College of Puget Sound Hosts Gridders

Starters Return
For Hoop Season
Returning to Eastern college ranks for the 1958 basketball season is coach West's entire starting group. knot Mitchell, senior, returns to the starting squad along with Gary Roberts, sophomore.

Bright Look For Coming Track Squad

It might be a long time until track season, but nobody can take Eastern's Coach Paul Fennig if he isn't doing a little preliminary dreaming about the sport.

He has several reasons for thinking about track in October, and these reasons are a group of freshmen and transfers who have entered this fall.

Among them is Leroy Seth, Lapski, a transfer from Lewis and Clark normal. Seth is a high jumper who cleared 6'-4" last year.

Two other reasons are Eddy White, high school decathlon champion, Mike Clark from Moses Lake, and the running back, Donn Duford from Moses Lake, Duford was also second in the state in the 300-yard dash during last spring's meet.

Also entering is Harold Wilson who cleared 11 feet in a leap from Lascioti and Clark high school in Spokane. Another pole vault winner is Ron Edman, a transfer from Eastern Washington.

College of Puget Sound makes their final road trip of the football season when they meet the College of Puget Sound Gridders Saturday in Tacoma.

Puget Sound is the only trip to the Northwest conference, that has developed a better winning record than Eastern. In 23 seasons the Grizzlies have won five and lost seven and tied one. Last year the two teams played a 7-7 tie in the rain.

Last year's gridiron battle was to be held at the Pigeon Point Bowl. The Columbia Rose Bowl could play football for the Grizzlies.

Two new distance men who Eastern's redeployed coach might be as tough as any in the Northwest conference. One is Art Wilbur, last year's state cross country champion from Lewis and Clark high school and Richard Riker from North Central high in Spokane.

Glenn Gondarson, from Orcas Island is on hard and Gindi- son has broken the javelin record at 195 in AAI competition.

In the quarter mile this year the Port Townsend freshman went a new record in the 440 meters.

Mike McWhorter, who was switched from guard to end for the last week, will continue in the same position.

Bob Tein, who switched from guard to end after the Maritime game, should return after the graduation of Carl Schoeneman.

Bob Carter will likely return to the fullback position after a week's rest.

The saxophone section was also in the game and should put in a good performance.

Do You Think for Yourself?

\( \text{THIS TEST WILL TELL YOU!} \)

The Man Who Thinks for Himself

\( \text{ONLY VICEROY HAS A} \)

\( \text{THINKING MAN'S FILTER...} \)

\( \text{A SMOKING MAN'S TASTE!} \)

Now answer this one: Do you really think about the flavor of a cigarette you choose? YES NO.

If your answer is "Yes"... well, you're the kind of person who thinks for himself. You can be depended on to see the right thing and do the right thing in everything you do.

This is true for men and women who really think for themselves. You can smoke VICEROY. That reason.

There's a world-wide love for VICEROY. The only kind of cigarette that has a Johnny Rider filter and a smoking-marry blend.

If you have answered YES to any of these questions, you are a person who thinks for himself.

* For all their fans, Viceroys are kind of a surprise.
