Dear George:

For your most valuable part, that of toastmaster at the first post-war Scarlet Arrow banquet honoring the Eastern football squad, the club extends its heartiest thanks and appreciation.

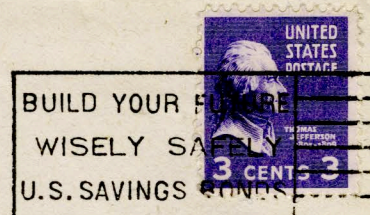

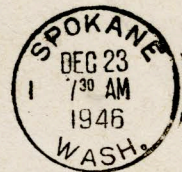

Your services, before, during and after this affair were rendered under circumstances which were personally most difficult for you so to do. These factors are acknowledged and most gratefully appreciated.

We wish you and your family a very Merry Christmas and a most prosperous and Happy New Year.

For the club,

Edward E. Anderson
