"After silence,  
that which comes closest to expressing the inexpressible  
is music."

~ *Aldous Huxley*

"Music gives a soul to the universe,  
wings to the mind,  
flight to the imagination,  
and life to everything."

~ *Plato*

"Music does bring people together.  
It allows us to experience the same emotions.  
People everywhere are the same in heart and spirit.  
No matter what language we speak, what color we are,  
the form of our politics or the expression of our love and our  
faith, music proves: We are the same."

~ *John Denver* ~

"The aim and final end of all music should be none other than the glory  
of God and the refreshment of the soul."
