"After silence,
that which comes closest to expressing the inexpressible
is music."
~ Aldous Huxley ~

Neither a lofty degree of intelligence nor imagination nor both together go to
the making of genius. Love, love, love, that is the soul of genius.
~ Wolfgang Amadeus Mozart ~

Straight-away the ideas flow in upon me, directly from God, and not only do
I see distinct themes in my mind's eye, but they are clothed in the right
forms, harmonies, and orchestration.
~ Johannes Brahms ~

Don't only practice your art, but force your way into its secrets; art deserves
that, for it and knowledge can raise man to the Divine.
