumni and students with stones from the foundation of the old administration building. Officially they are the Sewardian pillars. Everyone knows them as the Pillars of Hercules.

Money For 'Cold War' Vets Asked

"Cold War Veterans Bill"—That's what Senate bill 1138 introduced by Senators Ralph Yarborough of Texas is called, and it is designed to give peace-time veterans similar educational benefits to those enjoyed by veterans of World War II and the Korean war.

The bill, actually titled the "Veteran's Readjustment Act of 1960" was passed by the senate last July and is now in the house committee on veterans affairs. It would provide educational benefits to persons on active duty from January 31, 1965 through July 1, 1969. The former date was the cut-off date for the Korean GI bill.

In a letter to Tom Ennis, Eastern ASB president, from Curtis Gans, national affairs vice-president of the National Student association, Gans urged student bodies and students interested in the passage of this bill to contact their congressmen, and the members of the house committee on veterans affairs in support of the bill.

Gans stated that the National Student association is in favor of the passage of this bill because of the great benefit to the American educational community that would result from passage.

Park Offers Jobs To College Students

Many summer jobs are open to college students in Yellowstone National Park. Dr. Daryl Hagie, dean of students, said. The jobs range from truck driver to manager of some of the hotels and motels located in the Park.

To be qualified for a job in the park, a person must be willing to work 46 hours a week, be free to work on Sundays and church holidays, be 18 years or older, and willing to work steady, Dr. Hagie said.

The foreman of each job is salaried but all other employees are paid by the hour, with time and a half paid after 48 hours each week.

More information on this summer park employment may be obtained from the dean's office.

Women Pick Samels As AWS Prexy

Felicence 'Sam' Samels, an EWCE junior from Senior hall, has been elected president of the Associated Women Students, Miss Samels, a graduate of Lewis and Clark high school in Spokane, will take office in the fall of 1960.

Susan Keller, a LA hall resident from Kellogg, has been elected vice president; Delores McNess, from Newport, secretary; Senior hall's Shirley Hardt, a junior from Coeur d'Alene City, treasurer and another Senior hall candidate, Genelle Gardner, program chairman.

Priscilla Bigge is the newly elected AWS scholarship chairman, Marilyn Tuten the ASB representative, and Mary Bradock, Inter-collegiate AWS coordinator. Revotes must be taken to select 2 social and an activities chairman.

In a voting contest between Louise Anderson and Senior hall, LA voting totalled 68.61 per cent, against Senior's 66.15, giving the LA women the win by a narrow .46 percentage points.

And only Winston swings with [FILTER-BLEND] up front,
A real gone comb of golden, rich tobaccos
Selected and processed like for filter smoking;

EX-ESTABLISHERS WINNING

Eastern Washington college, long recognized for its fine athletic department, has a

right to feel that way if one would look at the records. Athletic Director Ed Red Reese, in going over last year’s rec-

cords, said that six of the win-

ning coaches participating in the class "A" state high school tournament graduated from Eastern; five were from East-

ern in the class "AA" tournament, and two in the class "A-

A" tournament. This makes a total of 18 out of 44 teams participating or about 27 per-

cent. Considering there are 15 major four-year college in the state, this is a record that can

well be boasted about.

However, Eastern is not

standing on its record, be-

cause so far this year four

coaches in the "AA" division, four in the "A" division, and two in the "A-A" division have

already earned themselves a spot in the state tournaments with some spots undecided yet.

Dr. H. A. Bone Will Name '60 Winner

"Picking the Winner in '60" will be the topic of Dr. Hugh A. Bone, national authority on political parties and politics and author of widely used textbooks, when he speaks at a noon convocation Friday in the Ball lounge of the student union building.

Dr. Bone, chairman of the political science department at the University of Washington, keeps in close touch with activities of the Presidential possibilities, and will present his choice of the most likely winners and his reasons for the selection.

At an afternoon session sponsored by the Eastern chapter of the American Association of University Professors, Dr. Bone will discuss "The Graduate Program Leading to the Master of Arts Degree at Eastern." Many Eastern students transfer to the UW, and his comments may suggest important developments. Dr. Duncan M. Thomson will preside.

Dr. Bone will provide a director of the Citizenship Clearing House for Washington and Northern Idaho at a dinner meeting for the CCH trustees in Spokane that evening.

Renewal of the labor-management negotiations under other CCH programs for the next school year will be considered. Dr. H. Kenneth Henson will represent Eastern.

EW Riflemen Finish 8th

EWCE finished a mediocre eighth in the reserve officers training corps rifle match held in Corvallis, Oregon on February 27. M/Sgt. Jack Harlan of Eastern's ROTC unit, said. Oregon State's ROTC team won the match.

The match was entered by 66 individual shooters representing 13 schools from Oregon, Idaho, Washington and Alaska. Eastern's team was paced by Roger Bean and Dave Meridith. Bean's 283 placed him ninth in individual scoring, only seven points behind the winner. McLean of the University of Washington.

Meredith led Eastern in team scoring with an aggregate of 279, followed by Bean with 278.

Other Eastern shooters were William Beanmaur, Gary Conner, Gary Gilleseje and Richard Knowles.

Car Accident Lands Altman In Hospital

Hug. B. Altman, senior who lives in Sutton hall, is confined to Deaconess hospital with a broken vertebra, internal injuries and a severed ear, as a result of a single traffic accident in Spokane.

According to late patrolman Don Olson, Altman was driving east on the Cheney-Spokane road when he failed to stop for a stop sign at the Inland Empire highway.

Olson said the car crossed highway 3, flew through the air for 108 feet and overturned.

Greyson Hand, junior, who also lives in Sutton hall, a passenger in Altman's car, suffered bad cuts in the accident.

Doctors managed to save Altman's ear but his other injuries are serious enough to keep him out of school next quarter.
