Intercollegiate Athletics Workshop, I.

The board heard testimonies from 27 individuals regarding Eastern's athletic program. Seven constituencies were represented, including the EWU Alumni Association, EWU Foundation, Associated Students, Athletics Department, Eagle Athletic Association, Council of Academic Deans, and the Faculty Organization. The constituent groups addressed the pros and cons of NCAA Division I Big Sky affiliation and NAIA membership, the role of athletics in higher education, and the benefits of athletics competition to participants and to spectators.

Call to Order and Quorum, II. and III. - Mr. Kirschbaum

The regularly scheduled meeting was preceded by the special workshop on intercollegiate athletics. The workshop began at 8:00 a.m., and the regularly scheduled meeting was called to order at 9:50 a.m. A quorum was present.

Reports, IV.

Trustee Reports, IV.A. - Mrs. Beschel

Trustee Beschel, who chairs the presidential search committee, reported that more than 100 names have been placed into nomination for the Eastern presidency. She said the committee expects to narrow the field to about 12 by
early March. She also stressed the high quality of the candidates in the pool.

Faculty Organization, IV.B.1 - Dr. Durrie

Dr. Durrie reported that the Senate voted unanimously in favor of the revision to Bylaw 403.10.00, which establishes the date on which the bonus merit plan is to be implemented.

He also expressed the Senate's support of the summer tuition fee schedule.

Associated Students, IV.B.2 - Mr. Davis

Mr. Davis reported that the YMCA will discontinue their child care facility and services in Cheney. Eastern is now faced with the dilemma of accommodating the child care needs of EWU students who have young children.

University, IV.B.3 - Dr. Felder

Dr. Felder noted that the school of business remains under "continuing review" by the AACSB and that we are making good progress in resource allocation, faculty hiring, and scholarly activity. She commended Dean Evans and the school of business faculty.

Dr. Felder also reported that she had presented Eastern's request for $225,000 to the Higher Education Coordinating Board and that it was well received. Eastern should expect the funds to be released in March.

Dr. Felder also reported that, in the latter part of February, the senior administration will interview four finalists in the search for the affirmative action officer.

Dr. Drummond presented an update on the preparation of the 1190-91 operating budget. A recommendation will go to the board in March, if possible.
