NUMBER 18

"Easter" Play To Be Presented By Department

First year students of play production in the division of language and literature at EWCE will present the three-act symbolic drama **Easter** by the Swedish dramatist August Strindberg as a reading in the socio-humanities studies reading room of Hargreaves Library on the Cheney campus on March 3, 1961. The production is sponsored by the division of language and literature to provide a laboratory experience in theatre for students enrolled in speech 107.

Easter takes place in the home of the Heyst family on the three days preceding Easter Sunday, as the problems of the guilt-ridden household are resolved by the Christian spirit of persons the father of the family has defrauded, and the family members themselves understand the message of the Easter story.

Roles in the play are taken by Dave Milam, who plays Elis Heyst, Doris Hayey portrays Mrs. Heyst; Carol Montague her daughter Eleonora; Beverly Davis is Kristina, Elis' fiancée; John Terris is Benjamin, a university student; and Craig Carl plays Lindkvist.

Assisting in the production are Merilee Barnes, in charge of costumes and makeup, and Dave Everitt, house and stage manager. Non-class members involved are Ed Draxel, who is in charge of program design and photography, Marvin Morasch, who is handling lighting and staging, and Larry Brown, in charge of sound effects.

William D. Thomas, assistant professor of English, directs the play.

There will be two evening performances at 8:15 on March 1 and 3, and a matinee at 3:15 on March 2. The public is invited to the production for which there will be no charge. Presentation of this in semi-arena style in Hargreaves Library inaugurates the use of this building for studio theatre productions.

Grandjany Here Tomorrow

Marcel Grandjany, described as "the nobleman of the harp," will be presented in a concert sponsored by the Cheney Community Artists series and EWCE Thursday, March 2, at 8:15 p.m. in Showalter auditorium on the campus.

Grandjany, a Parisian, gave his first recital and was for the first time soloist with the Lamoureux orchestra 50 years ago. He was also organist and choir master of the Basilica of Sacre Coeur.

An American citizen since 1935, Grandjany has promoted the harp to the rank of a concert solo instrument, playing, composing, transcribing and teaching.

Many of his students occupy posts of eminence in orchestras and as soloists.

"What Segovia is to the guitar, so Marcel Grandjany is to the harp," is how Cue magazine describes him.

The concert at EWCE is by subscription, but a limited number of tickets will be available at the door.

Chris Christensen, ASB President

Registration Soon

There will be no pre-registration for spring quarter, Mr. Quinley, registrar, has announced.

Procedure for registration for the coming quarter will be the same as winter quarter, he said.

He added that new directions should be out next week. The only change from winter quarter registration will be the order in which freshmen students register.

Copies of the directions will be distributed in the student union and in the dorms.

Counseling, Same

Students are urged to meet with their counselors just as they did last quarter.

A meeting should be arranged by the student and his counselor before the end of this quarter. When grades are received, another meeting is necessary.

Registration booklets are now available to the instructors and should be distributed to their counselees. Students cannot obtain the booklets at the registrar's office.

Registration Dates

Registration will be held on March 27 for the graduates, seniors, juniors and sophomores. Freshmen will register on March 28.

Classes begin Wednesday, March 29.

The last day for students to add classes or register is Monday, April 3.

Around The World In Commuting

Half of the Eastern student body will travel over 25,000 miles or the distance around the world at the Equator, by the time of graduation. The Spokane commuter will travel 40 miles per day and over 7000 miles a year "traipsing" from Spokane to Cheney and back.

Gas and oil for this "traipsing" will cost \$175 per year or \$700 for four years—enough money for a world tour (by cattle-boat that is).

NAME CHANGE "ECONOMICAL"

A legislative bill to change the name of the college from Eastern Washington College of Education to Eastern Washington State College has passed the state house of representatives and is now in the senate.

If the bill is passed, the college's initials would become EWSC.

Aware that Washington State University was formerly Washington State College, abbreviated as WSC, the EWCE Associated Student Council has directed its secretary to write the WSU council for any unwanted WSC signs.

"We can merely paint an 'E' in front of them," Paul Hooper, EWCE student body president, said. "This is practical as well as economical."

TODAY!

The deadline for filing applications for N. D. E. A. loans and scholarships for 1961-62 is March 1, 1961.

COUNTERSPY DRAWS LARGE AUDIENCE

"We are up to our ears in World War III."

This was a statement made by Herbert Philbrick, "the man who led three lives," as he addressed students, and faculty members at a con February 16.

Philbrick played to a "packed house," and some students had to sit in the aisles as the ex-counterspy spoke on "The Red Underground Today."

Philbrick told of his own experience of joining the Communist party "unwittingly," and of later going to the FBI when he became suspicious of the "phony" youth organization to which he belonged.

He warned students that the prime tactic used by the Communist gangsters of today, is no different than "the

1070 Votes Cast

Christensen Elected ASB President

Chris Christensen was elected president of Eastern's Associated Student Body in an election February 16. He received 686 of the 1070 total votes cast.

Jerry Stanley will serve as executive vice-president for the 1960-1961 term (Stanley, 596 votes, Bill Dick, 448) and Bob Bruya will hold the activities vice-president post (Bruya, 524, Roberta Beck, 518). Dixie Carter defeated finalist Cindy Gibson 599 to 443 votes for ASB secretary and Dave Lewis' 547 votes gave him the treasurer's position over Tom Aris, who secured 500 votes in the general election.

"Better cooperation with students and faculty members" is one point Chris Christensen, the new ASB president, is going to stress. "I believe that there are many activities on the campus that faculty members are not informed about, but are interested in."

When asked what he considered the primary issue, Christensen replied "The primary issue of course will be the selection of key people for key positions." Mr. Christensen did not list any names but

did indicate that he has several students in mind.

In relationship to The Easterner, Christensen said he would like to see a more realistic proportion between campus news, off campus news, and the international scene. "I believe there should be better coverage of campus activities such as cons and announcements." However Mr. Christensen also believes that all things which are important and of interest to the student should also be included in the paper. "Human interest stories are excellent. I would also consider the international scene of significance, for the student could bring himself up to date by a brief glimpse of headlines. Although the international scene is not campus material, it is important to the college student."

Promotions Given To 85 ROTC Students

Promotion of 85 EWCE reserve officers training corps students has been announced by Col. Erwin G. Nilsson, commanding officer of the ROTC unit.

Promoted to cadet staff sergeant were: George A. Lee; Larry O. Oty, David P. Smith, David A. Straughan, John A. Betz, Gordon E. Budke, Lester R. Dowell Jr., and Miles G. Kinzer.

Promoted to cadet sergeant were: Lennus T. Breeden, Bricker E. Cortner, William B. Devoe, Gerald W. Dompier, Larry K. Gruenhagen, David L. King, Kenneth G. McDonald, James N. McMullen, Raymond A. Peterson, Edward F. Rosler, A. Roger Simonson, Earl E. Signs, Ed. M. Takahashi, Daryl V. Triplett, Delroy C. Thorper, and Robert D. Waldo Kenneth R. Dolan, Larry F. Hoy, and Thomas D. Schreiner, Edward I. Chenevert, Robert V. Flock, Howard R. Jaeger, Roger K. Kugler, Raymond C. Lillquist, Carl J. Peterson, Ray C. Shiflett, Edward T. Spetch, Richard C. Stannard, James Strom, Landon P. Willman, James H. (continued on page 5)

25 STUDENTS TO OLYMPIA

Twenty-five Eastern students were named to attend a three-day legislative seminar at Olympia starting last Sunday.

The students will attend legislative sessions, committee meetings, and will hold meetings with different representatives and senators.

They are Vincent D. Aguirre, Richard C. Burger, Mark Coleman, Janice A. Corrigan, Terry S. Evans, Jean E. Featherstone, Bruce E. Jameson, Creed R. Morgan and David D. Smith and Wesley C. Stone.

Others were Kenneth R. Dolan, Ray R. Raschko, Pauline E. Henderson, Janet A. Morrow, Phyllis J. Martin, Lynda Paulson, Jerry J. Hopkins, Caryl J. Guisinger, Paul E. Hooper, David A. Milam, Walter D. Myers, Carol F. Peterschick, Dwayne L. Talbott, J. Garth Wheeler and Jerroll H. Sutton.

Annual Junior Prom Friday

EWCE's annual Junior prom will be held in the Bali lounge Friday, March 3 from 9-12 p.m. Tickets for the semi-formal, non-corsage traditional ball, are on sale at \$1.25 a couple.

The "Starlighters," a dance group from Gonzaga university, will provide the evening's music, with a slight break at intermission where Eastern students will hear some fine Hawaiian entertainment. The dance's theme, "Oriental Holiday," will be carried out in decorations and all students—not just juniors—are invited to attend. The queen candidates have not yet been announced.

EASTERN WASHINGTON COLLEGE of EDUCATION

Published weekly during the school year, except vacations and holidays and periods immediately preceding by the Associated Students of Eastern Washington College of Education, Cheney, Wash. Application for re-entry at Cheney, Washington, pending. Entered as Second Class Matter Nov. 8, 1916, at the Post Office at Cheney, Washington, under the Act of Congress March 3, 1879. Advertising rates furnished on application. Represented for national advertising by National Advertising, Inc., 420 Madison Avenue, New York 17, New York. Right to decline any advertising is reserved.

The 4TH Dimension

COGITO ERGO SUM

By Shan Eggers

If you haven't noticed, in reading the "Easterner," standing headlines ("The Fourth Dimension" etc.) are expensive. So I'm adopting this one. I haven't any idea what the Fourth Dimension, which is, of course, time, has to do with a column of this type, unless it relates to the fact that it's written in an awful hurry.

Here's a resolution (which, incidentally failed) presented to the student council which I feel is worthy of some slight attention: "Realizing that juke boxes are but substitutes for true entertainment and realizing that the AS of EWCE deserves the outstanding in entertainment, be it resolved that the incoming ASB activities vice president secure Elvis Presley, Bobby Darrin, and Ricky Nelson for the entire school year with the understanding that these eminent men shall entertain during the evening hours of every week day and that Sundays shall be devoted to evaluations of that cultural addition to Eastern's social-academic program." I, for one, feel that some of the SUB's "dinner music" is not only too loud, to inappropriate, but also too unappetizing.

Why can't our campus radio station, KEWC, broadcast to the campus? I hope no-one gets hurt feelings when the "Easterner" brings up the subject.

A couple quotes jotted down at the recent meeting of the Spokane County United School groups in Spokane. Speaking on proposed legislation related to Eastern and other Washington institutes of higher education, Dr. C. Clement French, WSU president, and EWC president, Dr. Don S. Patterson, said respectively: "I'll be glad when this session adjourns and everyone goes home—then we'll know what has happened and can act upon it." and "It is easy to continue looking up facts and discussing these to avoid any action." Thirteen EWCE students attended the meeting.

It has been announced that Si Zentner will provide music for this year's President's ball, to be held April 20. Anyone who has had the opportunity to hear this band will agree that the annual ball, one of the biggest events on our campus, has every chance for success.

Faded signs and wilted balloons remind me to suggest one thing. Many students showed, in the recent ASB election, confidence in candidates who didn't receive offices. My hope is that the many talents of these people will be used next year by the new officers—and the students themselves.

A regrettable technical difficulty prevented Dr. Raymond Schults, assistant professor of history, from having his name listed among the Communist history professors in the USA. (He teaches that economic factors entered into the reasons for the American revolution and the formation of the Constitution, you know). Though Dr. Schults made the mistake of mentioning that he feels the American constitution is one of the greatest contributions made by our country to mankind, and would not really qualify for Dan Smoot's list of Red professors, we on the "Easterner" staff feel that our naming of Dr. Schults in this newspaper (which is run by students, a group always suspected of Communistic leanings) might compensate somewhat for the oversight.

No, I'm not cutting international affairs from the "Easterner." I hope this wasn't misunderstood last week when so many campus affairs had to be covered that the international news was missing completely. If I might quote myself (I'll get permission) in last week's editorial, I want only "a more realistic proportion between campus and international news." A student newspaper is not a campus newspaper, but until the communications committee can get through a program whereby all advertising money from the "Easterner" is channeled back to the "Easterner," there might not be enough room in an eight page paper for all the events that should be covered each week.

Tickets for Gonzaga University's production of "Oklahoma!" can be secured from Bill Dick for a reduced rate of \$1.00. The musical is scheduled for March 9-11 at Shadle Park auditorium and will star Charles Perchesky.

I have been asked to think of a tactful way to announce "The Bali lounge is not a bedroom—no sleeping in there during the day." I'm not feeling particularly tactful, and would suggest posting "No Sleeping" signs. I've never noticed anyone sleeping there at night.

Sounding Board

Dear Editor,

Why can't our campus radio station be heard? This is a question that many of the students on the EWC campus are asking. We have the student funds to operate with and better equipment than some of the radio stations in Spokane; yet the reception is so poor, it is impossible to listen to it in our dorms. The radio station is supposed to benefit the students, but what benefit is it when it can't be heard? I, along with many others, would like to know if something can't be done about this.

(Signed)
Barbara Elkington

Dear Editor:

I think that we students can feel a little "unsafe," after what Mr. (Herbert A.) Philbrick said (at the Con.). That is, that we students can be easily made into dupes of the Communists.

I want to add my thanks to him for his wonderful talk; and expose, of the current threat. I hope that other students realize the wonderful gift of this man, who spent nine years at great financial loss to himself so that he, at great threat to his personal safety, could open the Communist party to the spotlight of publicity. Once again, hats off!

(signed)
(name withheld)

Dear Editor:

Having heard the marvelous reputation the campus radio station has for turning out well trained people in the commercial radio market, I have wondered why it is so difficult to pick up the signal from this fine station.

I have paid several visits to KEWC and while there I have seen the broadcasting equipment that is used by the radio students and I must say it is very intricate and attractive.

Why, with the direct line United Press International wire service and all the other facilities this station has, can the signal be heard in only a very few buildings on this campus?

With all the time, effort and skills that various radio personnel have put into developing the "voice of the campus", why is it not being utilized for the purpose that it is intended: campus communications available for all resident students?

If more students could hear what KEWC has to offer, their interest would be stronger and they would be more concerned about the programs, news, etc., that is available

(Signed)
Roy Clayton

Humor Ed. Resigns

Austin, Texas (UPS)—The editor of the Texas Ranger, campus humor magazine at the University of Texas, resigned last week in a flurry of vehemence against censorship of the magazine.

Lynn Ashby, the resigning editor, called the censorship of the Ranger "totally beyond the bounds of what it was intended for." An article concerning Dr. Logan Wilson, recently resigned chancellor of the University, was censored by a three-man Ranger Editorial Advisory Committee.

Editorials

Placement Column

Kelso

Roy Dennis, superintendent of schools, Kelso, Washington, will be on campus Tuesday, March 7, at 1 p. m. to interview teacher candidates.

Medical Lake

Les Huff, superintendent of schools, Medical Lake, Washington, will be on campus to interview prospective teacher candidates on Tuesday, March 7, at 9 a. m. They expect vacancies on all levels.

General Telephone

A representative from General Telephone will be on campus Wednesday, March 8, at 9 a. m. to interview people who are interested in a position with their company.

Burroughs Corp.

J. N. Gregg, branch manager, Burroughs Corporation, Spokane, Wash., will be on campus Wednesday, March 8, at 9:30 a. m. to interview prospective employees.

Aberdeen

Murray A. Taylor, superintendent of schools, Aberdeen, Wash., will be interviewing on campus Wednesday, March 8, at 1 p. m.

Burlington, Wash.

Interviewers from Burlington, Wash., will be on campus March 9, to seek prospective teacher candidates.

Yakima

The Yakima Public Schools will be interviewing prospective teacher candidates and the American Insurance Group will be on campus interviewing people interested in their company Friday, March 10.

Concord, California

John Moiso, assistant superintendent, Mt. Diabol unified school district, Concord, Calif., will be on campus to interview prospective teacher candidates on March 6, Monday at 2 p. m. They have elementary positions, elementary music, elementary speech correction, elementary library and special education. On the junior high level they have language arts and social studies core, math and science core, art, home-making, industrial arts, boys physical education, girls' physical education and special education. On the Senior high level they have commercial, driver education, English, foreign language, home economics, industrial arts, math, girls' physical education, science, social studies and special education.

West Covina, Calif.

Norbert Fuelling, director of personnel, West Covina unified school district, West Covina, California, will be on campus Tuesday, March 7, at 9 a. m. to interview candidates who are interested in his district. They need several elementary teachers and on the high school level they have positions in foreign language, English, commercial, science and shop.

Mr. Robert McKinlay, Director of Camping for the YMCA will be on campus on the morning of March 2. Students interested in talking with him can make appointments in the Office of the Dean of Students.

BED ROLLING

(CUP) — Western Ontario University has bettered the February 7 102 mile record for bed pushing set by the University of New Brunswick, by one mile.

The pushers overcame sub-zero temperatures, and the Ontario Provincial Police, as they pushed a bed from Windsor to London in 11 hours and 10 minutes.

Gaelic Singers Enchanting

Music of Ireland in song and dance was delightfully presented last Thursday evening in Showalter auditorium by the Little Gaelic Singers. These 24 children, now touring the United States for the fourth season, have won wide acclaim for their excellent performances, and the EWC presentation was no exception.

Combining the exuberance of youth with the confidence of professionals, the Irish youngsters captured the audience during the first number and held it enthralled throughout the program.

Though showing signs of fatigue and an occasional cold, the children sang, danced, and played with outstanding ease

and grace. The program consisted mainly of ballads and folk songs, which demonstrated the remarkable blend of the youthful voices and also gave opportunity for several fine solos.

Outstanding among the individual performers was Myra Wilson, who sang the solo "I Will Walk With My Love," to near perfection. The fine baritone voice of Austin Gaffney, the only adult performer, contrasted nicely with the higher voices of the children.

If there is any fault to be found in the program, it can only be that too few people were present in the audience to share this moment of enchantment.

CEL

Down With The Electoral College

We have on campus a new committee—The Electoral College Committee—which was formed during the fall quarter by students interested in the function of the Electoral College. This committee, headed by Les Francis, Creed Morgan and Dave Rogers, was for the purpose of gathering and disseminating information having to do with the Electoral College as it is and any proposed changes.

All information and findings of the committee will be presented to the students of EWC, acquainting them with the Electoral College, which will enable students to arrive at an informed decision regarding the Electoral College and any proposed changes in it.

Decisions

The committee will also make available to the student council its findings. When the council has studied this material and arrived at a decision concerning the Electoral College and any changes, it will then forward its findings and all compiled information to the NSA, requesting NSA members make similar decisions, and use their positions to influence their respective senators and representatives in connection with legislation affecting the Electoral College.

The committee has sent letters requesting information to various senators. To date only Senator Mike Mansfield, Senate majority leader from Montana, has answered. Senator Mansfield's letter contained enough information to enable the committee to lay the groundwork for its program.

Senator Mansfield presented proposals for revision of the electoral college to Congress on January 9th. The committee hopes to have all available information compiled by the end

USSR Subscription Affair Disproved

Bethlehem, PA (UPS) A Lehigh student's chance subscription to USSR, a Soviet propaganda magazine, did not set off a full-scale FBI investigation, FBI chief J. Edgar Hoover informed the Lehigh Brown and White recently.

In a "letter to the editor" of the **Brown and White**, Hoover claimed that "the allegation that the FBI investigated a student wishing to enter Advanced ROTC because of his subscription to a Soviet magazine is completely erroneous."

The student, who had claimed in the October 7 issue of the **Brown and White** that the subscription set into motion a probe into his personal life, now states that "he thought the FBI was investigating." He admitted he still is not sure what had happened to his Advanced ROTC application.

Robert J. Cochnar, **Brown and White** editor, said that after receiving Hoover's letter, he checked with the author of the original article "who affirmed to my satisfaction that he wrote an accurate story, using only the information received from the student in question."

of winter quarter, and will keep students informed of actions taken in congress.

Golden Circle:

New Members Scheduled

Golden Circle, women's junior and senior honorary, will tap new members to complete its circle, at the Winter Quarter Associated Women Students' general meeting next month.

Golden Circle is an honorary for Junior and Senior women who have been outstanding in college activities. They are also selected on the basis of personality, dependability, scholarship and character. A "B" minus or 2.51 cumulative grade point is required.

Florence Samels and Irene Sherwood are the remaining members from last year, and will tap 10 women to complete the circle of 12. Dean Carol Gerken is the adviser.

It has been the policy to select mostly senior women and only a few juniors, in order to carry on the organization. This year, more juniors will be tapped so they can be members for at least one full year.

Following the tapping, the new members will be initiated at a banquet in Spokane, to be held at the beginning of next quarter.

Trimesters

Rochester, Mich (IP)—Starting next fall, Michigan State University (Oakland) freshmen will graduate in two and two-thirds years instead of four. They will do so because they will be attending classes the year-round, under a plan voted by the faculty recently and approved by the Board of trustees. The plan provides for three 15-week trimesters, compared with the normal college year of two 16-week semesters.

Married Students

Laramie, Wyo (IP)—This year for the first time, all married students who enrolled at the University of Wyoming were able to find accommodations in campus apartments. Recent construction of 264 of the married student apartments marks the completion of the first project, making a total of 304 apartments available for student couples and families. The new one and two-bedroom units are completely furnished. The present married student population on this campus now comprises over a third of the student body.

Science, Math Aid

Grand Forks, N. D. (IP)—The university of North Dakota has been awarded \$246,000 to conduct an Academic Year Institute for high school Science and mathematics teachers during the 1961-62 school year. Forty high school teachers will be selected to participate in the institute, which will run from Sept. 10, 1961 to June 3, 1962.

Vote Counting Change

Yellow Springs, O.—(IP) Community Council, student governing body at Antioch College, recently changed its vote-counting system from the Finlay to the Hare system of ballot tabulation. Under the Hare system, election committee would establish a quota for election, to be equal to the number of votes, divided by the number of positions plus one.

Small Dinners

Inter-dorm dinners in the small dining room at Louise Anderson dining hall last year have ceased. These dinners were sponsored by the various dorm presidents, acting through Campus Council.

As it was set up last year, each dorm was assigned a night, and residents would accompany their dates (from an opposite dorm also assigned) to the dinner. Attire was Sunday dress. The entire project was conceived as a method of emphasizing the common social courtesies expected of dinner dates.

Under the new constitution the Campus Council is now strictly judiciary and can no longer discuss matters of common concern. Therefore, it will be necessary for these dinners to be sponsored by some other organizations.

Personnel Notes

Public Information Office Clerk, Mrs. Mary Lou Reitmeier is resigning her position at the end of this month, and Miss Marianne Tutt, clerk, registry office, has resigned to join her parents in El Paso, Texas, upon their recent arrival from Germany. Mrs. Jayneta Kight, formerly secretary in the office of the Dean of Students, is now working in the registry office, replacing Miss Tutt.

KANSAS COEDS BUY-OFF "BLINX"

University of Kansas coeds, in their senior year, will not have to be locked out of their dorms. Instead, they'll join a "key club," pay a deposit of \$1., get their parent's permission, and be on their way.

Essentially, it means that a senior girl will not have to worry about the locked door, so prevalent around 11 p. m. on some campuses. In practice, it applies to girls who have a slightly superior standing academically.

"Strictly experimental," says Dean of Women Emily Taylor, U of K. "We don't expect a tremendous exodus (just) because senior women have keys," she commented.

Dames Club

Dames will meet tonight at 8 p. m. in Sutton Hall lounge, and Kay Allen will speak to the group on preparing children for kindergarten.

Plans for the Dames Club annual Fashion show were launched February 21 at a special meeting. Anyone interested in working on the fashion show should contact the club president, Joan Ator or the co-chairmen, Leash Crawford and Pat Hardman. The event will be staged April 26th in L. A. lounge.

Dr. Raymond P. Whitfield In Race For WEA Head

Eastern's director of graduate study, Dr. Raymond P. Whitfield, has been nominated for president of the Washington Education association by the EWCE chapter of the organization.

The election is scheduled to take place at a WEA representative assembly April 21-22 in Yakima.

Dr. Whitfield, who joined the EWCE faculty in 1949, has been head of the graduate study division since 1953. He holds the rank of professor of education.

A graduate of Central Washington College of Education, he has a master of arts and doctor of education degrees from Stanford university.

As director of graduate study at Eastern, Dr. Whitfield has developed the follow-up program for beginning teachers, and the practicum program for school principals. He has directed the EWCE graduate school through the past seven years of vigorous expansion.

Dr. Whitfield was a member of the WEA state board for three years and is at present a member of the state TEPS (teacher education and professional standards) commission. He has also served on the WEA state committee on institutions of higher learning and is a past president of the EWCE-WEA unit.

Active in Parent-Teacher as-

Photo Competition By Kappa Alpha Mu

Columbia, M., Feb. 17, 1961—You can win nation-wide recognition, plus some very fine prizes and honors for your school by entering the 16th annual college photo contest. This competition and exhibition is sponsored by Kappa Alpha Mu, the national educational honorary photographical fraternity, National Press Photographers Association, and the Encyclopaedia Britannica, with the cooperation of LIFE Magazine.

Deadline for entering this contest is March 15, 1961. Any person regularly enrolled in an accredited college or university is eligible. A set of rules and entry forms are at the Easterner office.

sociation work, he has been on the state PTA board the past four years and is at present chairman of the state college cooperation committee. He has also served as chairman of the state citizenship committee.

A native of Montana, Dr. Whitfield attended the public schools in Sunnyside, Wash.

His wife is the former Margaret Humphries of Vancouver, B. C., whom he met when both were students at Stanford. The Whitfields, who live at 203 N. 9th in Cheney, have two children. Tommy, 11, is in the fifth grade and Marion, 9, is in the fourth grade.

Dr. Whitfield's campaign is under the direction of Stan Jeffers, an EWCE alumnus, who is principal of the Progress elementary school in Veradale.

'Evidence of Search' Richardson's Theme

"Evidence of search," is the theme woven throughout the paintings of Thomas L. Richardson. Mr. Richardson was born on January 2, 1936 in Kalispell, Montana. He studied painting at Sierra College, Montana State University, and is a graduate of Eastern. He also received a teaching certificate from Gonzaga University and presently is a Special Arts Instructor in Spokane.

Mr. Richardson's exhibit is being held on the second floor of Showalter Hall, February 27-March 3. The paintings on display are the essence of a three year search. His paintings have also been exhibited in the Sixth Annual West Coast Exhibit in Seattle.

This summer Mr. Richardson with his wife Beverly plans to go to New York to further his studies in painting. When asked about his painting, Mr. Richardson explains: "I paint because I have to. It is a drive from within me, which has to be satisfied. The object of my art is to find a personal and inexhaustible mode of expression, the image of my inner being."

OSC Pix Shown Here

The Oregon State college traveling photography salon of 30 prints will be exhibited in the student union at Eastern Washington college February 28 to March 8.

Selected from entries in the annual photography contest sponsored by the OSC Memorial Union Camera club, the prints are the work of students and faculty, and include scenes, portraits and nature shots.

PATRONIZE YOUR ADVERTISERS.

22 Gain Rank in ROTC

Twenty-two additional promotions have been announced by the ROTC department.

Col. Erwin G. Nilsson said Dennis C. Sullivan was promoted to cadet second lieutenant.

Two students were promoted to cadet sergeant. They are Jerry D. Byrd and Edwin N. Johnson.

Promoted to cadet corporal were Paul H. Larson, James R. Linahan, Robert D. Clark and Charles E. LaBounty.

Students promoted to private first class include Charles L. Becker, Richard W. Boberg, Daniel M. Gerl, William E. Gomm, Gerald R. Goodman, Charles E. Hiatt, Donald D. Lathen and Robert E. Schlect.

Others are Dennis L. Blair, LeRoy R. Llewellyn, George L. Puthoff and William N. Rogers.

Biehl, Manzo Adjudicate

Two members of the EWC music faculty were adjudicators for the Washington Music Educators association competitions in the Puget Sound area.

Arthur Biehl, judged woodwinds; Ralph Manzo was a judge in the voice division.

The competitions were held Saturday at Evergreen high schools in the Highline district in Seattle.

25 Students Admitted To Professional Ed.

Twenty five EWC students have been admitted to Eastern's professional education program. They are, William Albert, Donna Blume, Clarence Brown, Evelyn Carlson, Frank Dieni, Dixie Fram, Joan Gallup, Bertha Glenn.

Other are Charles Hall, Laurel Hansen, Wayne Hardy, Bette Hollenback, Murial Hunter, Edwin Kendall, Grace Landis, Leroy Lindemeier, Roy Mohondro, Robert Nance, Carl Nelson, Dale Nelson, Mary Lee Thomas, Billie Todd, Josephine Ulrich, Gaye Wood, Carolyn L. Worth.

Ahlstrand Accepted

An EWC man, Gary Ahlstrand, who will graduate from Eastern in June, has been accepted by the school of medicine of the University of Washington.

Ahlstrand will receive a bachelor of arts degree with a major in biology from EWCE and will enter UW in September. He has been paying his own way through college by working nights as an attendant at Eastern State hospital.

Ahlstrand is the third EWCE student to be accepted by professional schools this spring. Floyd A. Petzoldt, was accepted by the college of dentistry at the University of Nebraska and David W. Hanson, was, like Ahlstrand, accepted by the UW school of dentistry.

IN THE COLLEGE BRAND ROUND-UP

PRIZES: One 3-speaker Hi Fi Stereo Console Phonograph

RULES: Have all members of your living group save the empty packs illustrated below at one point per pack.

WHO WINS: Living group with greatest number of packs per capita basis wins Stereo Hi Fi set.

Contest starts Mar. 1, ends May 17, 1961

ROTC Rifle Team Active This Year

EWCE's ROTC rifle team placed fourth in the recent Idaho Army Invitational Rifle match at Moscow, needing only 14 points more for a first place.

There was one bright spot in the day's firing, however. Dave Meredith, captain of the squad, walked away with all of the individual top honors, winning with an aggregate score of 286 out of 300 possible points. For this he was awarded an engraved walnut ammunition container which included 50 rounds of match ammunition.

Meredith also took top honors and a medal in the off-hand position (standing) firing a score of 92 out of 100 possible.

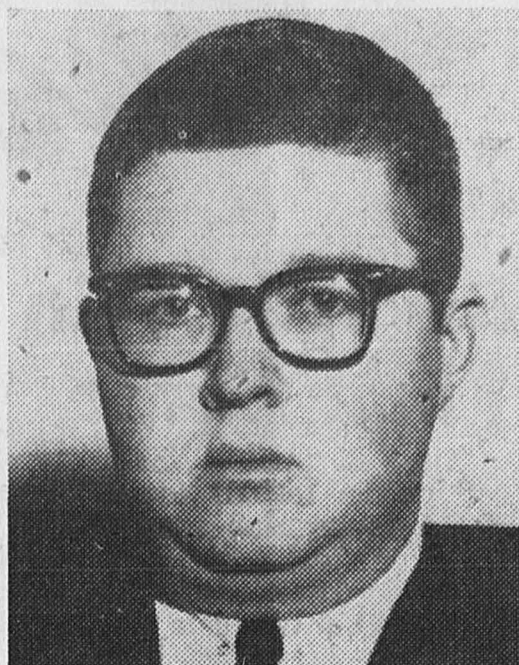

This team will travel to Montana State University, Missoula, Montana, on February 17 to fire in the National Rifle Association Intercollegiate match. Team members consist of Dave Meredith, Bill Scamahorn, Gary Conner, Dennis Higgins, Frederick Wong, and Roger Bean.

Everything considered, the outlook for the "big" one is good, and the team is confident of placing high in the intercollegiate.

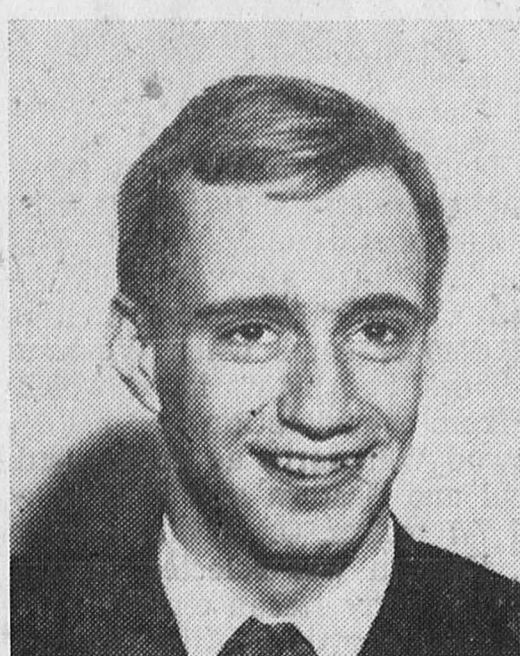

Aside from a few postal matches, the team has two remaining matches in the Inland Empire Conference this year, the Idaho Air Force Invitational at Moscow, Idaho, and the Annual Inland Empire Meet, sponsored this year by Idaho Navy also at Moscow, Idaho.

Need Money?

If you are urgently in need of funds to complete your education and are unable to obtain aid from other sources here is an opportunity to obtain the aid you need. If you will graduate and commence work this year, you may borrow up to 50 dollars per month for the remainder of your term. Repayments are to be made in the same amounts you borrow or in lump sum. Interest is based upon a sliding scale of first year—4% then if not paid up second year 6% and thereafter 8%. This is payable semi-annually in advance.

If you wish more information write:

Stevens Bros. Foundation Inc.
110-112 Endicott Building
St. Paul 1, Minnesota

Student Loans

Are you a little short of money, for books and school supplies? Perhaps you can't quite meet that next room and board payment.

If this is the case you may likely solve your problems by applying for a small student loan.

3 Funds—To \$25

There are three loan funds set up on campus for your convenience.

You may borrow up to \$25 through the AWS fund, which is for women students only. Through the Bachelor's Club, any student may borrow up to \$20. Music majors may borrow up to \$25 through the Dale A. McCallum Memorial Fund. All three loans, plus 25 cents interest, must be repaid within a month's time.

Inquire for applications in the office of the Dean of Students.

OUR MODERN MAN "FRIDAY"

Reddy's "powerfully" pleased to be your man Friday. For the smallest electric shaver to the largest freezer the WWP brings you electricity at one of the lowest rates in the nation. Just count the many household conveniences made possible by your "Reddy" servant.

Spring, Summer Grants Ready

ASB scholarships are now available for students who plan to attend school spring or summer quarter or both.

Forty-five dollars, which will be awarded to the student at the beginning of either of the two quarters, is granted by the ASB council. Proceeds come from athletic contests and vending machines.

Students will be picked on a competitive basis with academic requirements being judged most important.

Scholarships are picked by the financial aids and awards committee, made up of faculty and administrators and headed by Miss Dorine Guthrie.

Amount of scholarships will be decided by how many students apply for one quarter and how many for two.

THE OPTIMIST

By Walt Hartman

The EWC basketball Savages begin their post-season play-offs tomorrow, March 2, at Bellingham where they tangle with Western Washington on the Vikings' home court.

Eastern was selected for post-season play after it had won a thrilling one-point decision over Central Washington in the season finale. However, the real decider came when Western downed the University of Puget Sound two nights later, which virtually eliminated the Loggers from consideration.

The final league standings showed Whitworth as undisputed champion, with Western in second and Eastern and PLU in a deadlock for third with identical 7-7 marks. On a vote of the conference selections committee, Eastern was selected as the number three team because of its fine early season record.

The rest of the playoff setup shows Seattle Pacific, the top independent team, playing PLU in Seattle. The winner of this game and the winner of the Western-Eastern game will play off for the right to meet Whitworth for the district championship. Game number two is scheduled to be played on the Cheney court. In the meantime, Whitworth is given two byes, and is given the advantage of playing the championship game on its home court. It seems to this writer that a better method could have been devised for the championship playoff. Not only is Whitworth bracketed directly into the championship game, but it also will have a decided advantage of playing on its own little "crackerbox" gym. It would seem that a game of such importance would be played on a neutral floor with more spacious facilities.

Gary Roberts played a prominent role in enabling the Savages to be selected for the playoffs. In the Central game with Eastern being badly outplayed for 28 minutes, and on the short end of a 47-32 score, Roberts caught fire and hit six straight howitzers from 30 feet. Gary's hot hands coupled with a very effective full court press shot the Savages into the lead eight minutes later and Eastern was able to hold on for a final one point victory.

Although it snowed last week, the spring sports fanatics are hard at it in preparation for the upcoming track and baseball seasons.

Coach Ed Chissus expects a fine season from a baseball team that is bolstered with veterans in almost every position. The only veteran not expected to return is Roy Mohondro who suffered a serious back injury in an automobile accident and is unable to get a doctor's release.

Athletic director and track coach Red Reese can expect another strong team from his defending conference champion tracksters, but depth may be a decided weakness in this year's team. The first meet will be the indoor invitational to be held at WSU, March 18.

Eastern Swimmers Defeat Wildcats

The EWC swimming team came through in fine style last weekend as it dumped Central Washington's splashers in the Wildcats' home pool by a 49-46 score.

Grayson Hand and Lanny Willman paced the Savages to victory as they both set pool records in the Ellensburg fieldhouse. Hand set two marks, the first being a fine 24:6 in the 50 yard freestyle and the other in the 100 yard freestyle with a clocking 58 flat. Jim Strom finished very close behind in both races, clocking a 24:8 in the 50, and 58:5 in the 100. Willman set his mark in the 220 freestyle with a time of 2:32.

Other point getters for the Savages were Dick Burger with seconds in the 220 and the 440 freestyles, Jerry Newell with a second in the 200 fly and a third in the 200 individual medley, Jim Mohatt with a second in the 200 backstroke, Vic Maykowskyj with a third in diving, Dick Taylor with a second in the 200 breast, and Mel Lein with a third in the 200 breast. Willman also captured a first in the 440 freestyle in addition to his record setting performance in the 220.

The meet wasn't decided until the final event when the 400 freestyle relay team composed of Hand, Strom, Willman and Burger clocked a winning time of 3:54, just .4 of a second off the existing conference record.

The Savages complete their season next weekend in the Cheney pool as they host the rest of the conference schools in the Evergreen conference meet. The meet is a two-day affair and it is scheduled to start at 2 p. m. on both Friday and Saturday. Teams competing are EWCE, CWCE, UPS, and WWCE.

Men find it more easy to flatter than to praise.—Richter

Playoff Remains In Intramurals

Intramural basketball is over for the season — only the playoff remains.

Sutton A-1 seemed to show itself as the best team in all the divisions with a 10 and zero record and an overall team scoring average of 83.6 which is tops in the leagues.

Gary Smith, a former junior college player, was the team's mainstay with a 22.7 point average (third high in the A league). Don Warwick, the play-maker for the team, scored 37 points in one game for the Sutton A-1 team which got 126 points against Hudson A-1's 56.

In the Dad's day tournament Sutton A-1 played Student Court, the top team of the A-2 league and handed them a decisive loss.

In the other Day's day game the Old Crows defeated the Sutton B-2 team. Dads of the players were on hand to pass out trophies.

Final standings in the leagues were as follows:

A League			
Division I			
Sutton A-1	10	0	
Montanans	7	3	
Longview 5	6	3	
Park-Ins	3	6	
Gary A-1	2	7	
Hudson A-1	0	9	
Division II			
Monroe A	7	1	
Student Court	7	1	
Idahoans	4	4	
Sutton A-2	1	7	
Hudson A-2	1	7	
B League			
Division I			
Old Crows	8	2	
Student Court	6	3	
Sutton B-1	6	4	
Hudson B-1	5	4	
Sutton B-3	2	8	
Monroe B	2	8	
Division II			
Sutton B-2	8	0	
Commuters	6	2	
Hudson B-2	4	4	
Garry B	2	6	

Savages Win Final Game

The Eastern Washington college basketball team finished its regular season play last week on a winning note as it defeated the Central Washington Wildcats 63-62, to finish the season with a 16-10 mark. In other games last week, the Savages trounced Western Washington 74-58, and were dropped by PLU 74-64.

Against Western, it was only a question of how wide the margin would be after the Savages gained the lead at 10-8. The Savages were working their patented 1-3-1 zone to perfection and the Vikings were unable to penetrate it all night for a close-in shot. Western pulled within one point at 21-20, but the Savages countered with eight straight before the Vikings tallied, to make it 29-22 at halftime.

Everyone got into the scoring act in the second half, as all 10 Savages suited up hit the scoring column. Eastern coasted the entire second half for its final 16 point margin.

On Saturday night, Pacific Lutheran's Gladiators surprised the Savages at the beginning of the game with a full court press, and Eastern was never able to get going as the Lutes held Eastern at bay all night. The Lutes held a six point margin at halftime 37-31. Norm Dahl, Ralph Carr, Ralph Jacobsen and Gene Nelson led a balanced PLU attack as all four scored in double figures. Dave Danielson and Harold York paced Eastern with 14 and 11 points respectively.

In a do-or-die battle on Tuesday, Eastern staged a brilliant rally to pull out a game against Central Washington's Wildcats. Central pulled to a commanding 35-25 lead in the first half as Norm Erken, Tom Wallenborn and Lloyd Kellman took over control of the backboards.

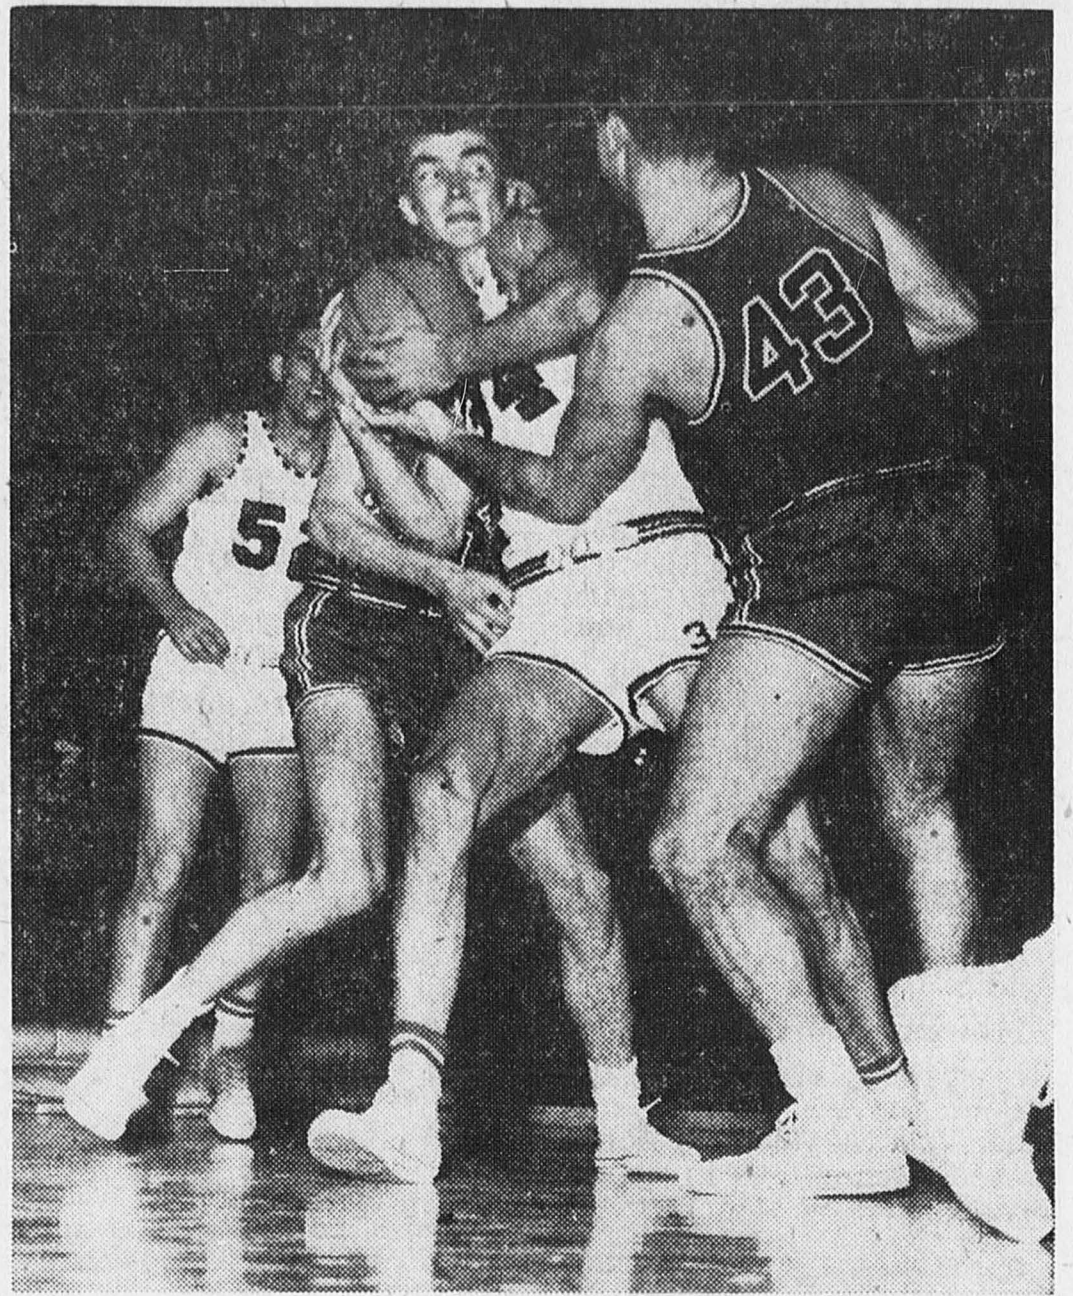

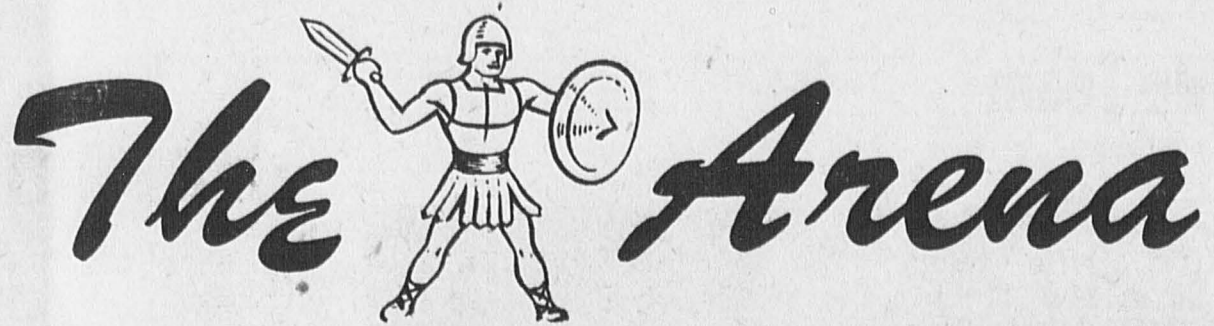

The same story held true in the second half until the hands of Gary Roberts began to sizzle. The Savages began to steal the ball on a full court press, and Roberts helped out the situation by dumping in six straight push shots to tie the score at 53 all. John Nugent and Dick Hannan also started to find the range, but Central's Phil Fitterer hit a field goal to put Central ahead 62-61 with 30 seconds remaining. Eastern quickly brought the ball down the court and set up Hannan for a 10-foot jumper that found its mark to give the Savages a final one point victory and a spot in the post-season play-offs.

Sutton B-4	0	8
Overall team scoring averages		
A League		
Sutton A-1	83.6	
Longview 5	83.0	
Student Court	76.6	
Monroe	76.0	
Idahoans	71.9	
B League		
Old Crows	78.6	
Hudson B-2	76.0	
Sutton B-2	76.0	
Hudson B-1	75.5	
Sutton B-3	70.3	

Top scorers for each league in the individual class were: A League: Grambo, 24.6; Vantine, 24.4; Smith, 22.7; Amundson, 22.0.

B League: Dotson, 26.4; Liberty, 22.7; Morrison, 22.5; Newman, 21.0.

Prior to the development of the oil industry in Saudi Arabia, the principal source of revenue in that country was a tax on pilgrims traveling to Mecca and Medina.

Dave Danielson, Eastern center, fights for possession of the ball in scramble for rebound with Central Washington's big Norm Erken. Ted Paterson (53) comes in to give Dave some assistance.

EWC Women's Team Tops In Pine League

EWC's women's basketball team continues to win and hold on to first place in the Pine league. Two of its latest victories were over Whitworth and Holy Names.

On February 1 the team gave Whitworth its first defeat of the season by a 34-22 score. In that game Eastern got off to a slow start but came on in the second quarter to blaze on to victory.

The team picked up its fourth straight win on February 8 by downing the Holy Names girls, 34-24.

On February 23 the Eastern women traveled to Everett junior college to compete in a three-day invitational tournament in which colleges and universities from Washington, Idaho and Canada were scheduled to participate.

Spring Intramurals

Track and field and water basketball are the only definite intramural sports scheduled thus far for spring quarter. Other possibilities, depending on the interest of the students, are table tennis, handball, tennis and wrestling.

Final decisions on these sports will come after the manager's meeting at the start of the quarter. If wrestling is scheduled, those participating will be required to have a two week work-out under the direction of Mr. Robert Anderson. These sports will last only about two days each.

Delinquent Reports

Mid-semester delinquent reports are out. Commuters, if you are in doubt you can check at the Office of the Dean of Students now.

Student Teaching

All students planning to do their student teaching during fall quarter 1961, must have their student teaching application turned in to the student teaching office in MH 103-104, by April 7, 1961.

Those who wish to do September Experience, must have their applications turned in to the Student Teaching office by April 15.

Herbert Philbrick, counterspy speaker at Eastern's Feb. 16 convocation, excited one of the largest EWC audiences to attend a meeting at Showalter hall. This shot, reminiscent of a Khrushchev performance, embodies the "emotional appeal" which caused a major controversy in the EWC audience.

Have a real cigarette—have a CAMEL

Dates For '61-'62 Classes Announced

Classes for the 1961-62 school year at EWCE will begin September 28, Registrar C. W. Quinley Jr., said today.

The calendar for 1961-62, approved by the college's administrative council, calls for testing of freshman and transfer students who have not yet taken the Washington grade prediction test on September 20.

A two-day faculty orientation is scheduled for September 21-22. Residence halls will re-open September 23, and new students will meet with their advisers on September 25.

Freshmen and transfer students will register September 26, Quinley said. Graduate, senior, junior and sophomore students will register September 27, with classes beginning the following day.

Wilson, Water Safety

Don A. Wilson has recently been chosen from among several applicants by the Red Cross to be the first aid and water safety director for Spokane, Greater Spokane and Spokane County.

Don is a senior physical education major and has been the life guard and water safety instructor at Eastern's pool for the last two and a half years.

Top 10 Seniors

Applications for top ten senior can be picked up at the SUB information booth. This application must be filled out and returned to Box 118 by April 7, 1961. Any senior who will graduate either spring or summer quarter is eligible for this honor. The Top Ten will be announced at the awards convocation.

Found

Found on campus February 20 on the lawn in front of the home Ec. building near the Industrial arts building: two pedigree papers AKC official for the ancestry of pekingese dog named TI DI or TEDDY. The breeder was listed as Ella Sorenson. Papers may be identified and claimed at the deans' office in Showalter hall, second floor.

One of the best investments you'll ever make...

You know what you invest in advanced ROTC . . . two years of classroom time and outside study.

But just see how handsomely your investment pays off.

First and foremost, there's the proud moment in Graduation Week when the gold bars of a Second Lieutenant are pinned on your Army uniform . . . and deep inside the warm sense of accomplishment at having made it.

There's immediate help in meeting expenses

. . . a subsistence allowance of \$535 for the two-year advanced ROTC course. Uniforms and military textbooks paid for. \$117 for your six-week summer camp training, plus travel allowance. And when you're commissioned, a \$330 uniform allowance.

You discharge your military obligation with the traditional rank, pay, privileges and responsibilities of an officer in the United States Army.

And later, when you're starting your climb

up the civilian ladder, advanced ROTC will still be paying off. Success in the executive areas of business and industry comes earlier and more substantially to the man who can lead. Few are born leaders; but leadership can be learned. And advanced ROTC is a great place to learn it.

Talk with the Professor of Military Science at your school. Learn more about advanced ROTC. Ask particularly about the ROTC course in Leadership, with its practical experience in command responsibilities.

Bev Pierce, elected Bachelorette last week by the Bachelor's Club, sips a coke with Barney Pool (L) and Mike Materie (R).

Committee Examines Legislative Issues

A special committee on legislative activity has been formed by the Associated Students to serve as a means to inform Eastern's students on the activities of the Washington state legislature as they might affect the college. Composed of the AMS and the AWS, the committee will serve in both a liaison capacity and as a means to bring about any action the students might desire.

This action is based on the assumption that letters from students themselves, letters

from parents and personal contact, all of which can be directed by this committee, are a potent force in determining the action of a legislator. As the time has arrived that Eastern must carry a greater degree of influence in the legislature, this action on the part of the students is both realistic and necessary.

It is hoped that the students will cooperate with this committee in its effort to assure Eastern's legislative needs.
