Mr. George Lotzenhiser, President
ASSOCIATED STUDENT COUNCIL
Eastern Washington College
Cheney, Washington

Dear Mr. Lotzenhiser:

Thank you very much for your kind words. It is refreshing to get a word of appreciation since most of our correspondence is dire threats about what will happen if we don't do something for somebody someday.

I will consistently keep in mind the needs of Cheney Normal as I think it is a splendid institution and should be encouraged in every way.

Please remember me to Dr. Isle and any other members of the faculty who may remember me.

With kindest regards, I remain

Sincerely,

John H. Happy
