Office of the President

Mr. George Lotzenhiser,
A.S.B. President
Eastern Washington College
Cheney, Washington

Dear George:

As requested in your memorandum of January 8th I have brought the matter of faculty announcements to the attention of the faculty. I hope that this will have some effect in correcting the situation of which the students complain.

If further difficulties of this nature are brought to your attention, we shall be glad to know about them. It will help if specific instances can be cited.

Very truly yours,

Walter W. Isle,
President
